**DESCRIPTION**

FIG. 1 is a perspective view of a lounging pillow showing my new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a left side elevational view thereof, the right side elevational view being a mirror opposite thereof;

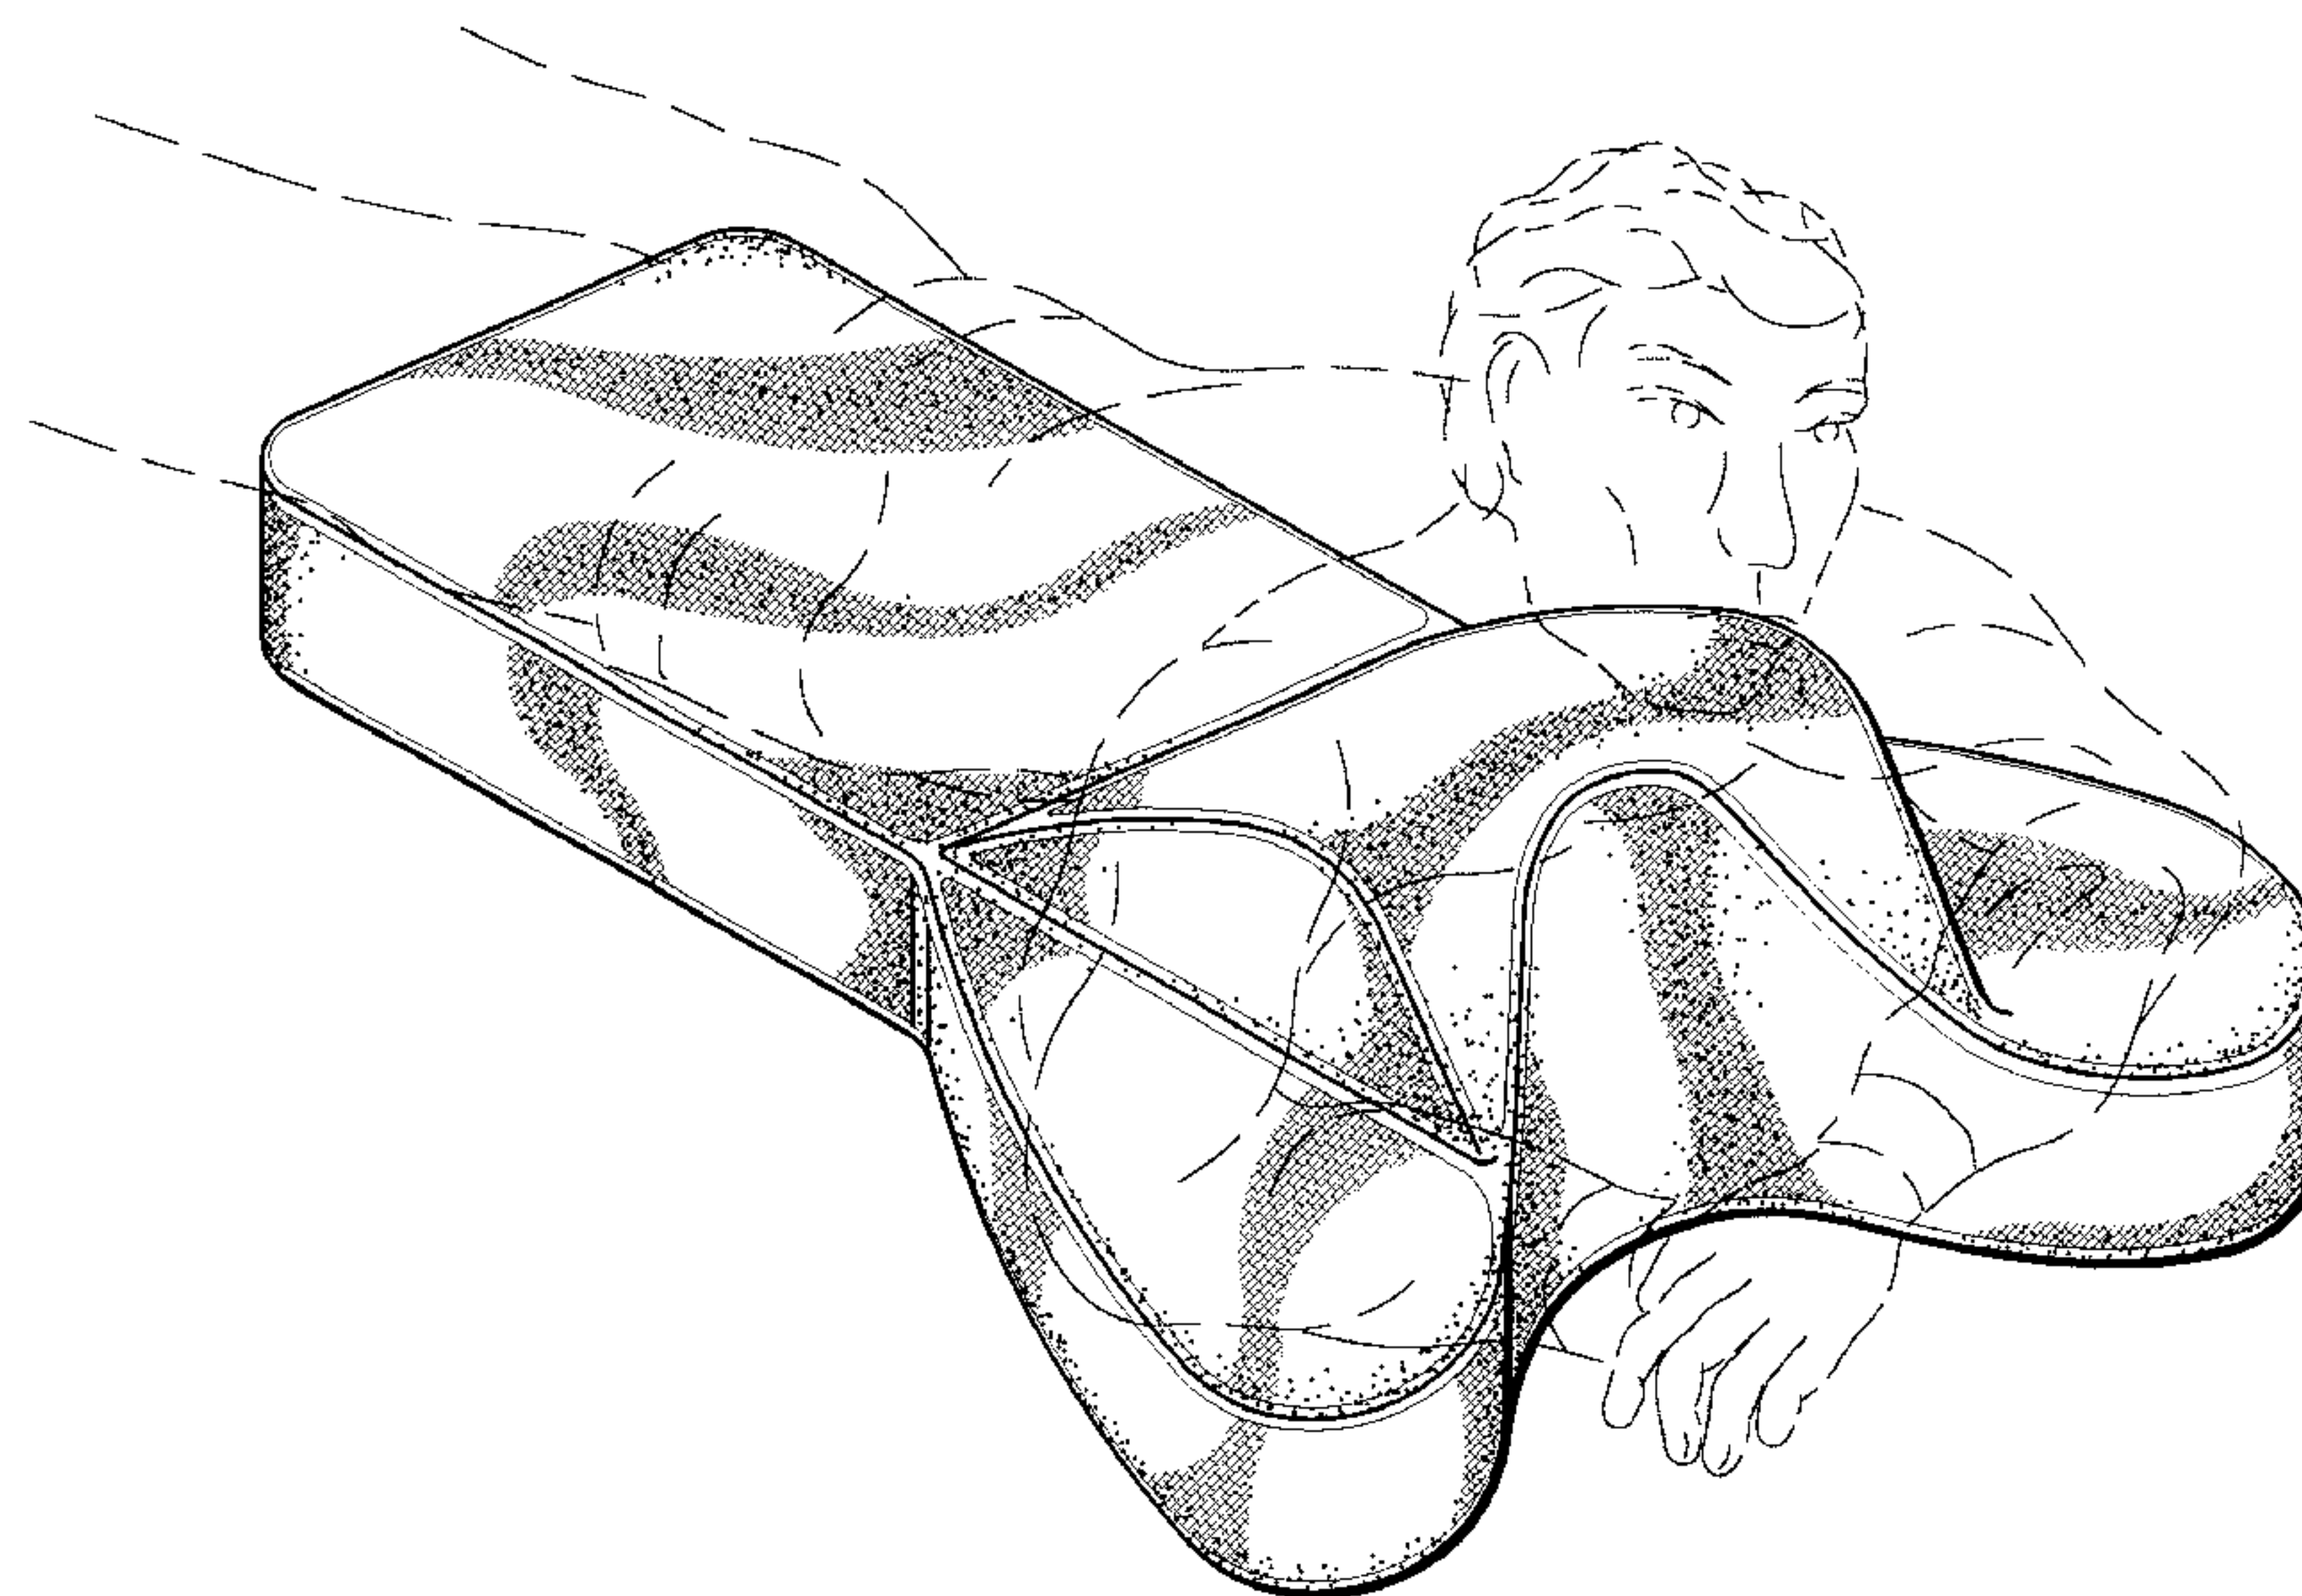

FIG. 4 is a rear elevational view thereof;

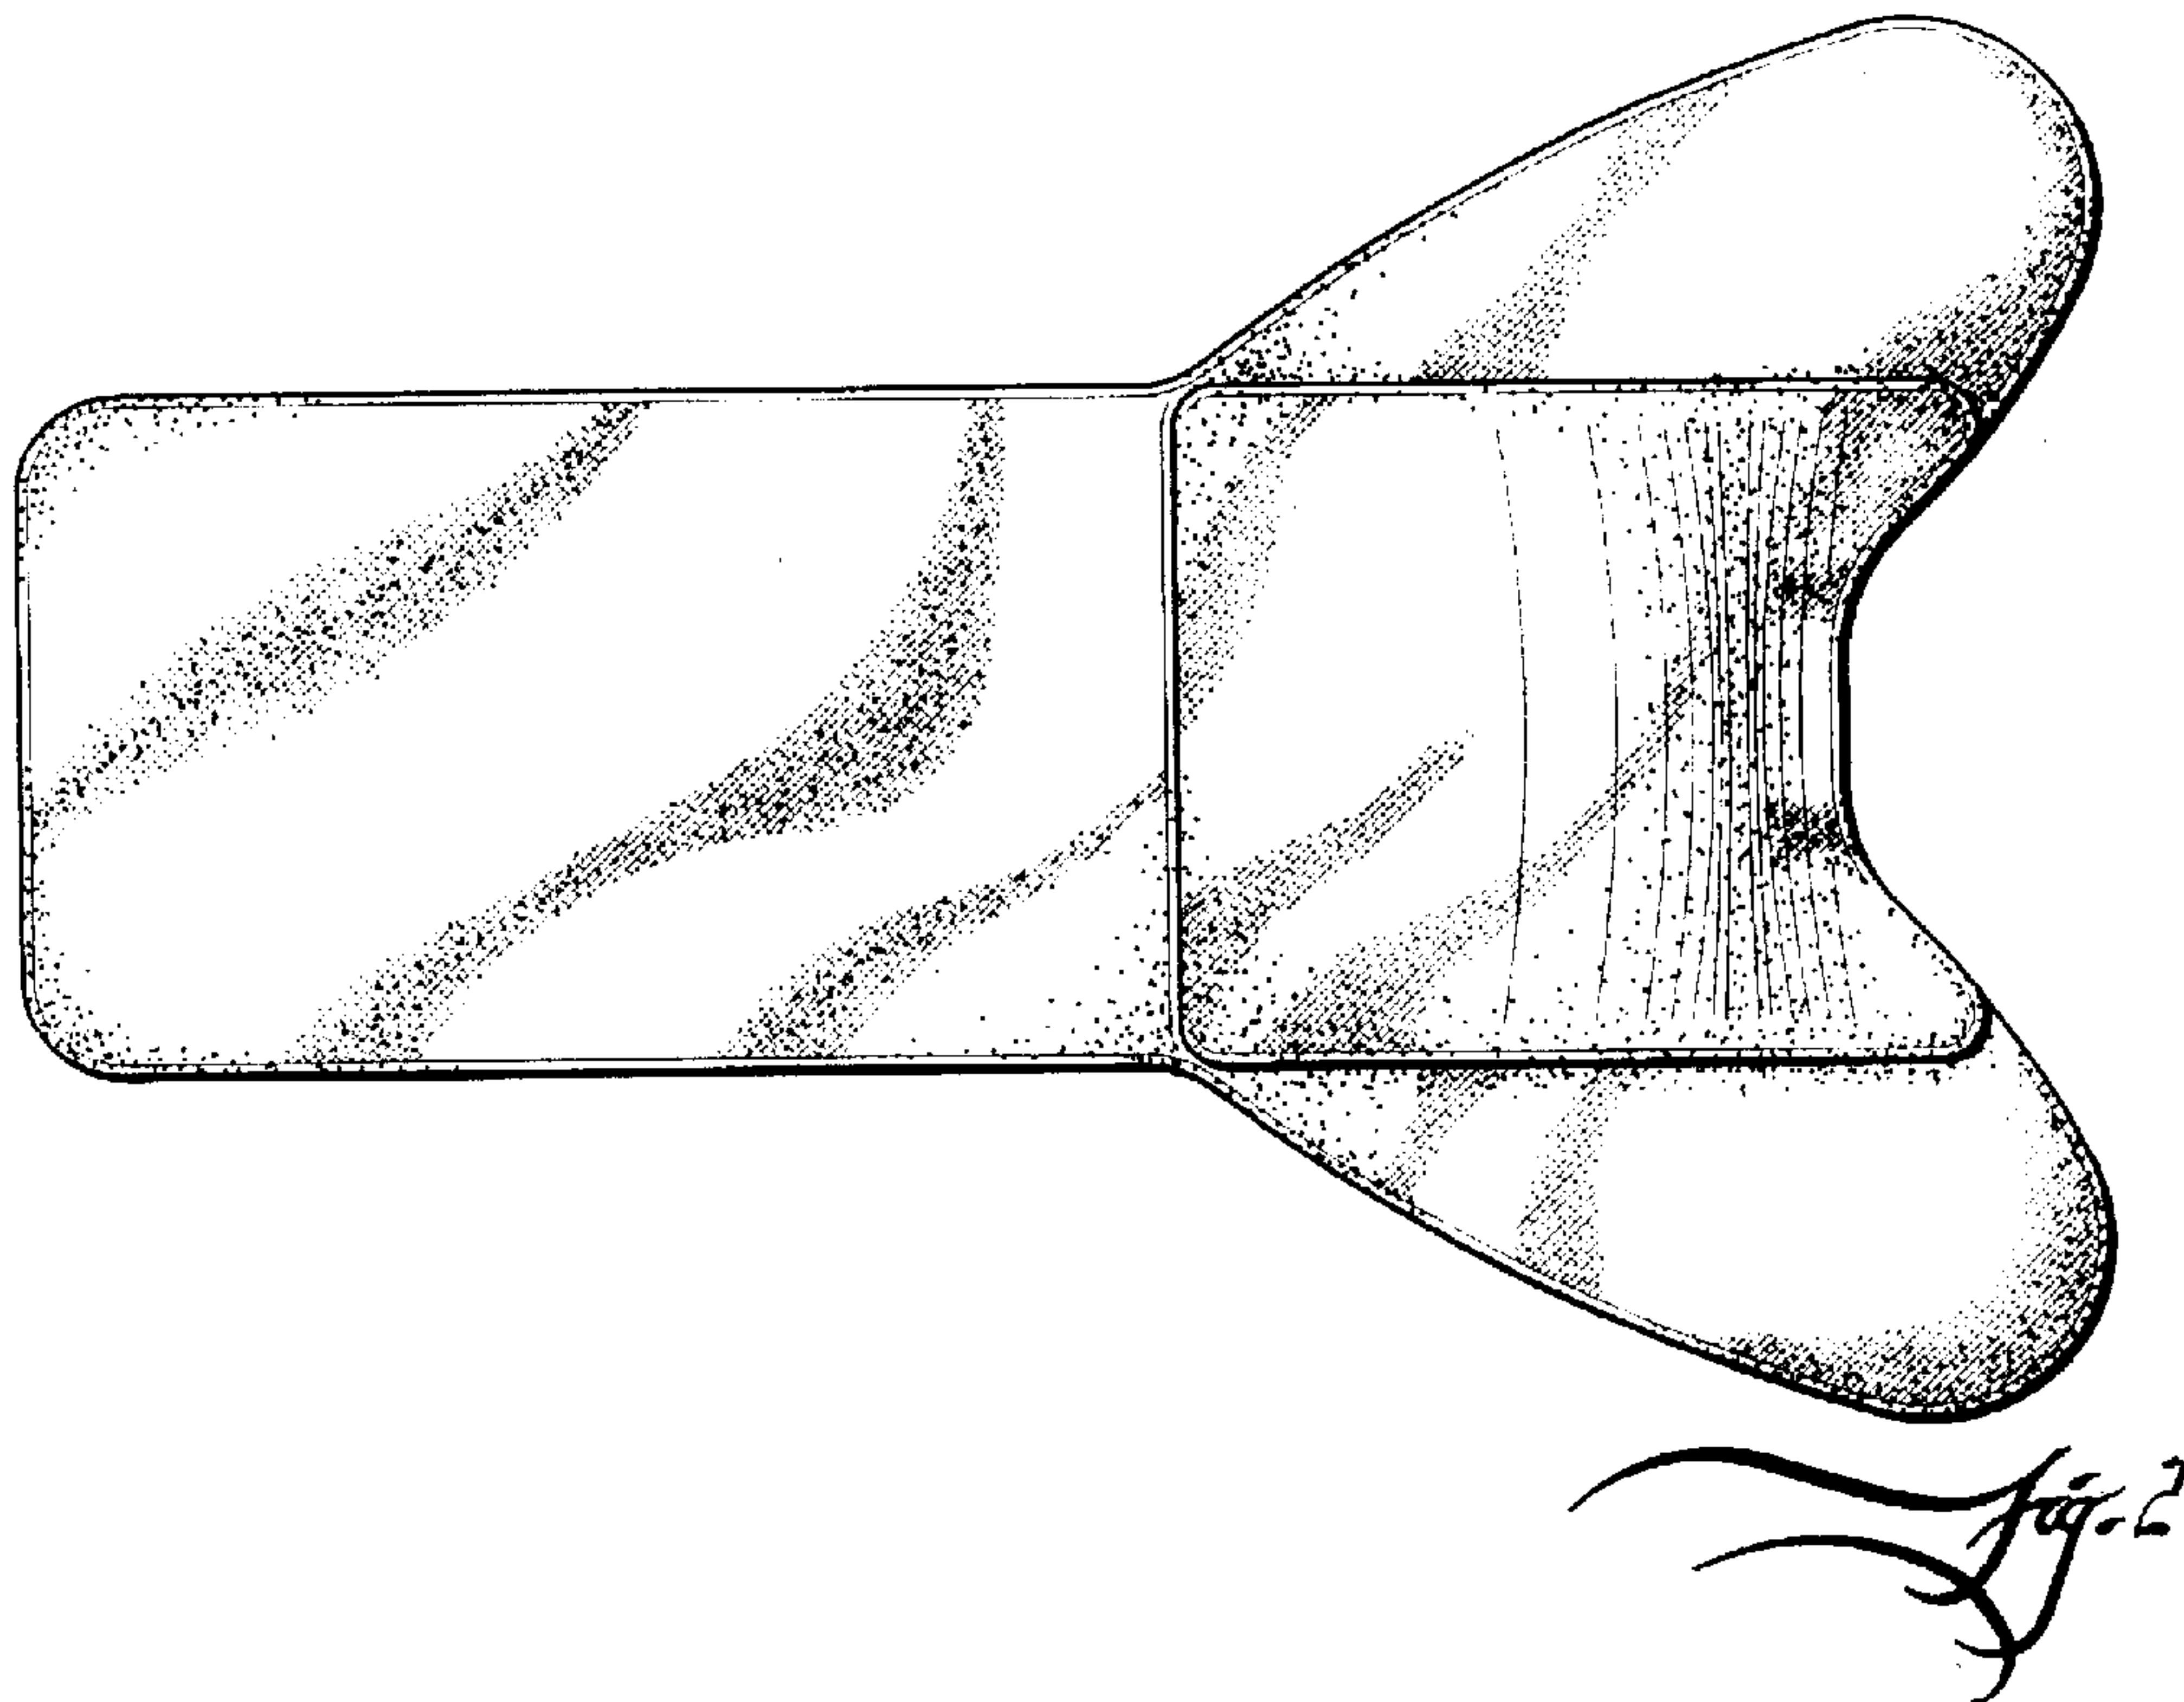

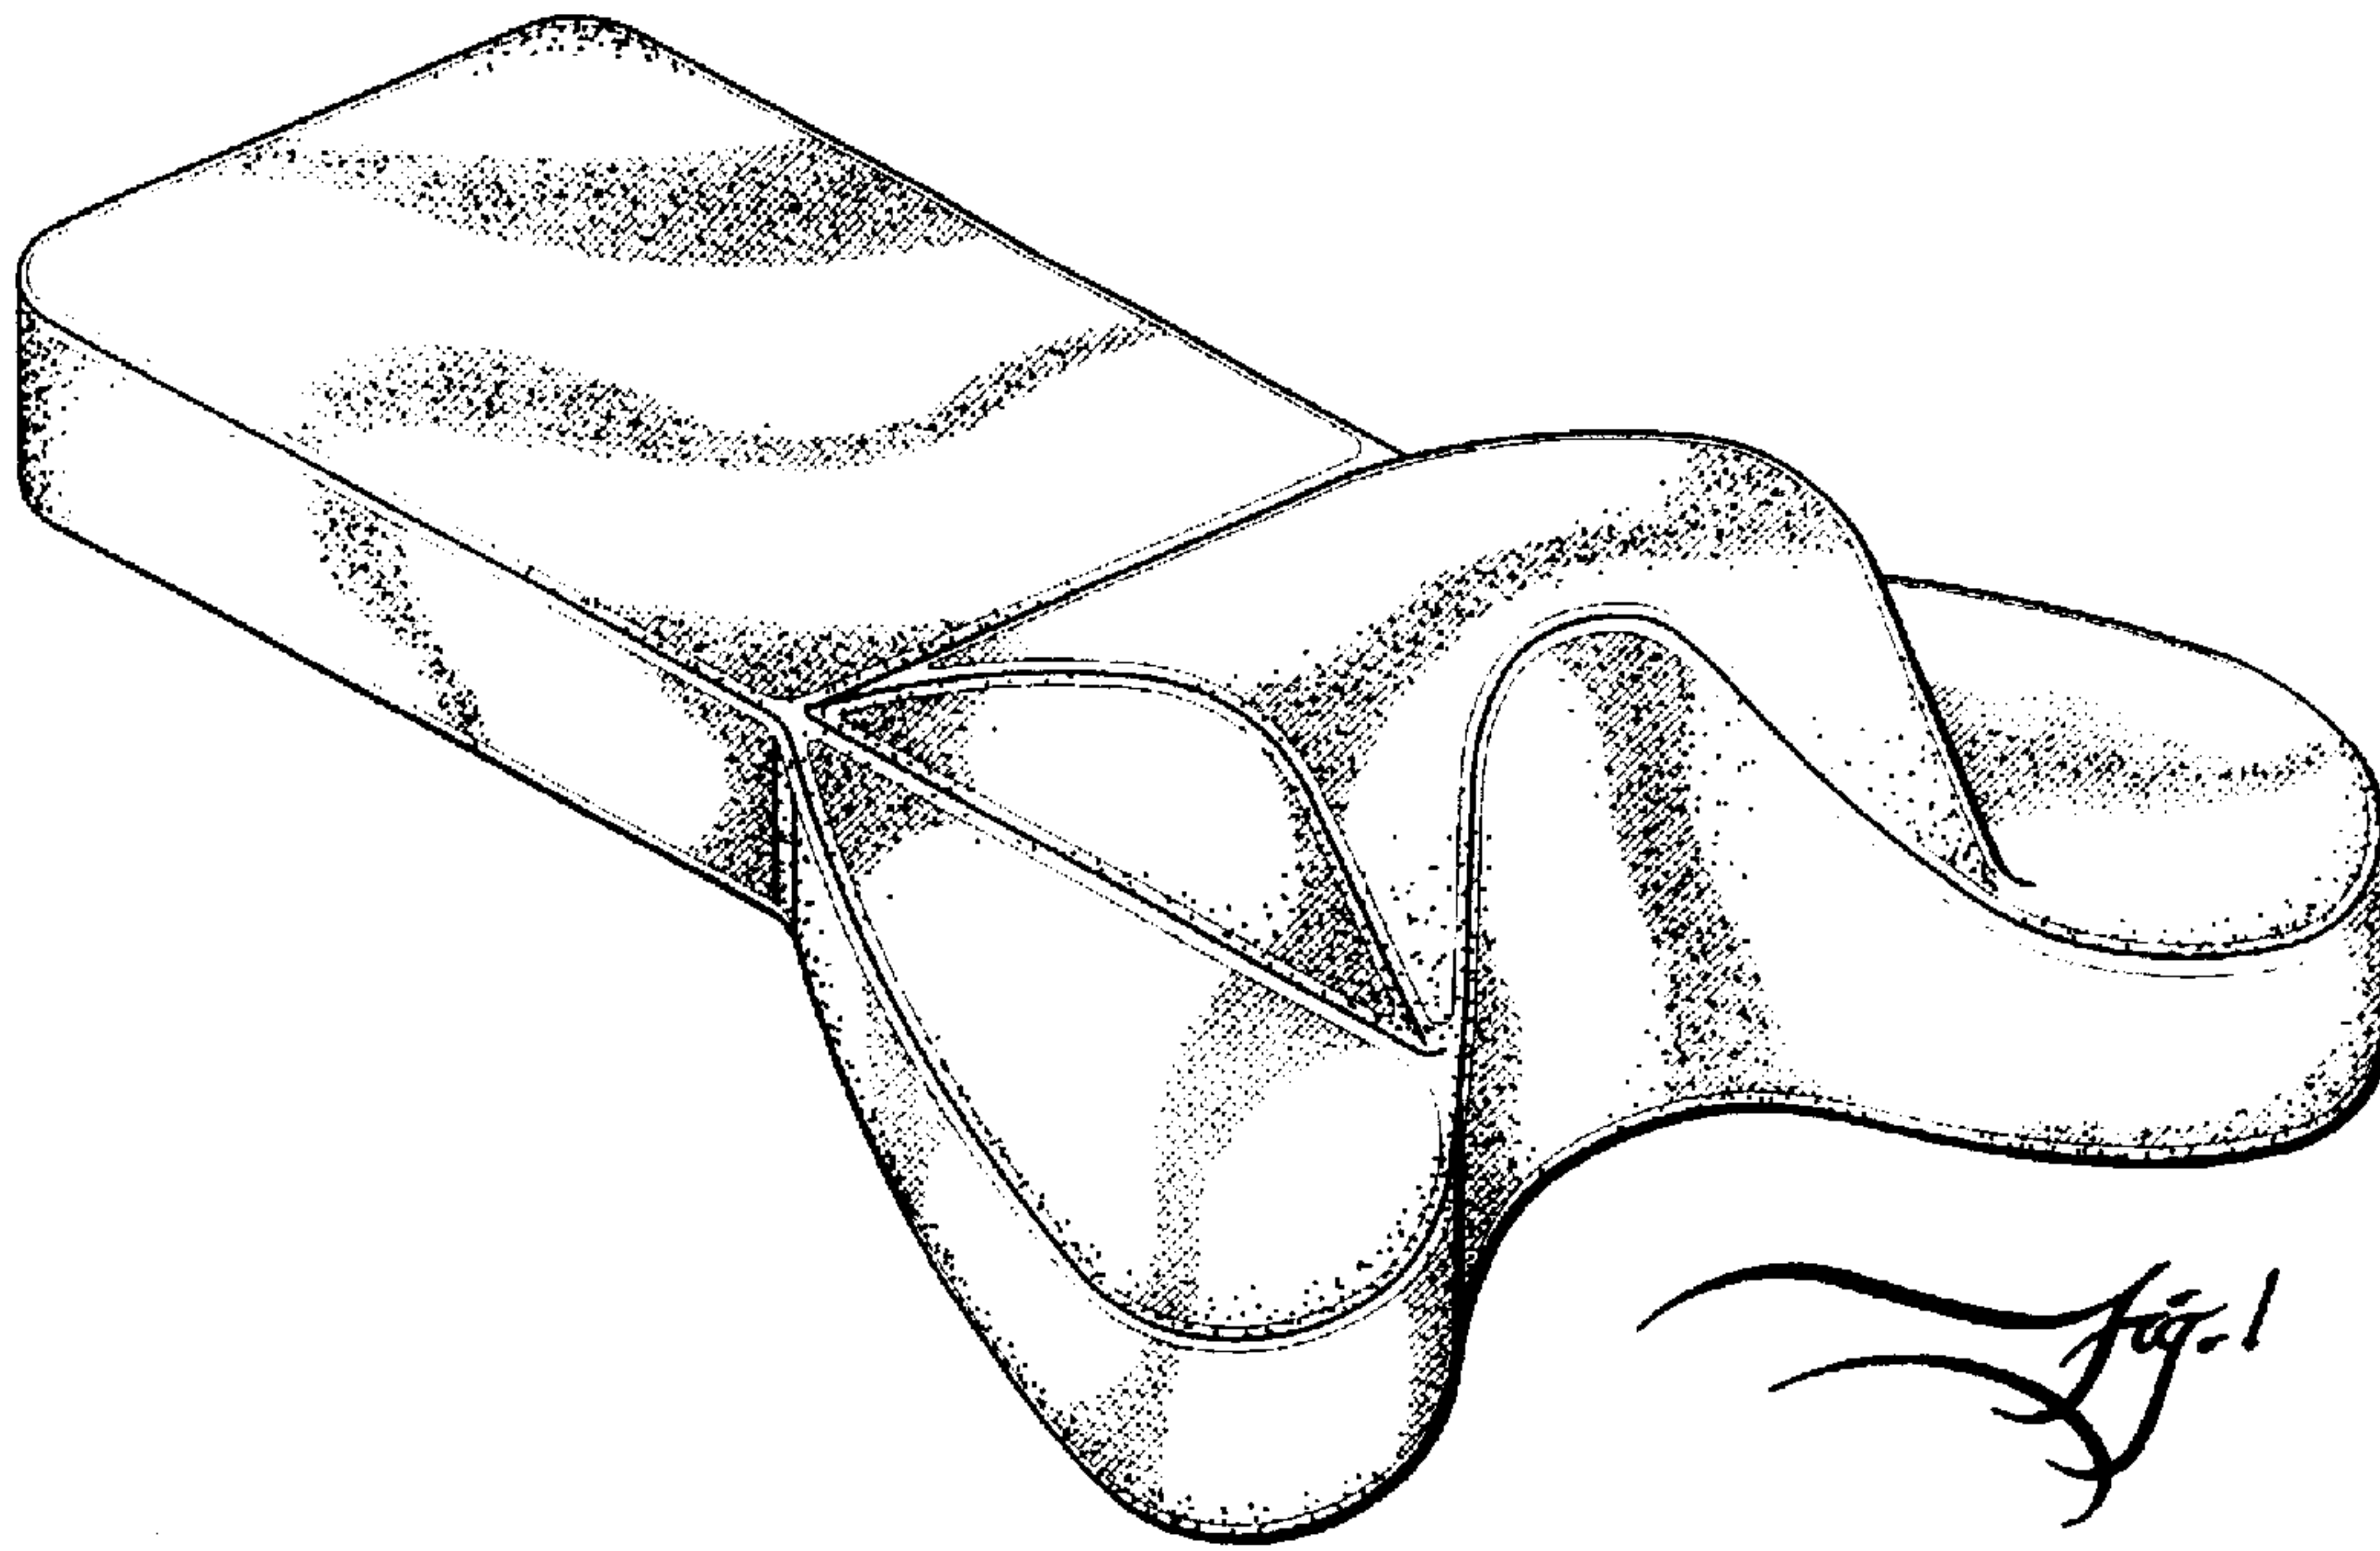

FIG. 5 is a front elevational view thereof;

FIG. 6 is a bottom plan view thereof, with the broken lines showing for illustrative purposes and forming no part of the claimed design; and,

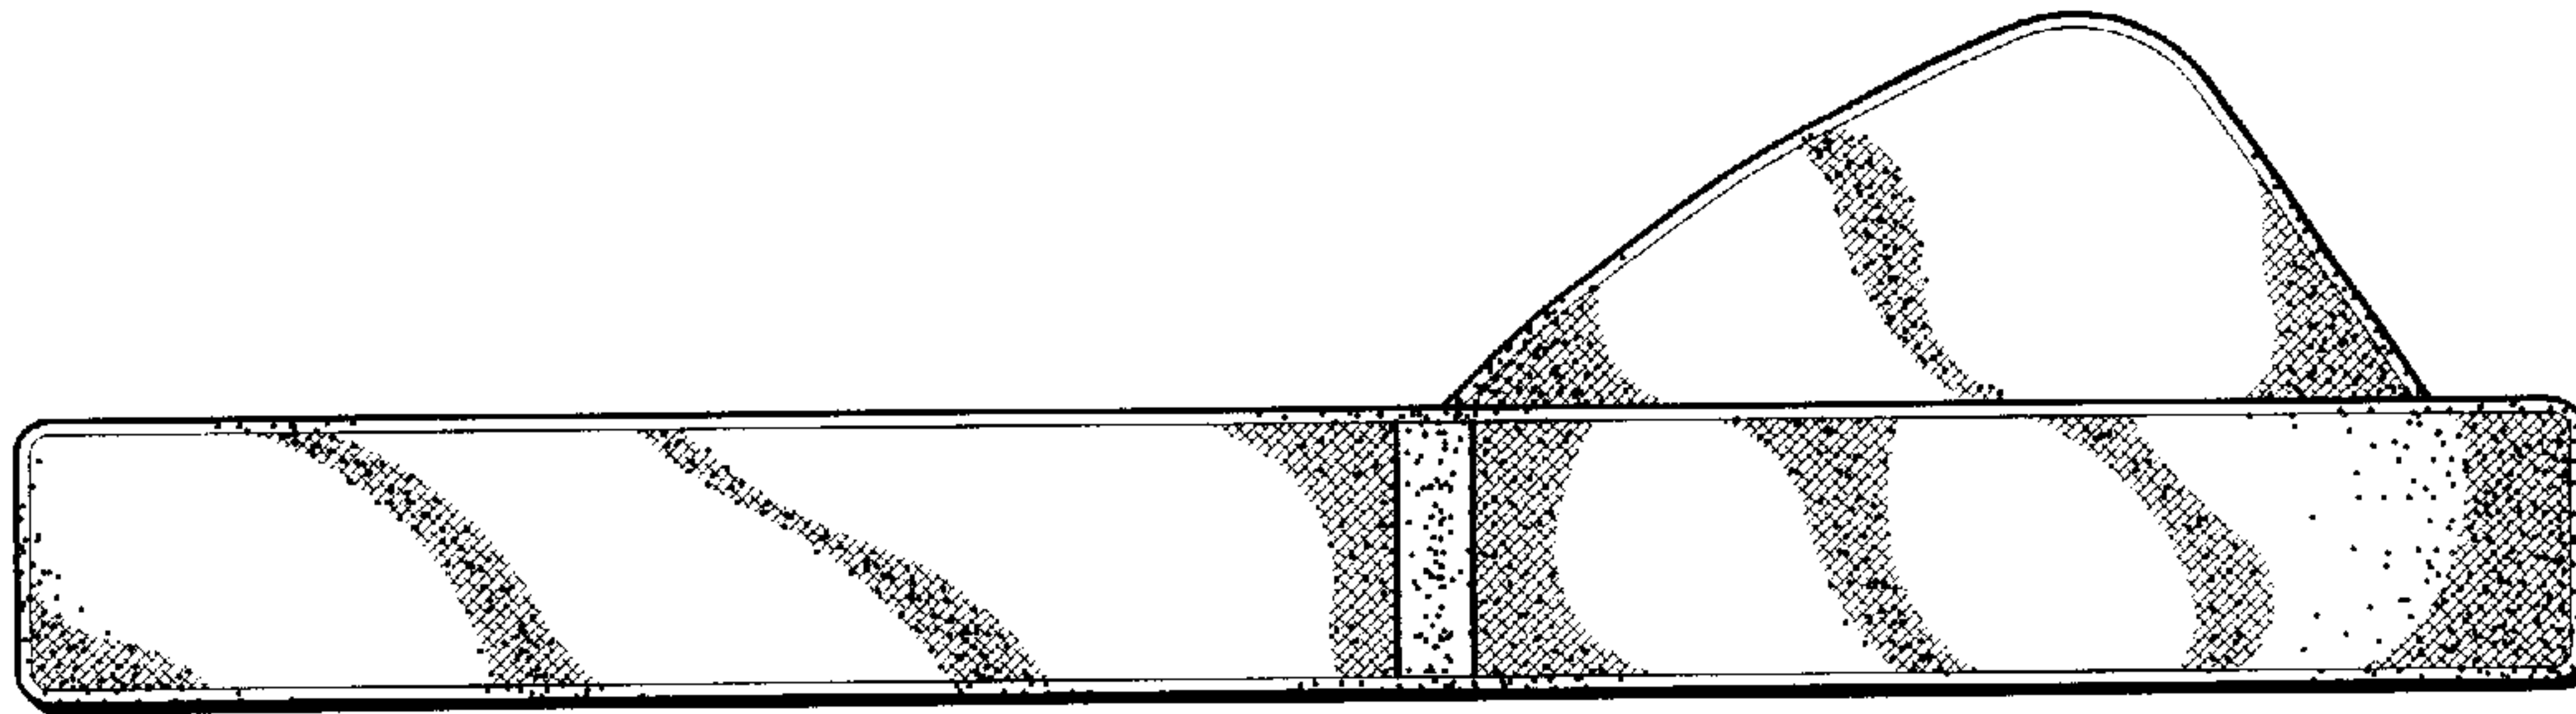

FIG. 7 is a perspective view comparable to FIG. 1 except showing a user in broken lines for illustrative purposes only and forming no part of the claimed design.
