(57) **CLAIM**

The ornamental design for a flag, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view showing a first side of a flag of our first embodiment;
FIG. 2 is a perspective view showing a second side thereof;
FIG. 3 is a perspective view showing a first side of a flag of our second embodiment; and,
FIG. 4 is a perspective view showing a second side thereof.
The broken lines showing environment in the drawings are for illustrative purposes only and form no part of the claimed design. The crisscross pattern of lines in the drawings represents material and is understood to be distributed uniformly over the surfaces of the flag.
