(57) **CLAIM**

The ornamental design for a motorcycle slider, as shown and described.

DESCRIPTION

FIG. 1 is a top view of the motorcycle slider.

FIG. 2 is a bottom view of the motorcycle slider.

FIG. 3 is a front view of the motorcycle slider.

FIG. 4 is a rear view of the motorcycle slider.

FIG. 5 is a right side view of the motorcycle slider.

FIG. 6 is a left side view of the motorcycle slider; and,
FIG. 7 is a top perspective view of the motorcycle slide with
phantom lines indicating the environment in which the
motorcycle slider is used.The broken line showing of a wheel in FIG. 7 is for
illustrative purposes only and forms no part of the claimed
design.**1 Claim, 3 Drawing Sheets**
