(57) **CLAIM**

The ornamental design for four week pill reminder with locking lids, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of the four week pill reminder with locking lids according to the present invention, the container including four rows of seven compartments, a lid being associated with each compartment;

FIG. 2 is a top view thereof, a bottom view thereof not being shown because it is a mirror image of the top view;

FIG. 3 is a left side view thereof;

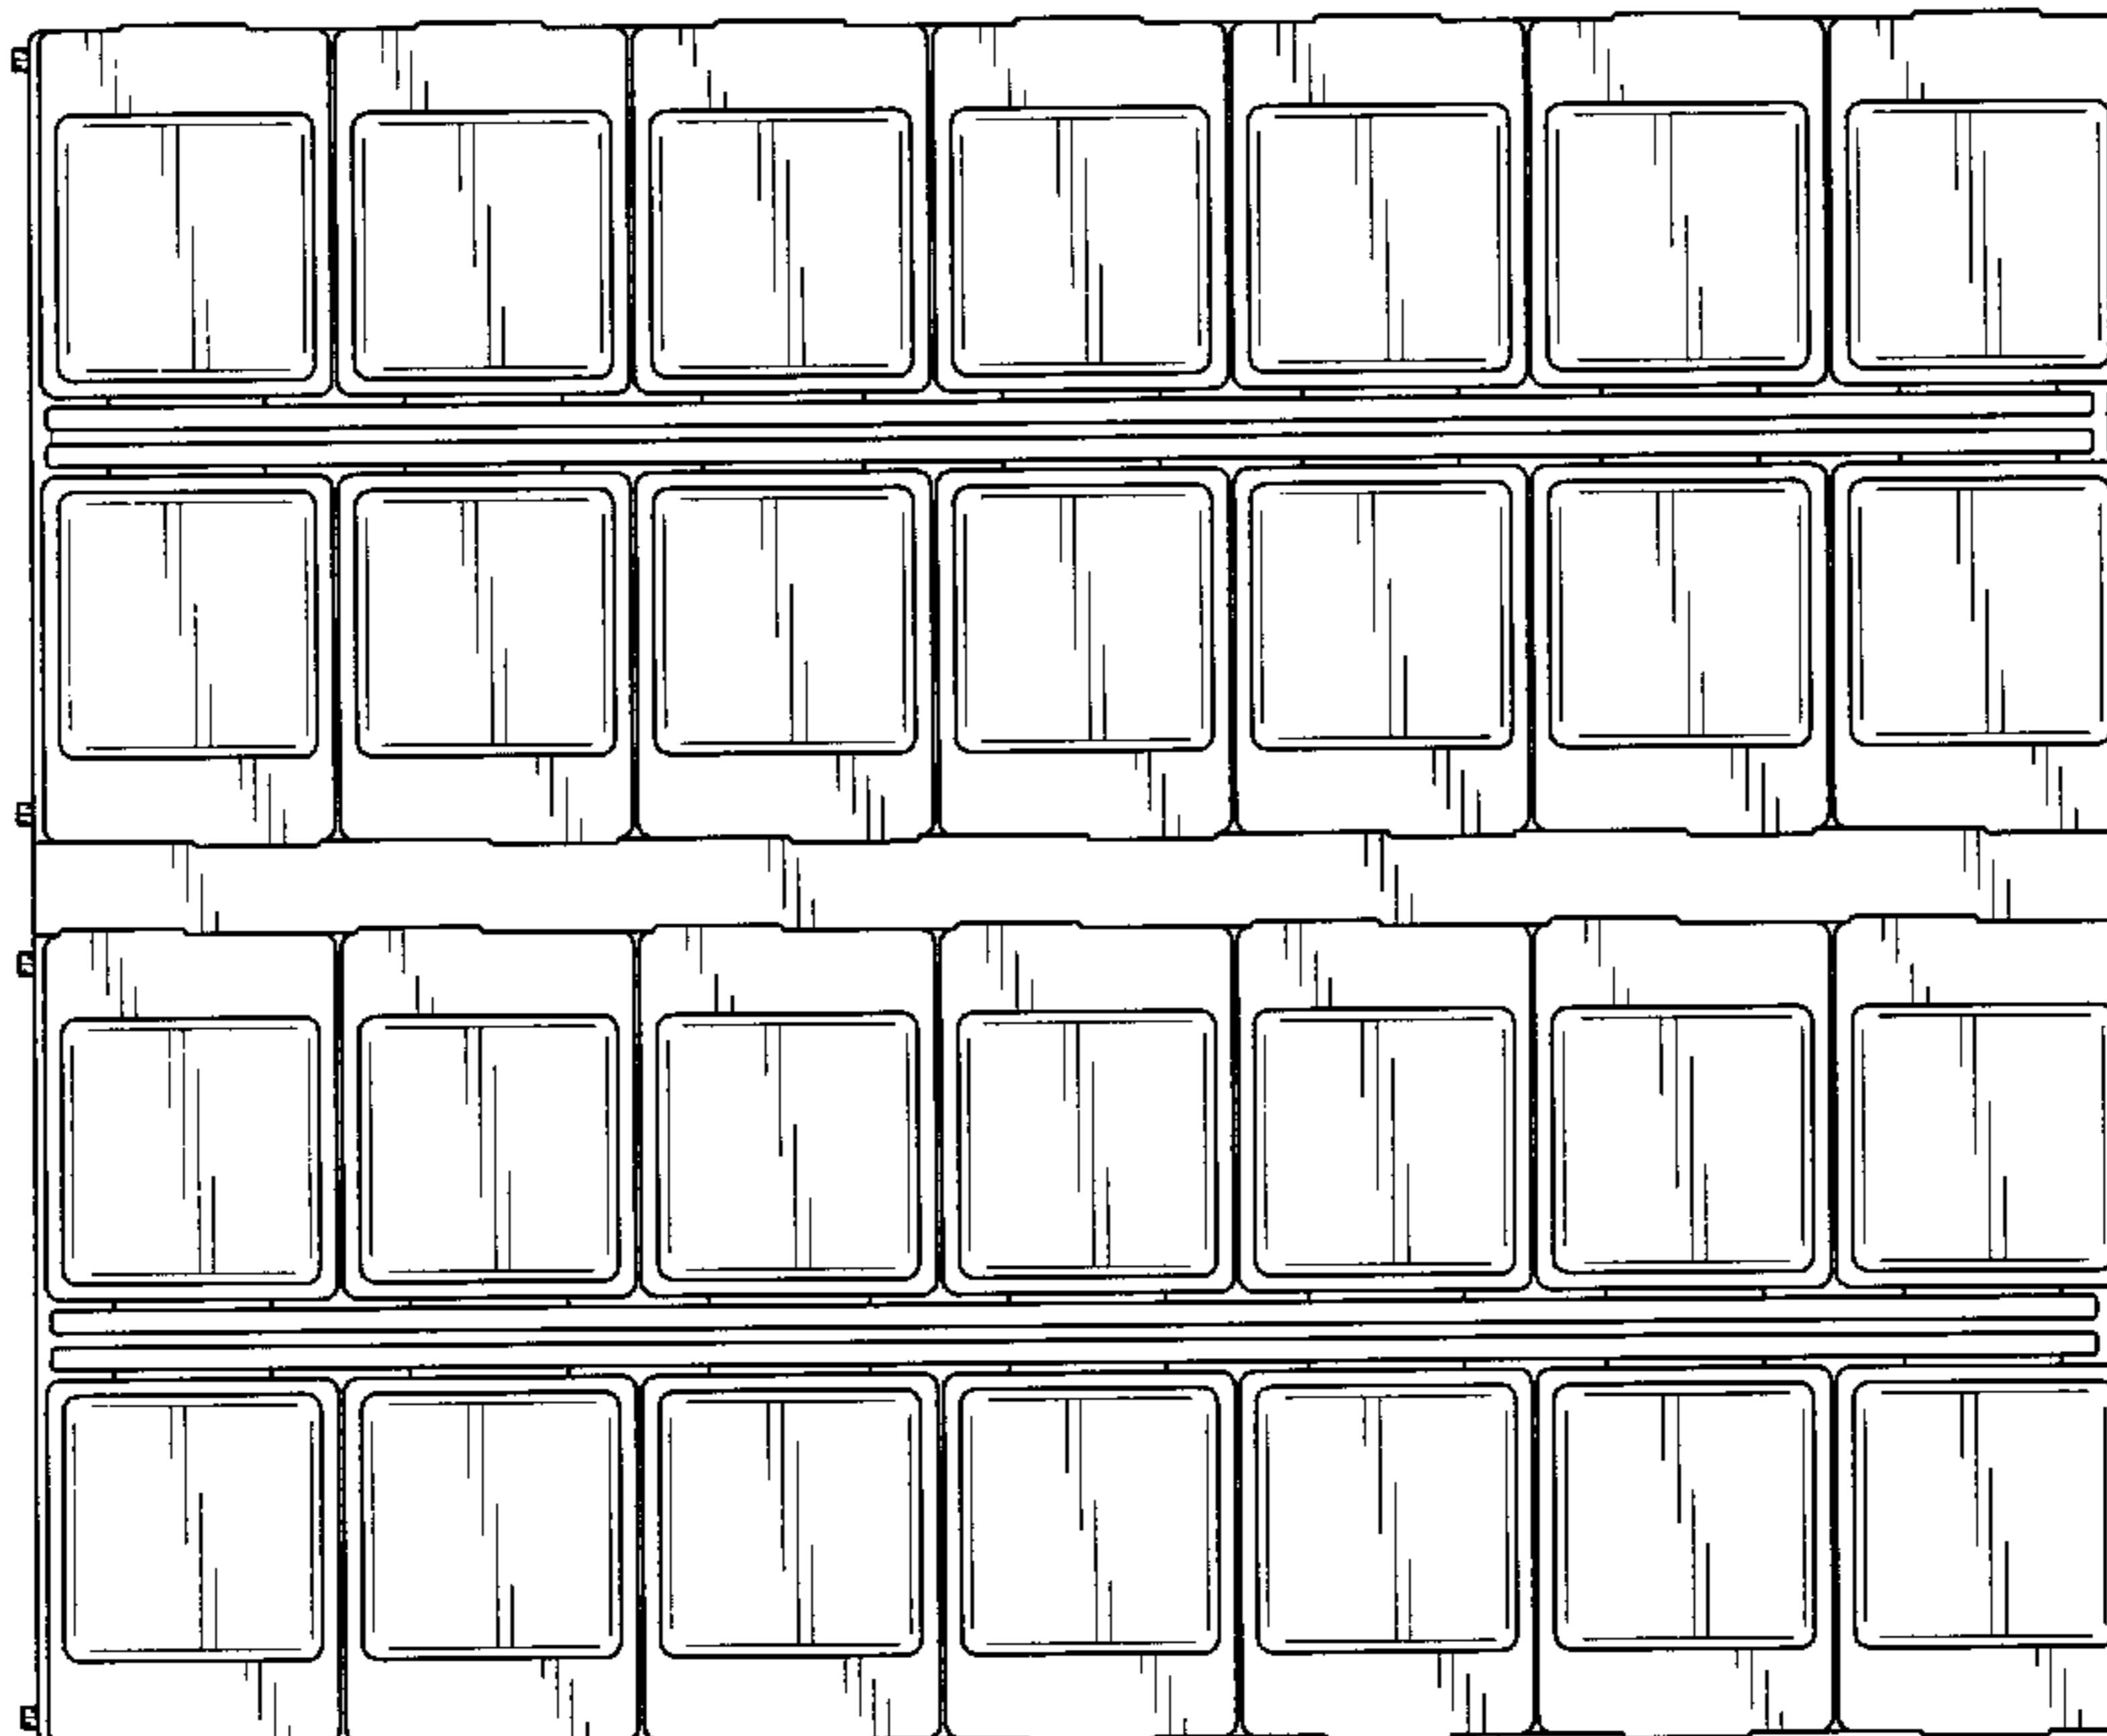

FIG. 4 is a right side view thereof;

FIG. 5 is a front view thereof with a lid of the container in an open position to provide viewing into the compartment associated with the lid; and,

FIG. 6 is a right side view of the container shown in FIG. 5. Applicant disclaims details that would otherwise be shown in a back view of the container.

The broken line showing of environment in the drawings if for illustrative purposes only and forms no part of the claimed design.
