(57) **CLAIM**

I claim the ornamental design for a fiber optic night light, as shown.

DESCRIPTION

FIG. 1 is a perspective view of a fiber optic night light showing the invention;

FIG. 2 is a front elevation of a fiber optic night light showing the invention;

FIG. 3 is a rear elevation view of a fiber optic night light according to an embodiment of the invention;

FIG. 4 is an elevation of a first side of a fiber optic night light showing the invention;

FIG. 5 is a top plan view of a fiber optic night light showing the invention; and,

FIG. 6 is a bottom plan view of a fiber optic night light showing the invention.
