(57) **CLAIM**

The ornamental design for a user interface for a portion of a display screen, as shown and described.

**DESCRIPTION**

The FIGURE is a front view of a user interface for a portion of a display screen showing our new design.

The broken line showing of various regions and the unshaded areas there within form no part of the claimed design. The broken line showing of the display screen is for illustrative purposes only and forms no part of the claimed design.

The broken line drawings of the square and rectangles in the user interface, and the broken line drawing of the display screen are for illustrative purposes only and form no part of the claimed design.
