(57) **CLAIM**

The ornamental design for an icon for the display screen of  
a cellularly communicative electronic device, as shown and  
described.

**DESCRIPTION**

A portion of the disclosure of this patent may contain  
material to which a claim for copyright is made. To the  
extent that such copyrightable materials is included herein,  
the copyright owner has no objection to the facsimile  
reproduction by anyone of the patent document or the patent  
disclosure, as it appears in the Patent and Trademark Office  
patent file or records, but reserves all other copyright rights  
whatsoever.

The single FIGURE is a front elevational view of an icon for  
a display screen of a cellularly communicative electronic  
device.

The broken line drawing of a display screen and a cellularly  
communicative electronic device is for illustrative purposes  
only and forms no part of the claimed design.
