(57) **CLAIM**

The ornamental design for a blade guard for an electric shaver, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view in practical use of the design according to the invention.

FIG. 2 is a perspective view of the design according to the invention.

FIG. 3 is a front view of the design according to the invention.

FIG. 4 is a rear view of the design according to the invention.

FIG. 5 is a top view of the design according to the invention.

FIG. 6 is a bottom view of the design according to the invention.

FIG. 7 is a right side view of the design according to the invention.

FIG. 8 is a perspective view in an alternative position of the design according to the invention.

FIG. 9 is a right side view in an alternative position of the design according to the invention.

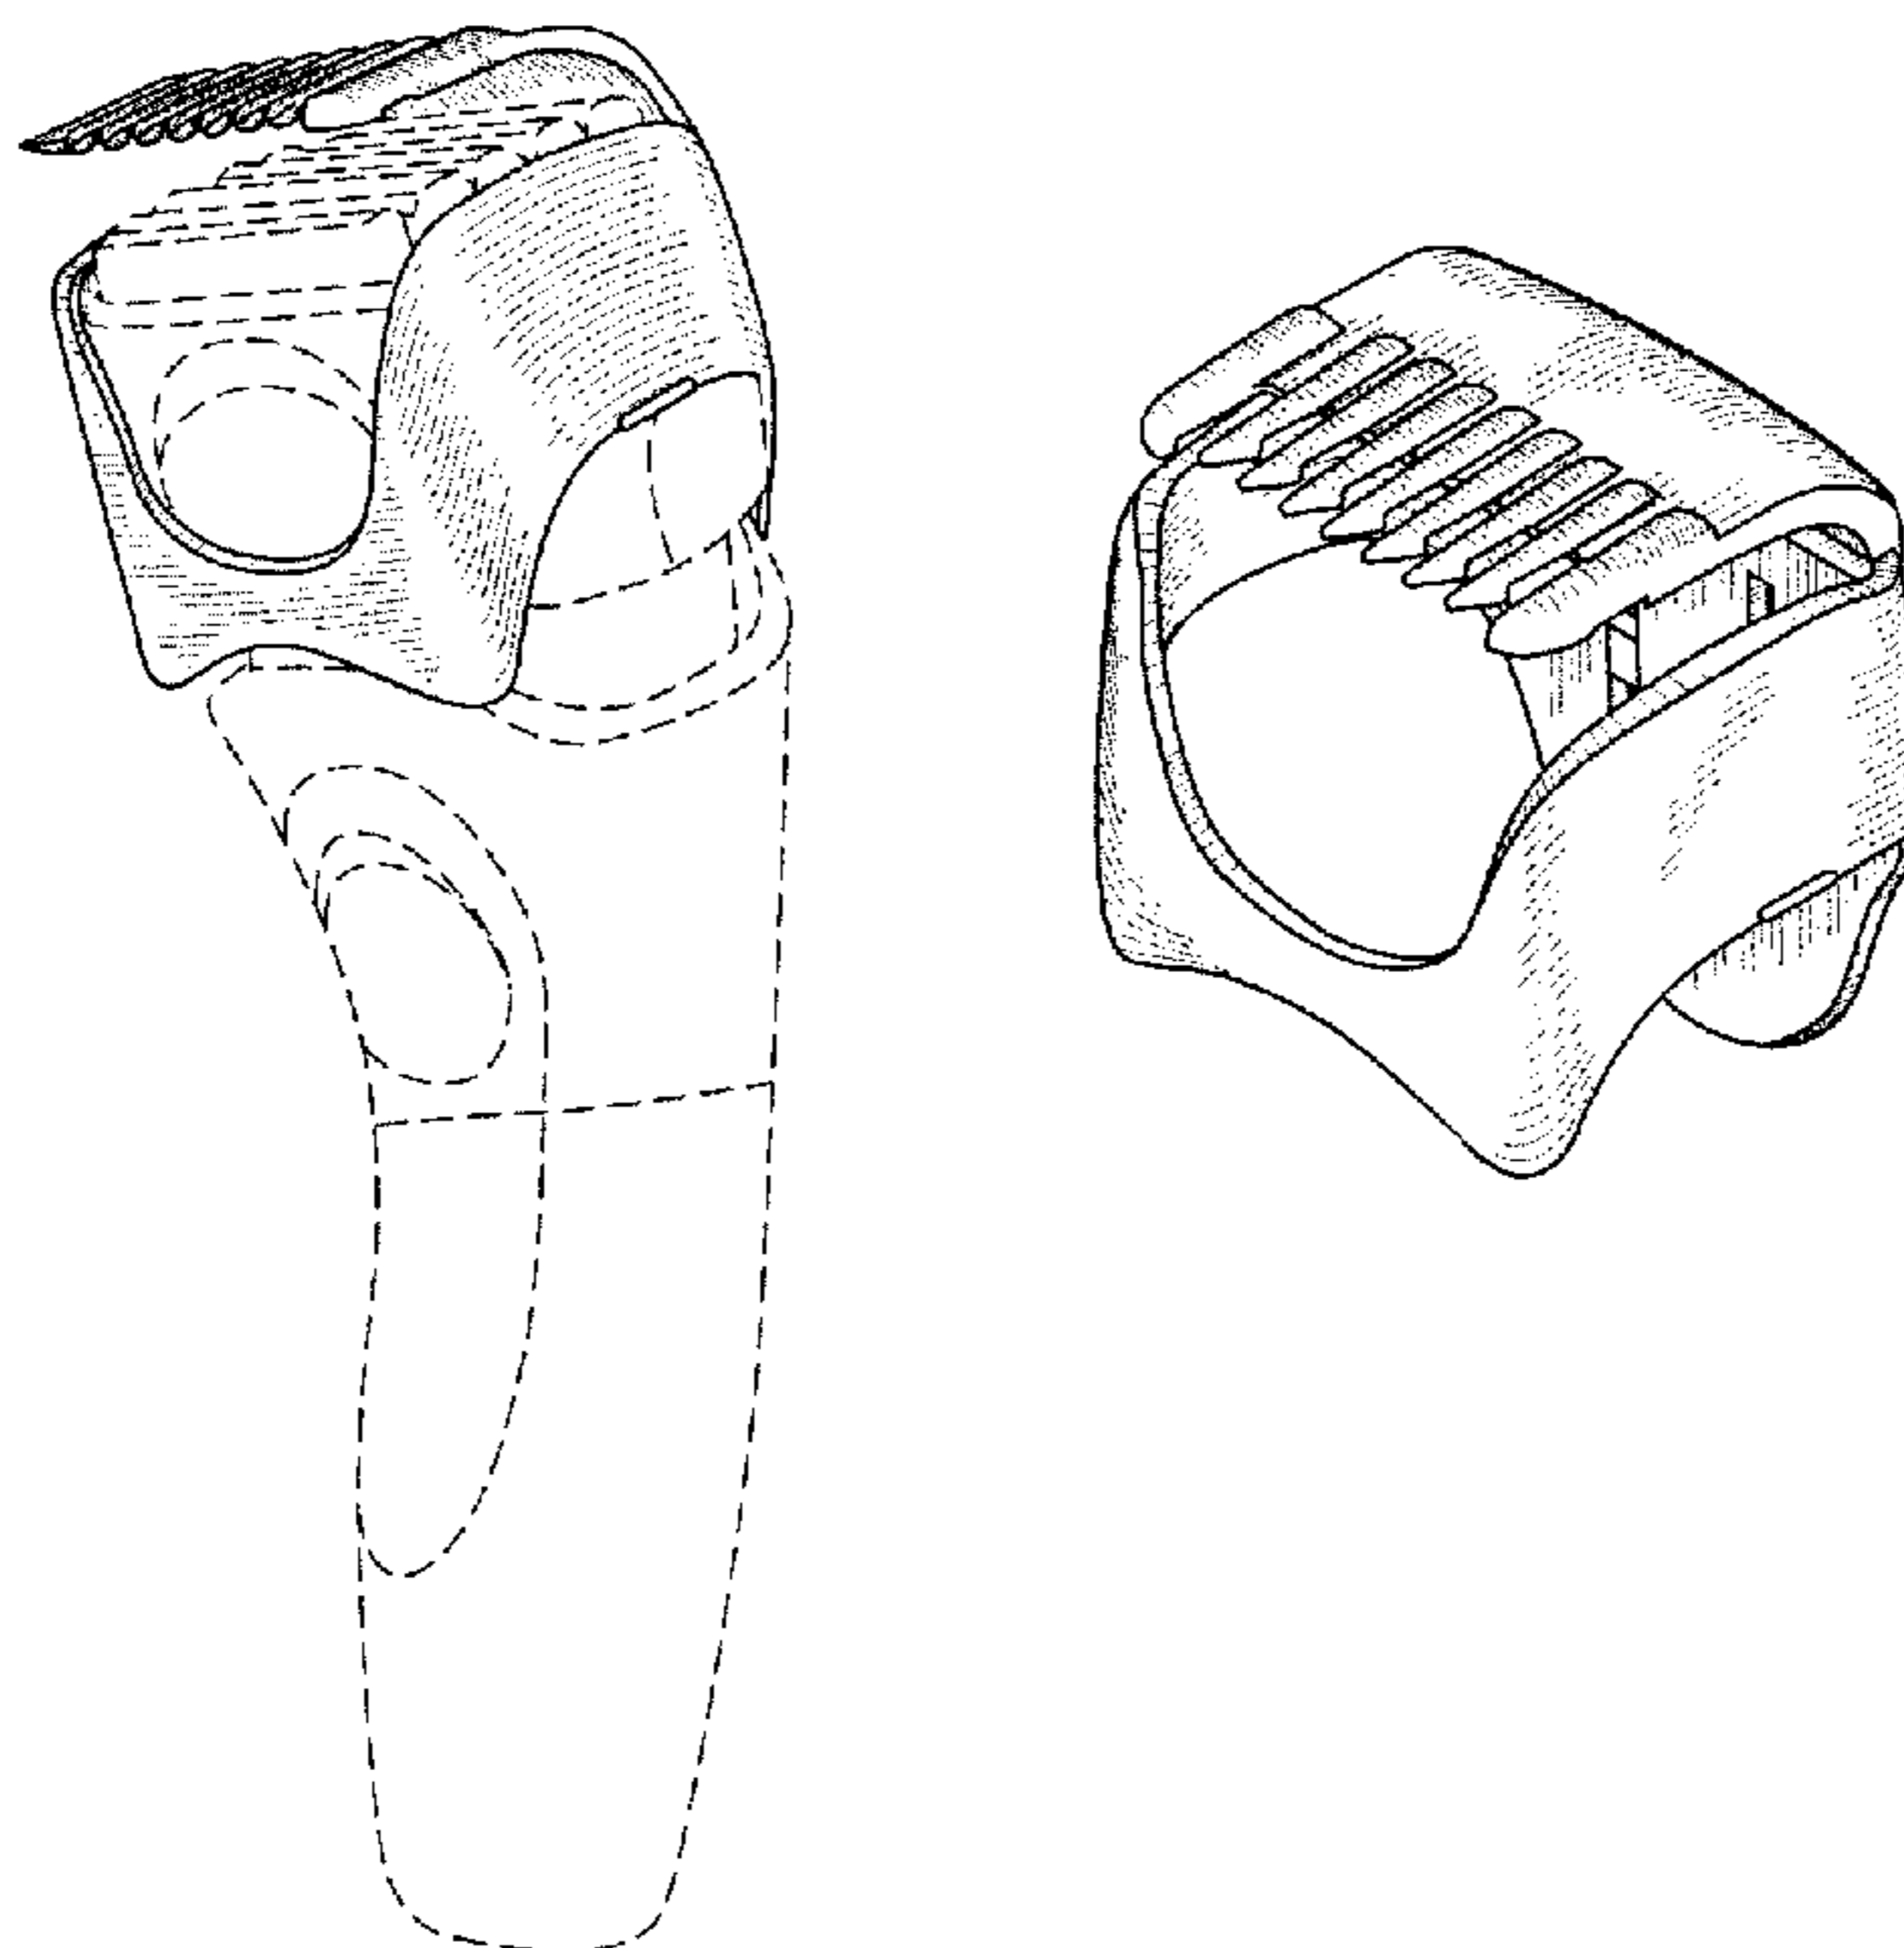

FIG. 10 is a front view in an alternative position of the design according to the invention; and,

FIG. 11 is a rear view in an alternative position of the design according to the invention.

The left side view is a mirror image of the right side view. The portion of the blade guard for an electric shaver shown in alternative positions in FIGS. 1-7 and FIGS. 8-11 is movable.

The portions in even broken lines are for illustrative purposes only and form no part of the claimed design.
