(57) **CLAIM**

The ornamental design for a recoil protection pad, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation view of a recoil protection pad showing my new design. The broken line showing of an underlying garment is for illustrative purposes only and forms no part of the claimed design. It being understood that the lines along the bottom of the vertical pad columns represent soft or rounded edges.

FIG. 2 is front elevation view of a recoil protection pad thereof;

FIG. 3 is a front elevation view of a recoil protection pad in an alternate embodiment thereof;

FIG. 4 is a left elevation view of the recoil protection pad thereof;

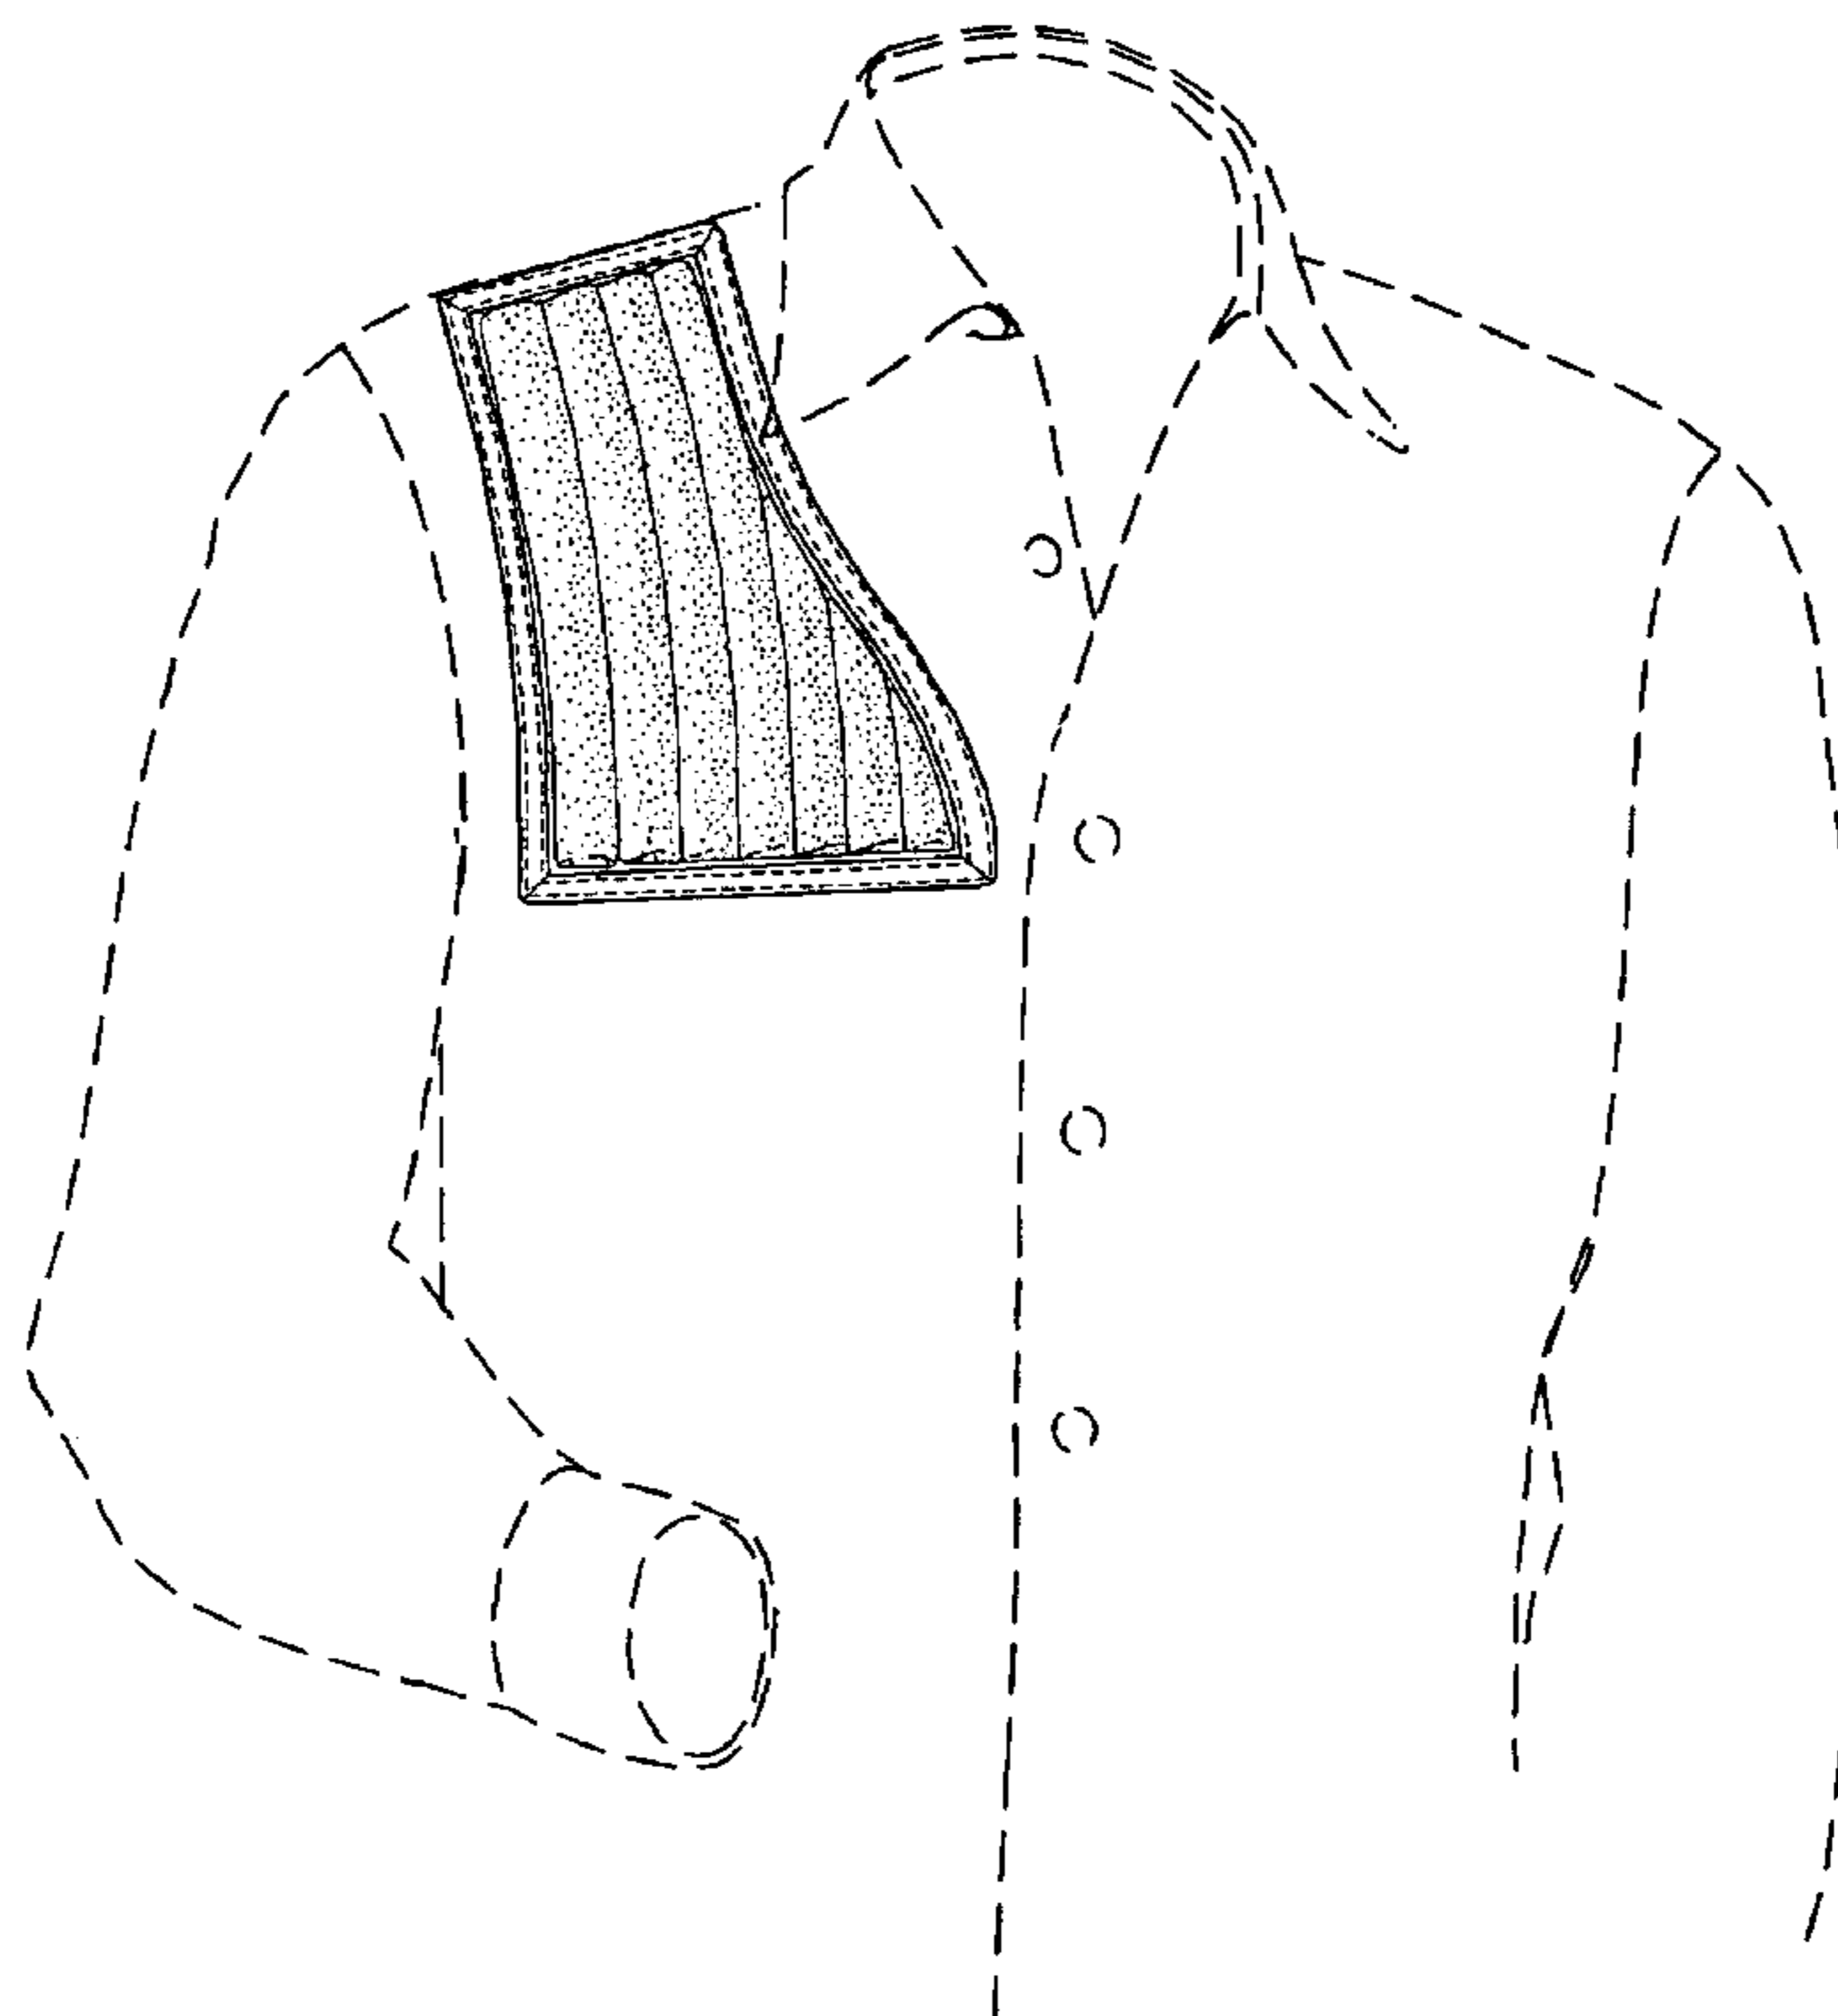

FIG. 5 is a right elevation view of the recoil protection pad thereof;

FIG. 6 is a top plan view of a recoil protection pad thereof; and,

FIG. 7 is a bottom plan view of a recoil protection pad thereof.

The rear of the recoil protection pad is flat and unornamented.
