(57) **CLAIM**

The ornamental design for a combination ceiling fan and up and down light, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view from below of a combination ceiling fan and up and down light in accordance with my design;

FIG. 2 is an enlarged perspective view from below of the combination ceiling fan and up and down light in accordance with my design;

FIG. 3 is a reduced bottom plan view of the combination ceiling fan and up and down light in accordance with my design;

FIG. 4 is a reduced top plan view of the combination ceiling fan and up and down light in accordance with my design;

FIG. 5 is an enlarged top plan view of the combination ceiling fan and up and down light in accordance with my design;

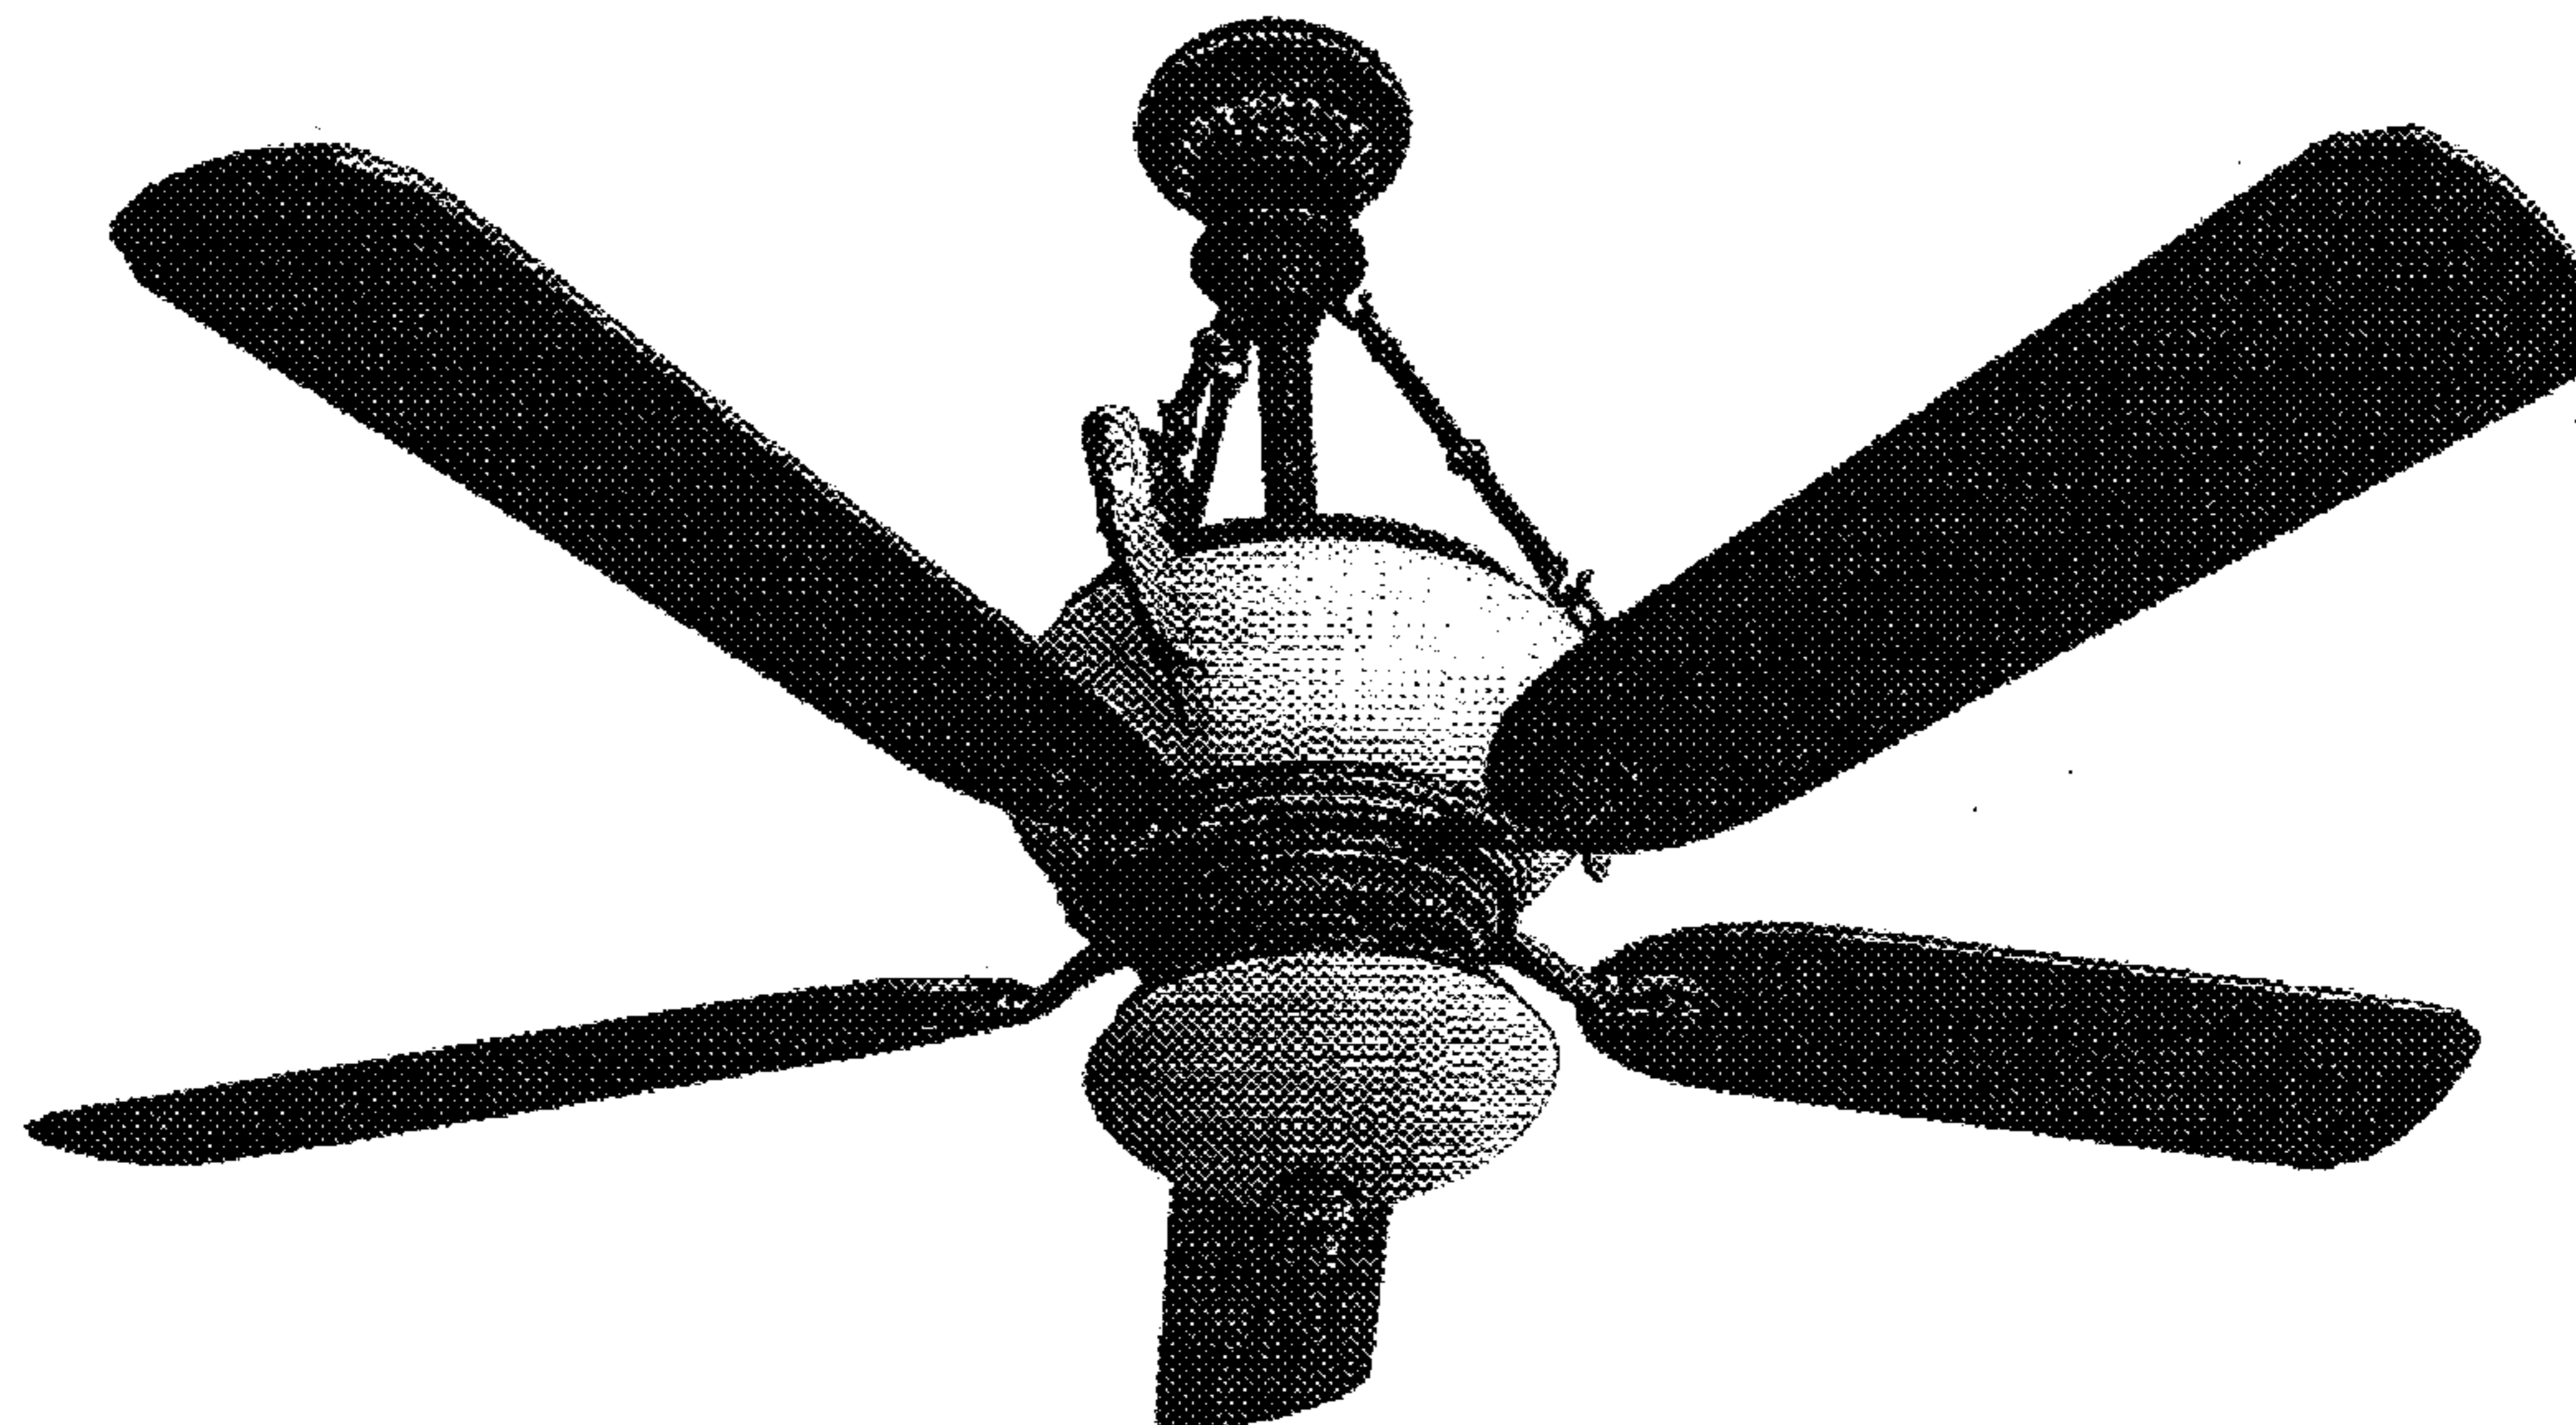

FIG. 6 is a top plan view of the combination ceiling fan and up and down light in accordance with the design illustrated in FIG. 5 with translucent light cover removed for purposes of viewing the lighting below the cover;

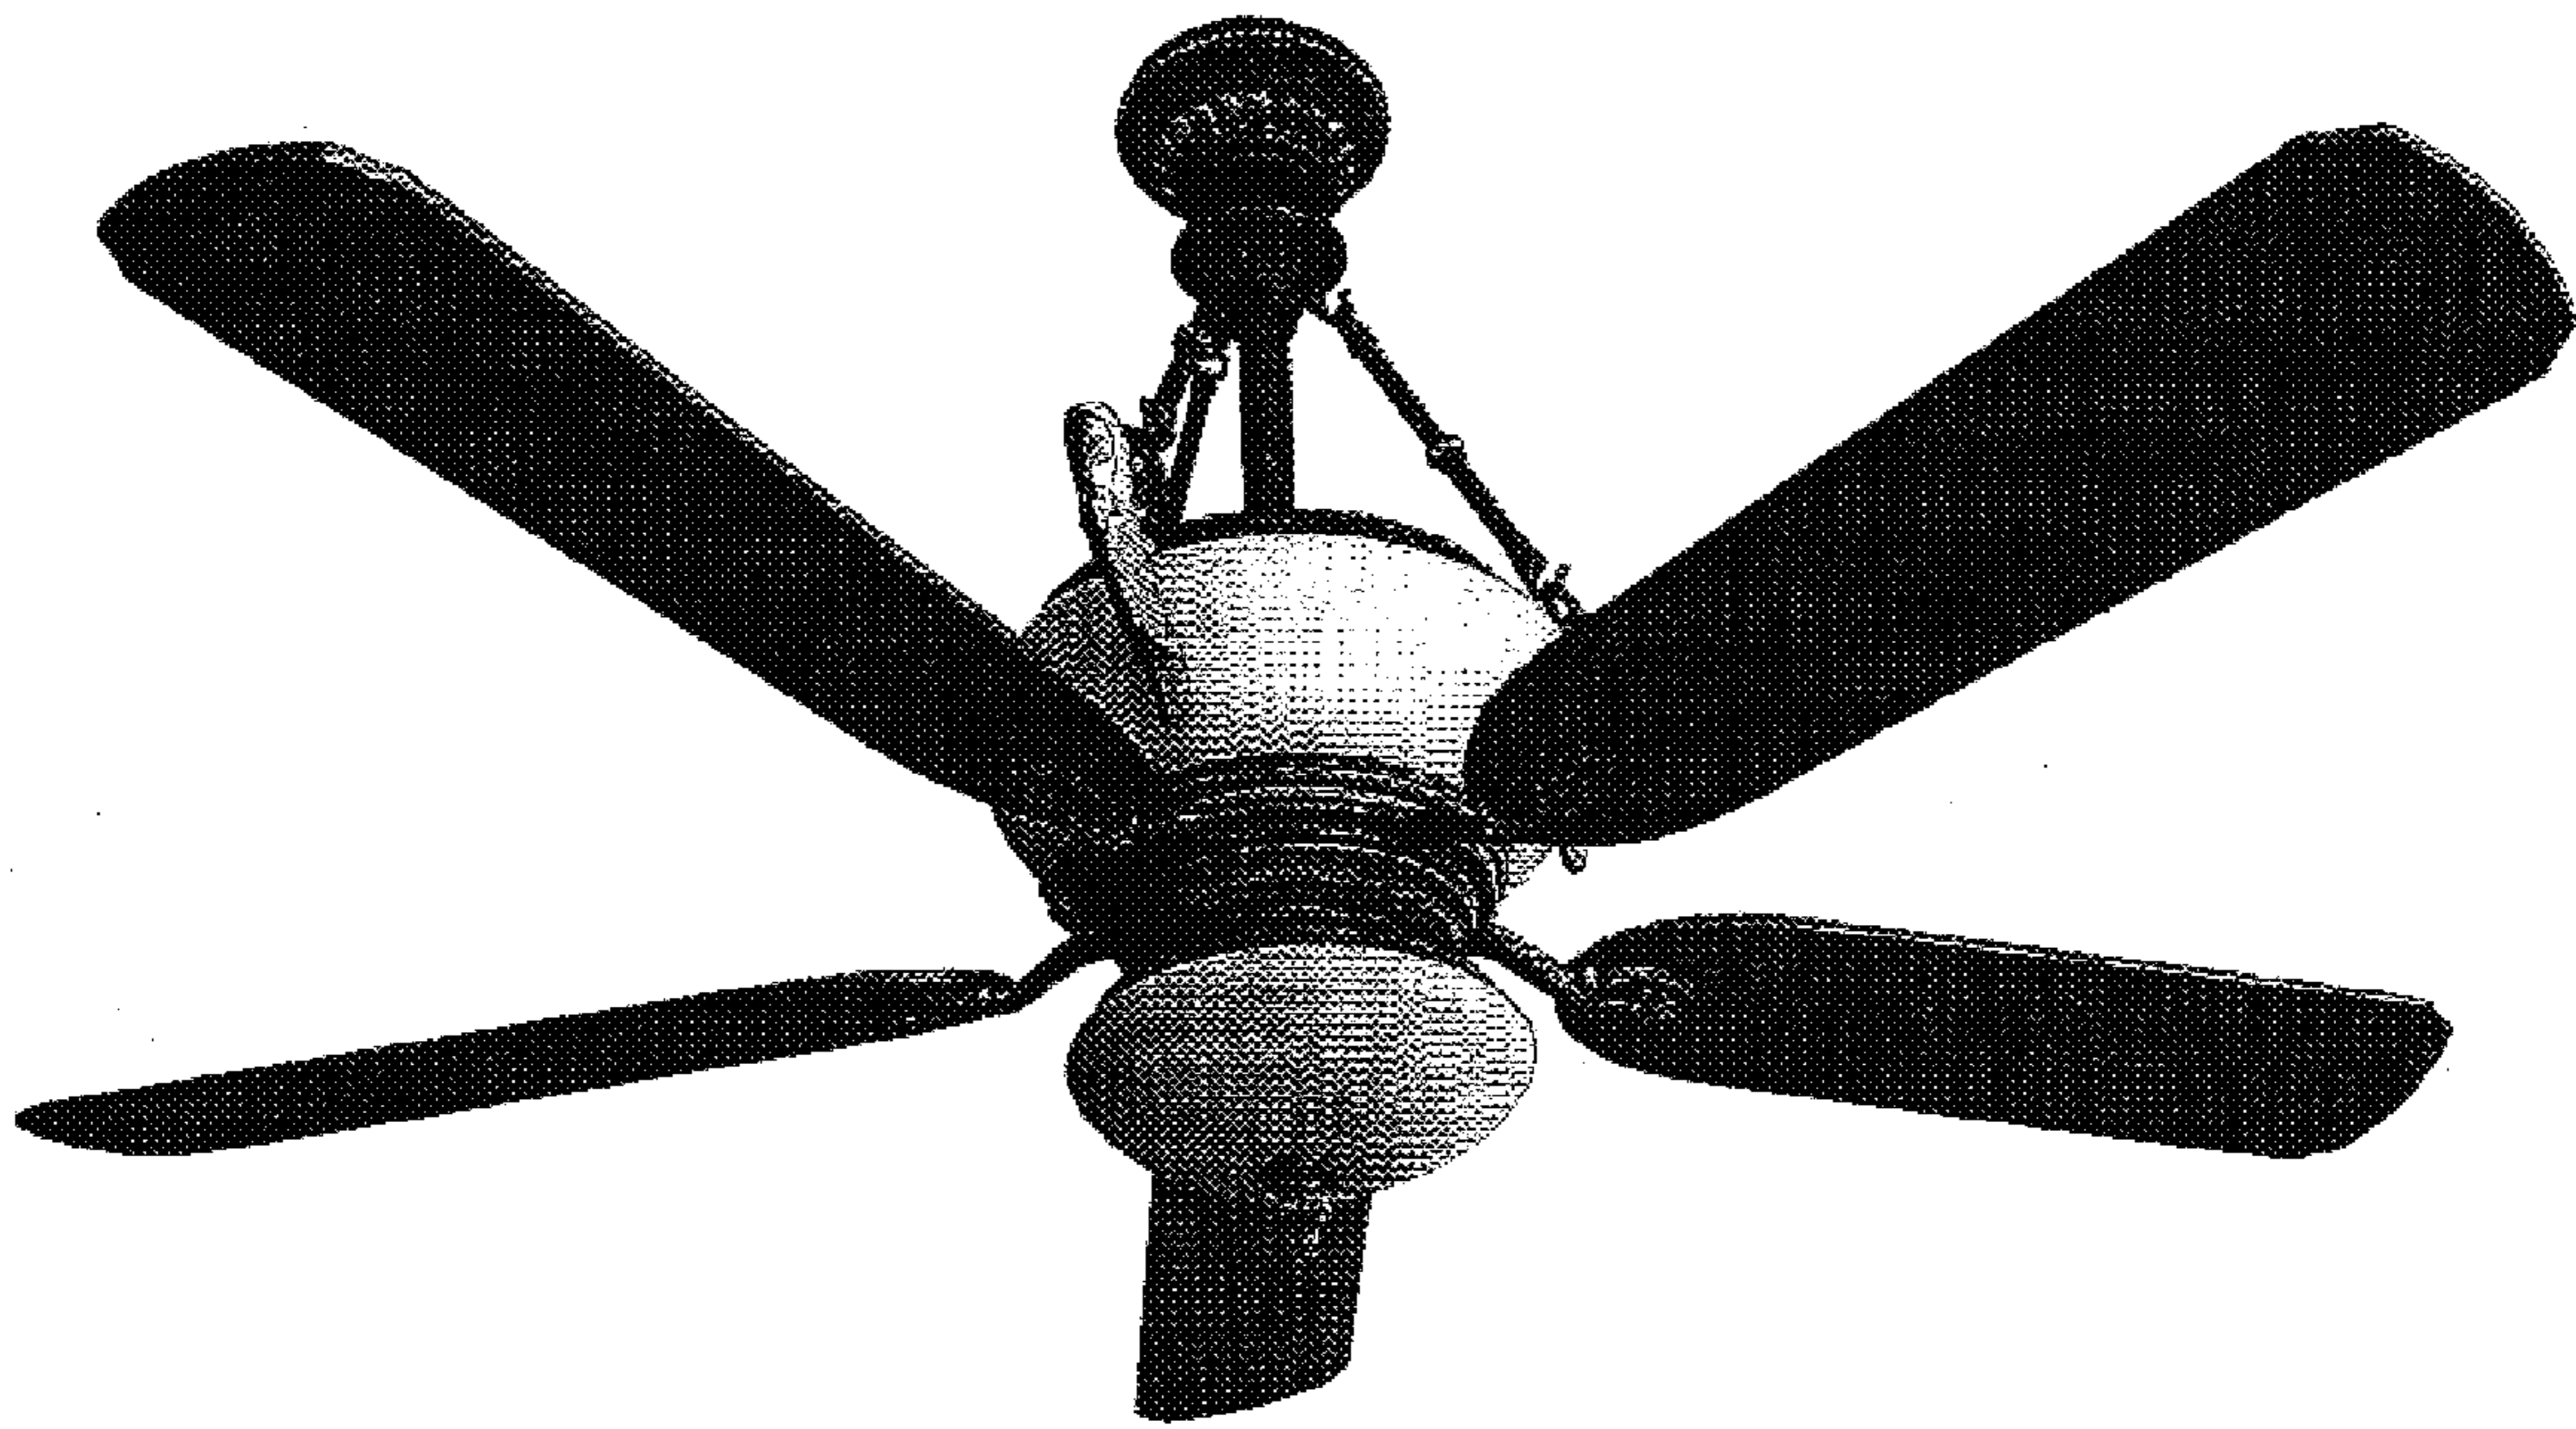

FIG. 7 is a top plan view of the combination ceiling fan and up and down light in accordance with the design illustrated in FIG. 5 with translucent light cover removed and the lighting illuminated;

FIG. 8 is a side elevation view of the combination ceiling fan and up and down light in accordance with my design, the opposite side being a mirror image of that shown except for the position of the fan blades and the support arms; and,

FIG. 9 is a front elevation view of the combination ceiling fan and up and down light in accordance with my design.
