(57) **CLAIM**

The ornamental design for a phosphor reader, as shown and
described.

DESCRIPTION

FIG. 1 is front perspective view of the phosphor reader in
accordance with the present invention;

FIG. 2 is a top perspective view of the phosphor reader in
accordance with the present invention; and,

FIG. 3 is a bottom perspective view of the phosphor reader
in accordance with the present invention.

Any dashed lines depict environment and are not part of the
claimed design. In addition, any stippling shown in the
drawing is for shading purposes, and does not form a part of
the claimed design.
