(57) **CLAIM**

The ornamental design for a heating vessel with support, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a heating vessel with support showing our new design, the article shown in FIG. 1 is the same when it is rotated 120 degrees in either a clockwise or counterclockwise direction about its vertical axis. The details shown in broken lines are for illustrative purposes only and form no part of the claimed design.
