(57) **CLAIM**

The ornamental design for an appliance gauge face, as
shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of an appliance gauge face
according to the design of the present invention; and,

FIG. 2 is a front elevational view of an alternate embodiment
of the appliance gauge face of FIG. 1.

The broken line showing is for illustrative purposes only and
forms no part of the claim design.
