(57) **CLAIM**

The ornamental design for a light bar for an off-road vehicle,
as shown and described.

DESCRIPTION

FIG. 1 is a front top perspective view of my light bar for an
off-road vehicle showing my design; the vehicle and the
supported lights do not form a part of my design and are
shown in dashed lines;

FIG. 2 is a further front top perspective view;

FIG. 3 is a top plan view thereof;

FIG. 4 is a front elevational view thereof

FIG. 5 is a bottom plan view thereof;

FIG. 6 is a rear elevational view thereof; and,

FIG. 7 is a left side elevational view thereof, the right side
elevational view being a mirror image.
