(57) **CLAIM**

The ornamental design for an absorbable threaded bone cage implant, as shown and described.

DESCRIPTION

FIG. 1 is a left side perspective view of the implant, showing the absorbable threaded bone cage implant, the bone growth enhancer containment hole, and the screw driving holes in the front end.

FIG. 2 is a top view, showing the bone growth enhancer hole.

FIG. 3 is a front view, showing the screw driving holes and the thread starting locations.

FIG. 4 is a side view, showing the reduction in diameter at the hole edges; and,

FIG. 5 is a back view, showing the two thread runout ends.
