(57) **CLAIM**

I claim the ornamental design for frame for kickboard, as shown and described in the drawings.

**DESCRIPTION**

FIG. 1 is a perspective view of a frame for kickboard in accordance with the present invention;

FIG. 2 is a front view of the frame according to the present invention;

FIG. 3 is a rear view of the frame according to the present invention;

FIG. 4 is a left side view of the frame according to the present invention;

FIG. 5 is a right side view of the frame according to the present invention;

FIG. 6 is a top plan view of the frame according to the present invention;

FIG. 7 is a bottom plan view of the frame according to the present invention; and,

FIG. 8 is a perspective view illustrating the use of the frame for kickboard according to the present invention. The broken lines are for illustrative purposes only and form no part of the claimed design.
