(57) **CLAIM**

The ornamental design for a spatula, as shown and described.

DESCRIPTION

A utensil for cooking and/or serving food.

FIG. 1 is a front plan view of a spatula according to my design;

FIG. 2 is a left side thereof including integrated measuring devices;

FIG. 3 is a front left perspective of the spatula end including an integrated serrated blade, a cutout for slicing/peeling food and a grating surface;

FIG. 4 is a bottom left perspective view of my spatula including a compartment stowing a removable seasoning dispenser;

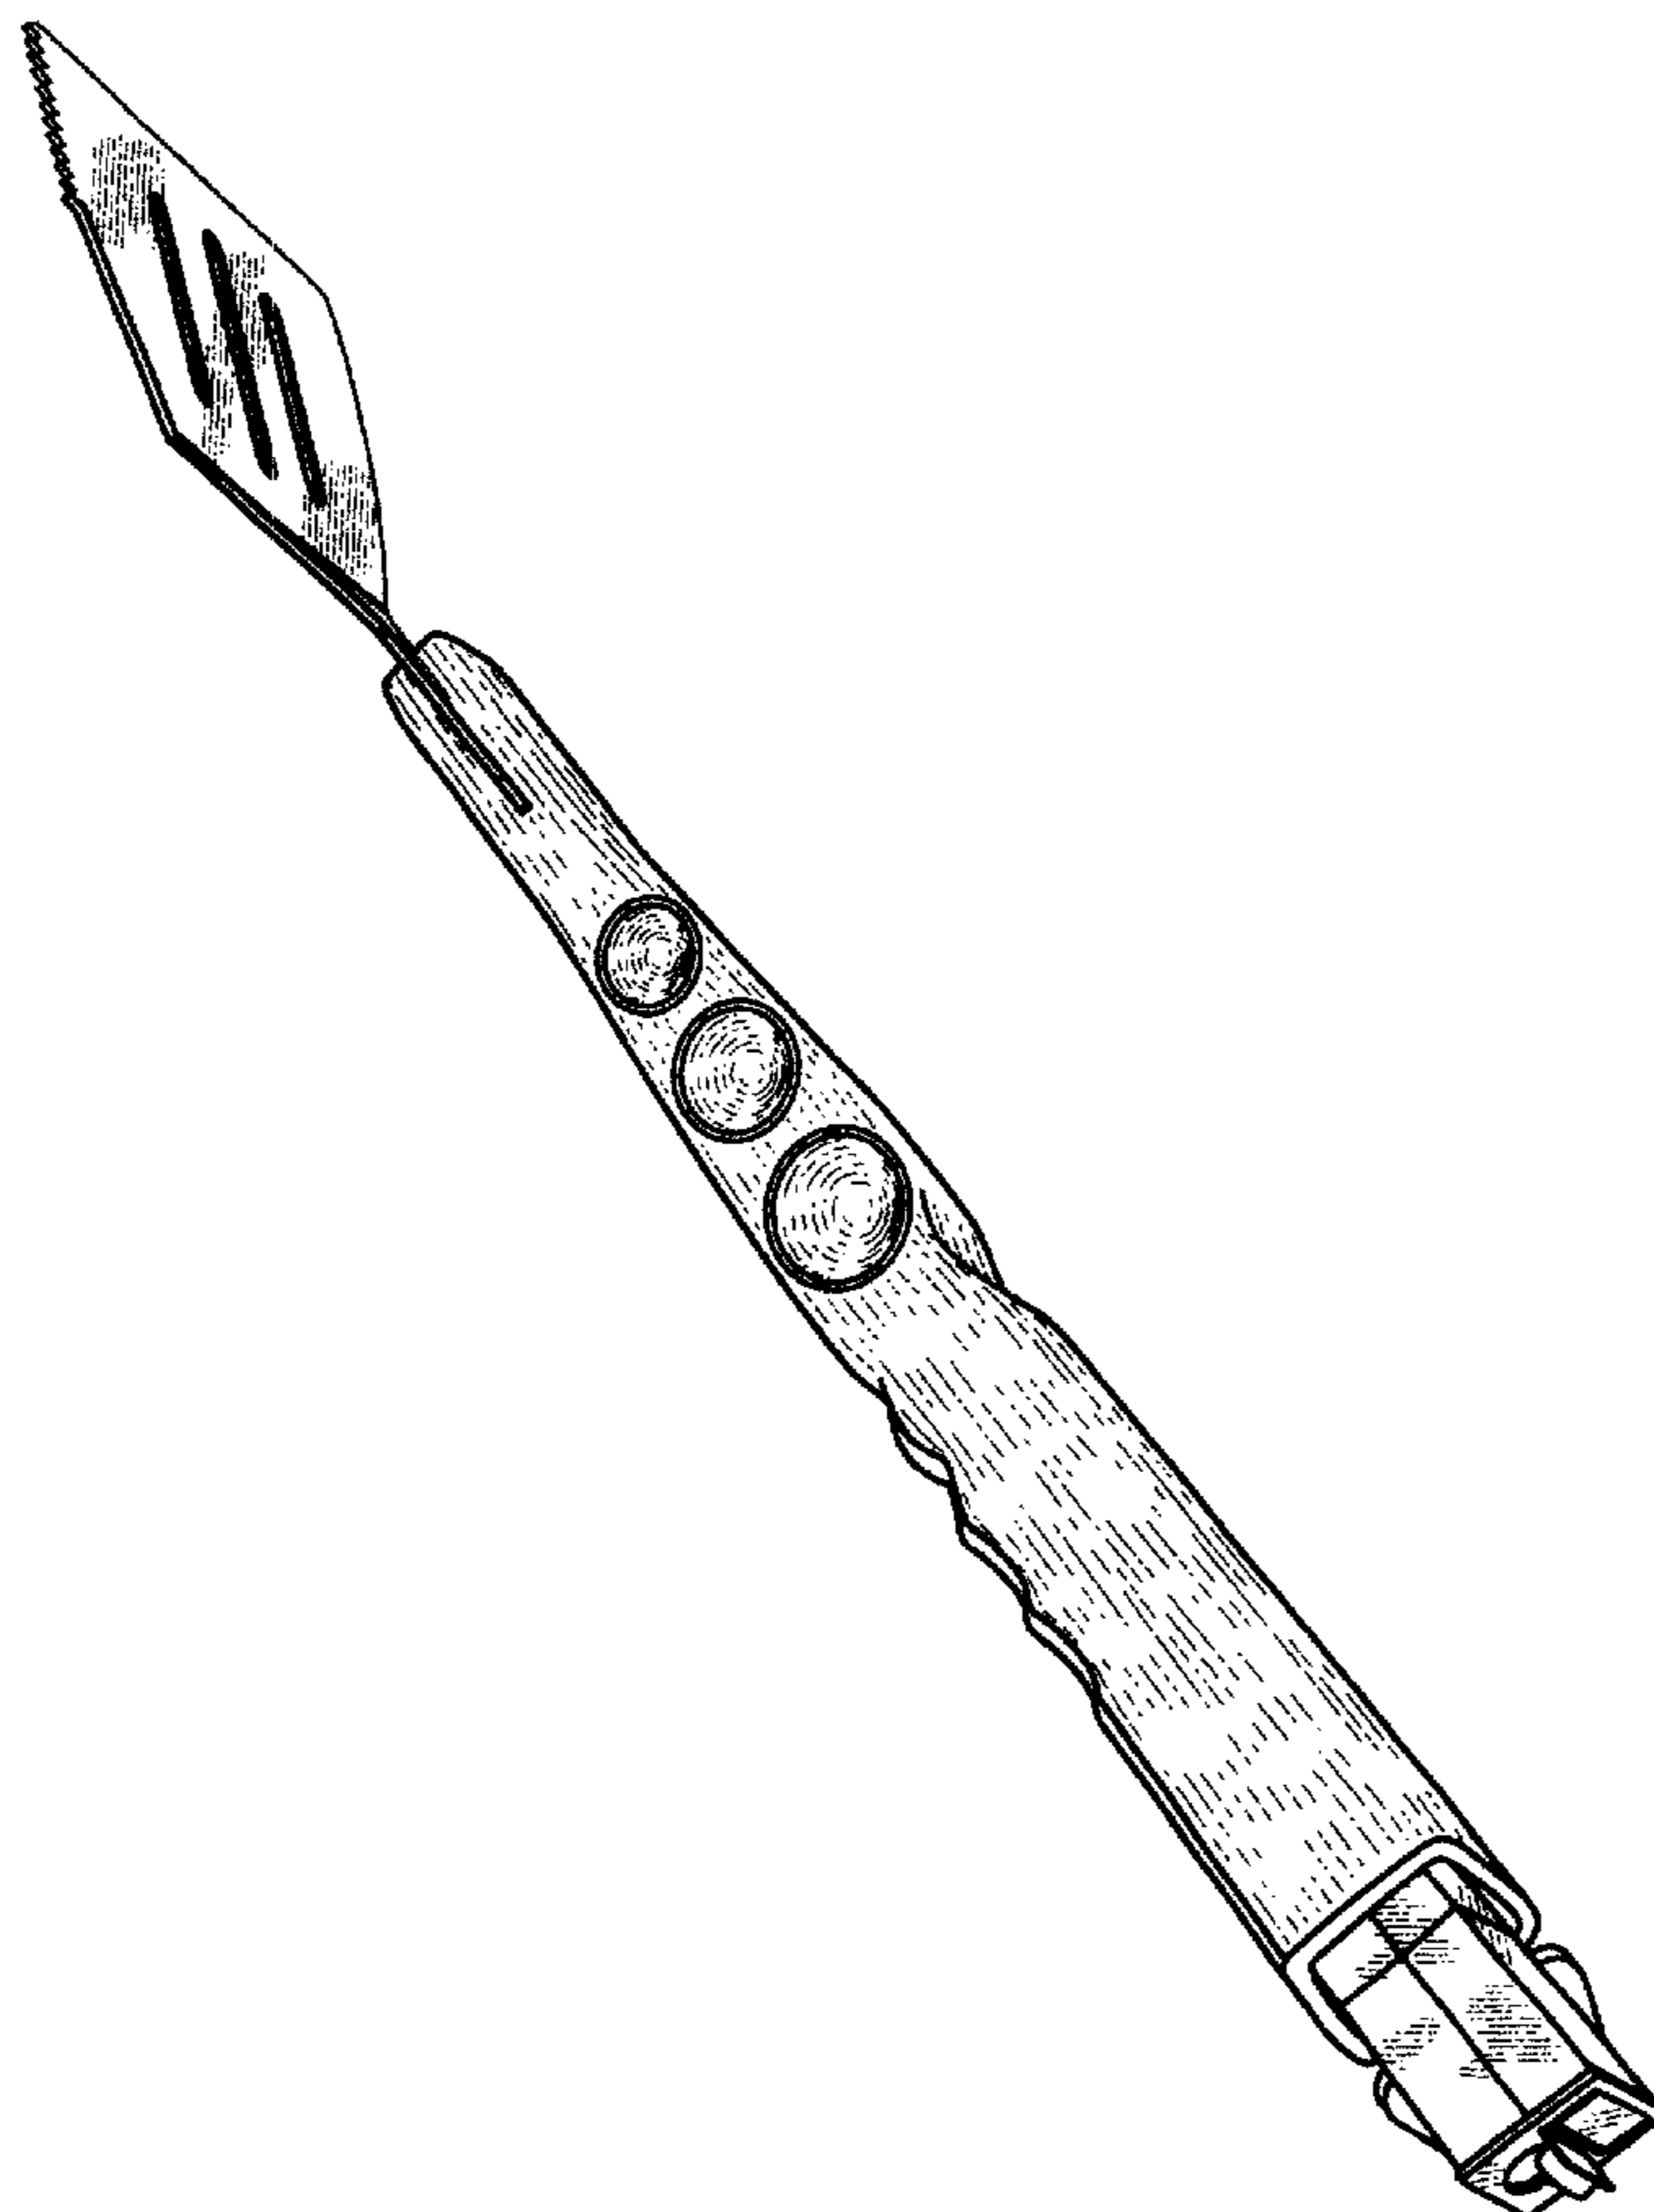

FIG. 5 is a left side view of the seasoning dispenser removed from the spatula; and,

FIG. 6 is a front view of the seasoning dispenser showing a plurality of seasoning compartments;

FIG. 7 is a front view thereof showing compartment lids in an open position; and,

FIG. 8 is a bottom view of the removable seasoning dispenser.
