FIG. 1 is a perspective view of a display package showing my new design;

FIG. 2 is a plan view thereof;

FIG. 3 is a side elevational view, the opposite side being a mirror image thereof;

FIG. 4 is an end elevational view, the opposite end being a mirror image thereof; and,

FIG. 5 is a plan view thereof in one representational length and width, including broken lines indicating representative environmental elements depicting displayed contents.

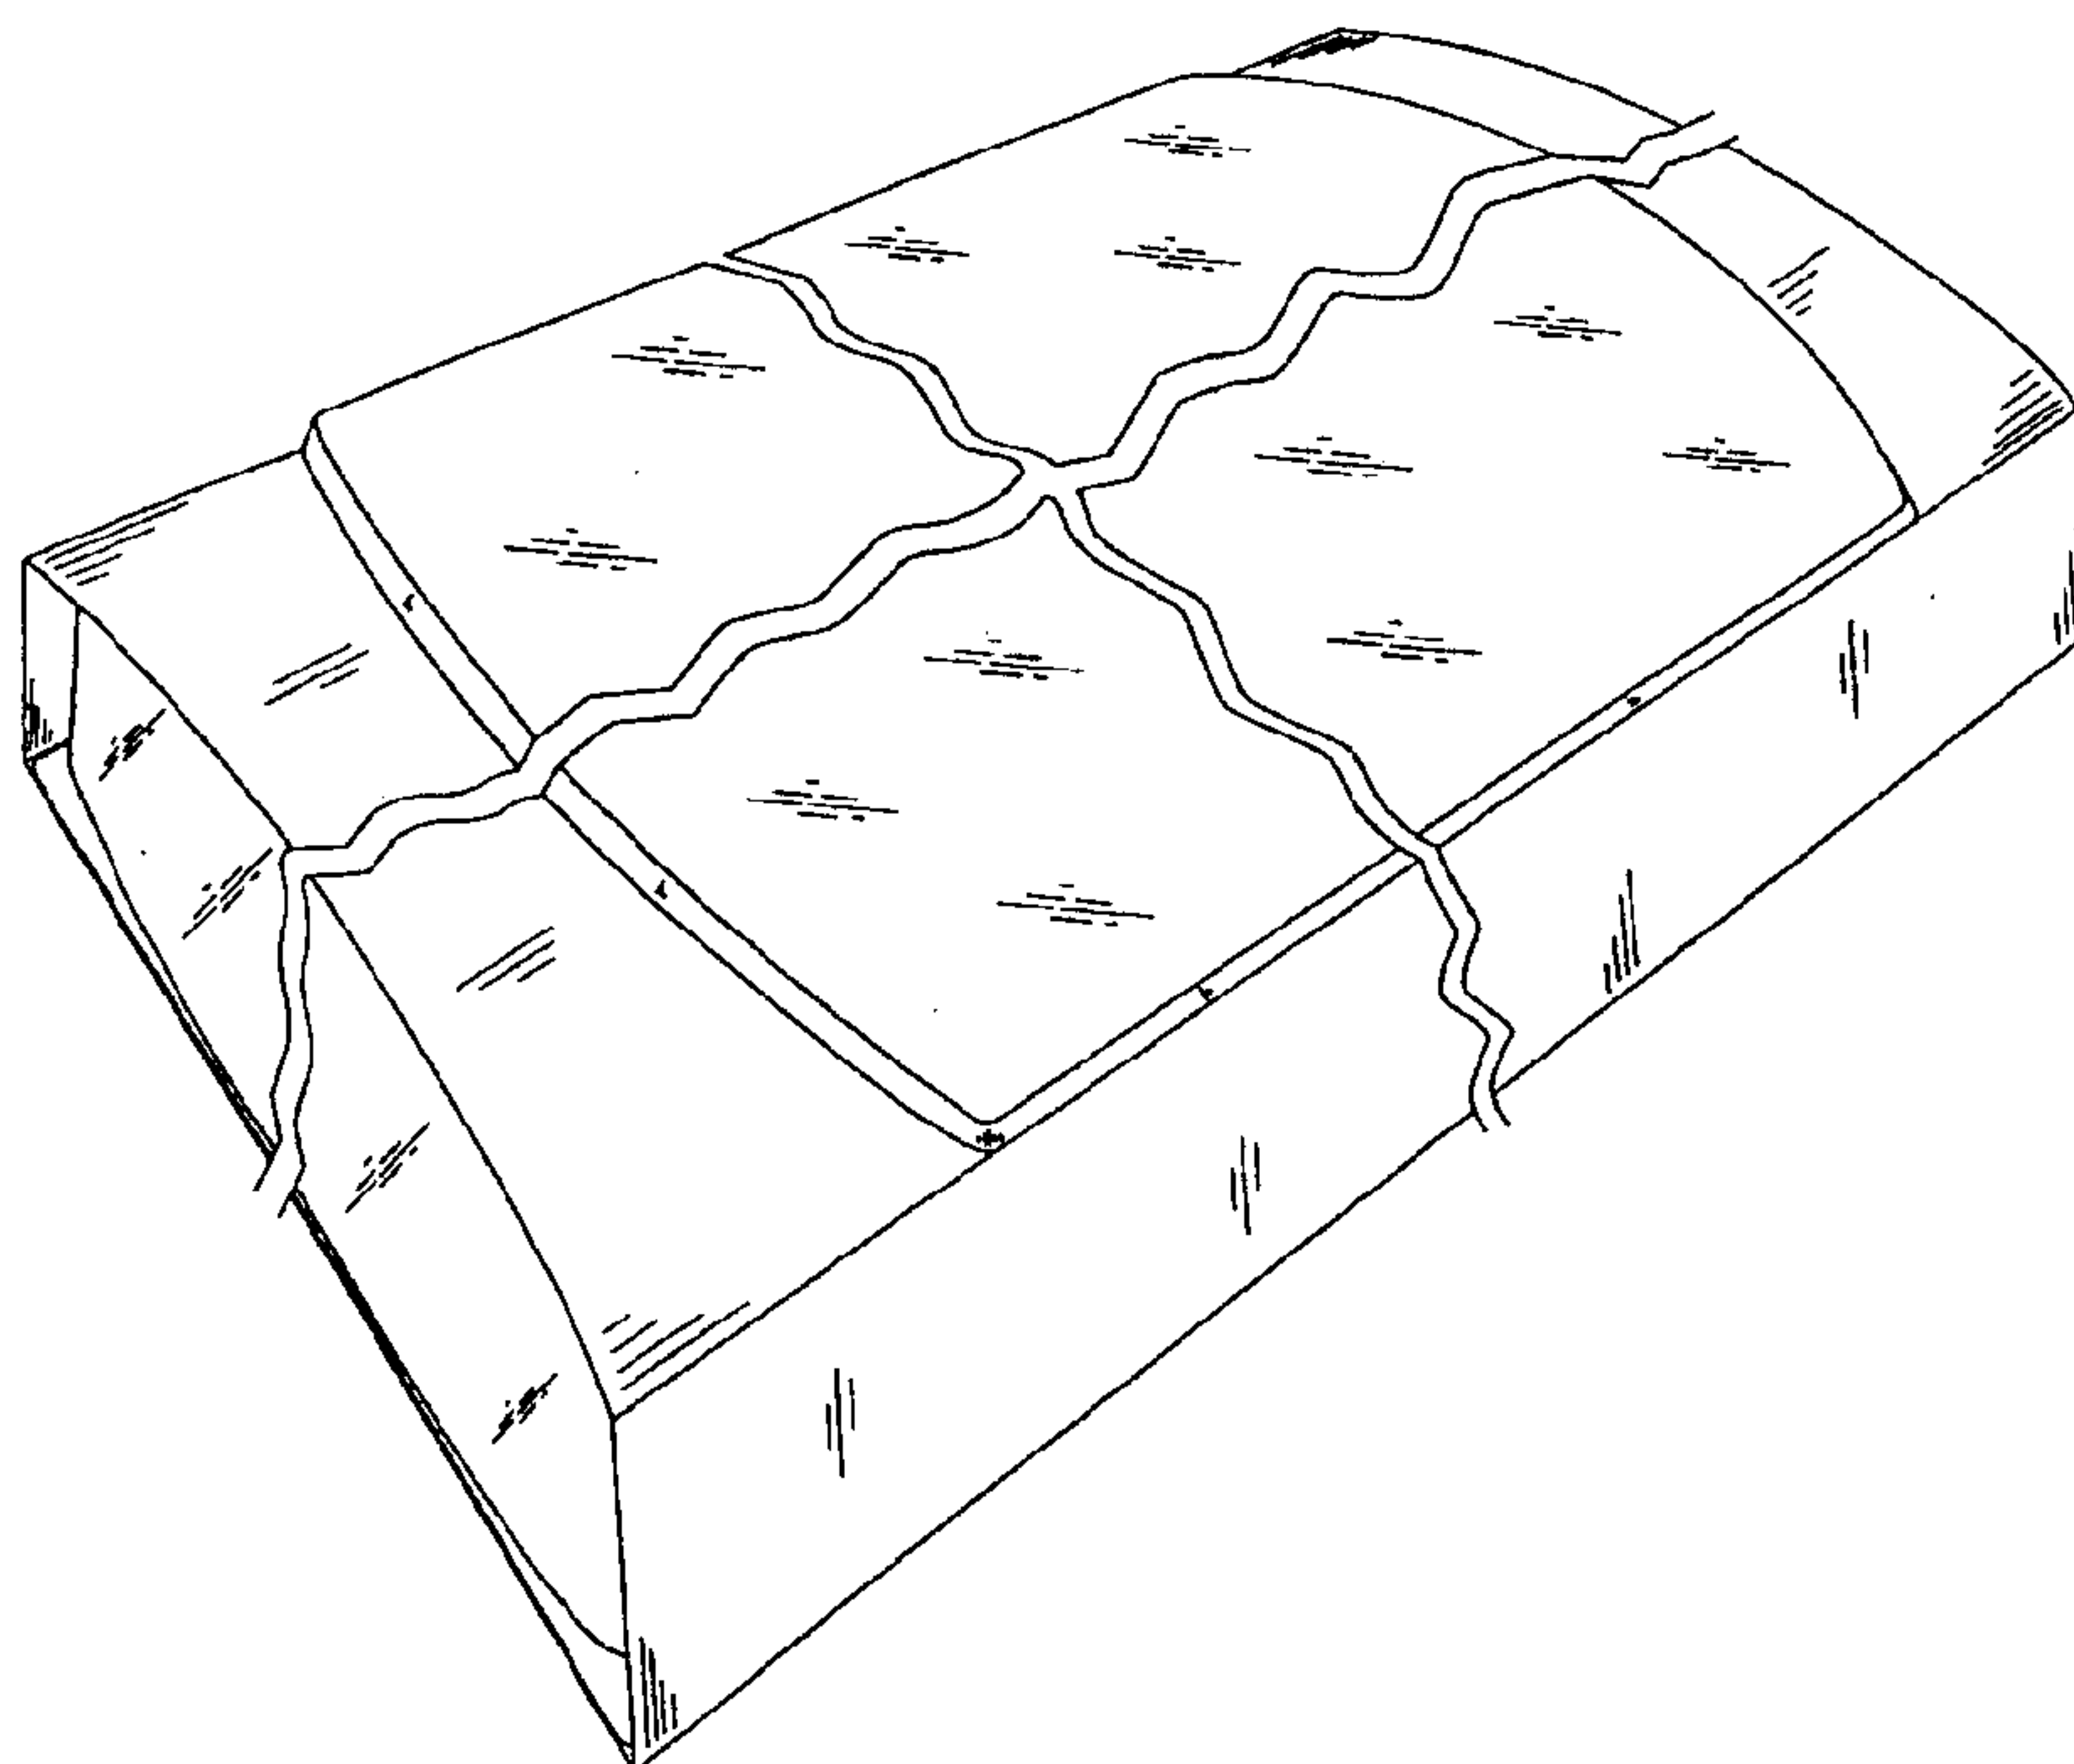

The views of the display package not shown form no part of the claimed design. The broken lines depicting displayed contents, other internal features, and shading represent environmental elements only, and form no part of the claimed design. The separation and bracket indicate, for ease of illustration, that the precise length and width of the display package is not claimed.
