(57) **CLAIM**

The ornamental design for a combined end table and dog house, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view taken from the front, top and left side of a combined end table and dog house, showing a first embodiment of my new design. The lamp in FIG. 1 is shown in broken lines for illustrative purposes only and forms no part of the claimed design.

FIG. 2 is a front elevation view of the combined end table and dog house.

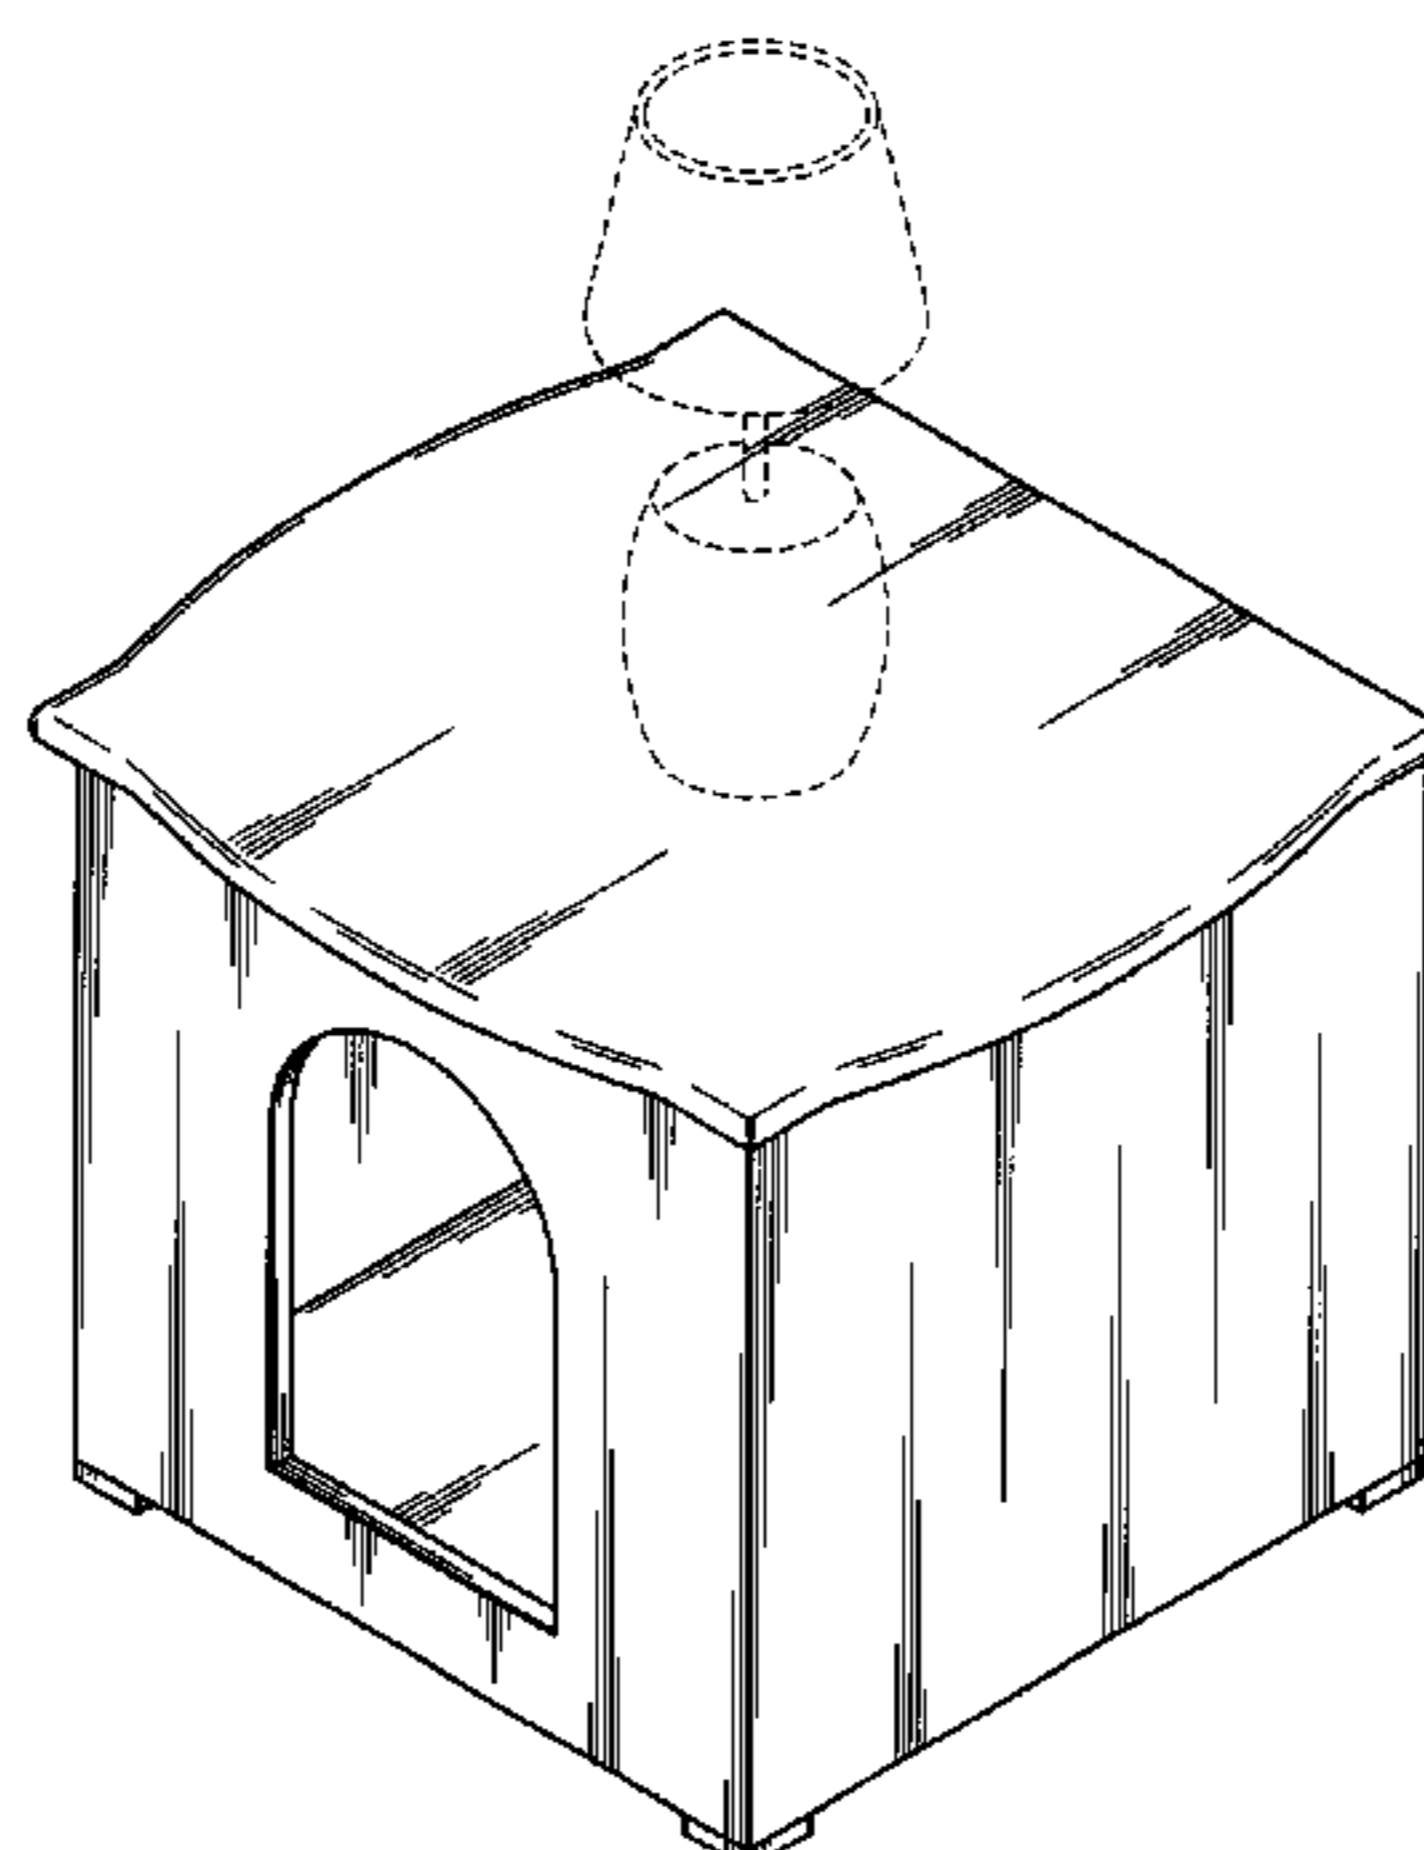

FIG. 3 is a top plan view of the combined end table and dog house.

FIG. 4 is an elevation of the right side of the combined end table and dog house, wherein the right side is hidden in FIG. 1. The right and left sides of the combined end table and dog house are mirror images of one another.

FIG. 5 is a rear elevation view of the combined end table and dog house; and,

FIG. 6 is a front elevation view of the combined end table and dog house, showing a second embodiment of my new design, the only difference from the first embodiment being the configuration of the front view which includes a drawer in this embodiment, it being understood that all other surfaces are the same as those of the first embodiment.
