(57) **CLAIM**

The ornamental design for a connector housing cap, as shown and described.

**DESCRIPTION**

FIG. 1 is a top perspective view of a connector housing cap showing our new design.

FIG. 2 is a bottom perspective view thereof.

FIG. 3 is a top plan view thereof.

FIG. 4 is a bottom plan view thereof.

FIG. 5 is a left side elevational view thereof, the right side elevational view being a mirror image thereof; and,

FIG. 6 is another left side elevational view thereof rotated from the view of FIG. 5, the rotated right side elevational view being a mirror image thereof.

The broken lines are for illustrative purposes only and form no part of the claimed design.
