(57) **CLAIM**

I claim the ornamental design for a double door tool case, as shown and described.

DESCRIPTION

FIG. 1 is a perspective front view of a double door tool case. FIG. 2 is a perspective rear view of the double door tool case.

FIG. 3 is a top view of the double door tool case.

FIG. 4 is a right side view of the double door tool case.

FIG. 5 is a front view of the double door tool case.

FIG. 6 is a back view of the double door tool case.

FIG. 7 is a left side view of the double door tool case.

FIG. 8 is a bottom view of the double door tool case.

FIG. 9 is a perspective front view of the double door tool case with the doors open.

FIG. 10 is a top view of the double door tool case with the doors open.

FIG. 11 is a right side view of the double door tool case with the doors open.

FIG. 12 is a rear view of the double door tool case with the doors open.

FIG. 13 is a left side view of the double door tool case with the doors open.

FIG. 14 is a rear view of the double door tool case with the doors open.

FIG. 15 is a bottom view of the double door tool case with the doors open.

FIG. 16 is a perspective front view of the double door tool case with the right door open.

FIG. 17 is a front view of the double door tool case with the right door open.

FIG. 18 is a perspective front view of the double door tool case with the left door open; and,

FIG. 19 is a front view of the double door tool case with the left door open.
