(57) **CLAIM**

I claim the ornamental design for a cowling of a goalie skate, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a cowling of a goalie skate showing my new design. The illustrated cowling is for a left foot, the cowling for a right foot being a mirror image of the one for a left foot;

FIG. 2 is a top plan view thereof;

FIG. 3 is a front elevational view thereof,

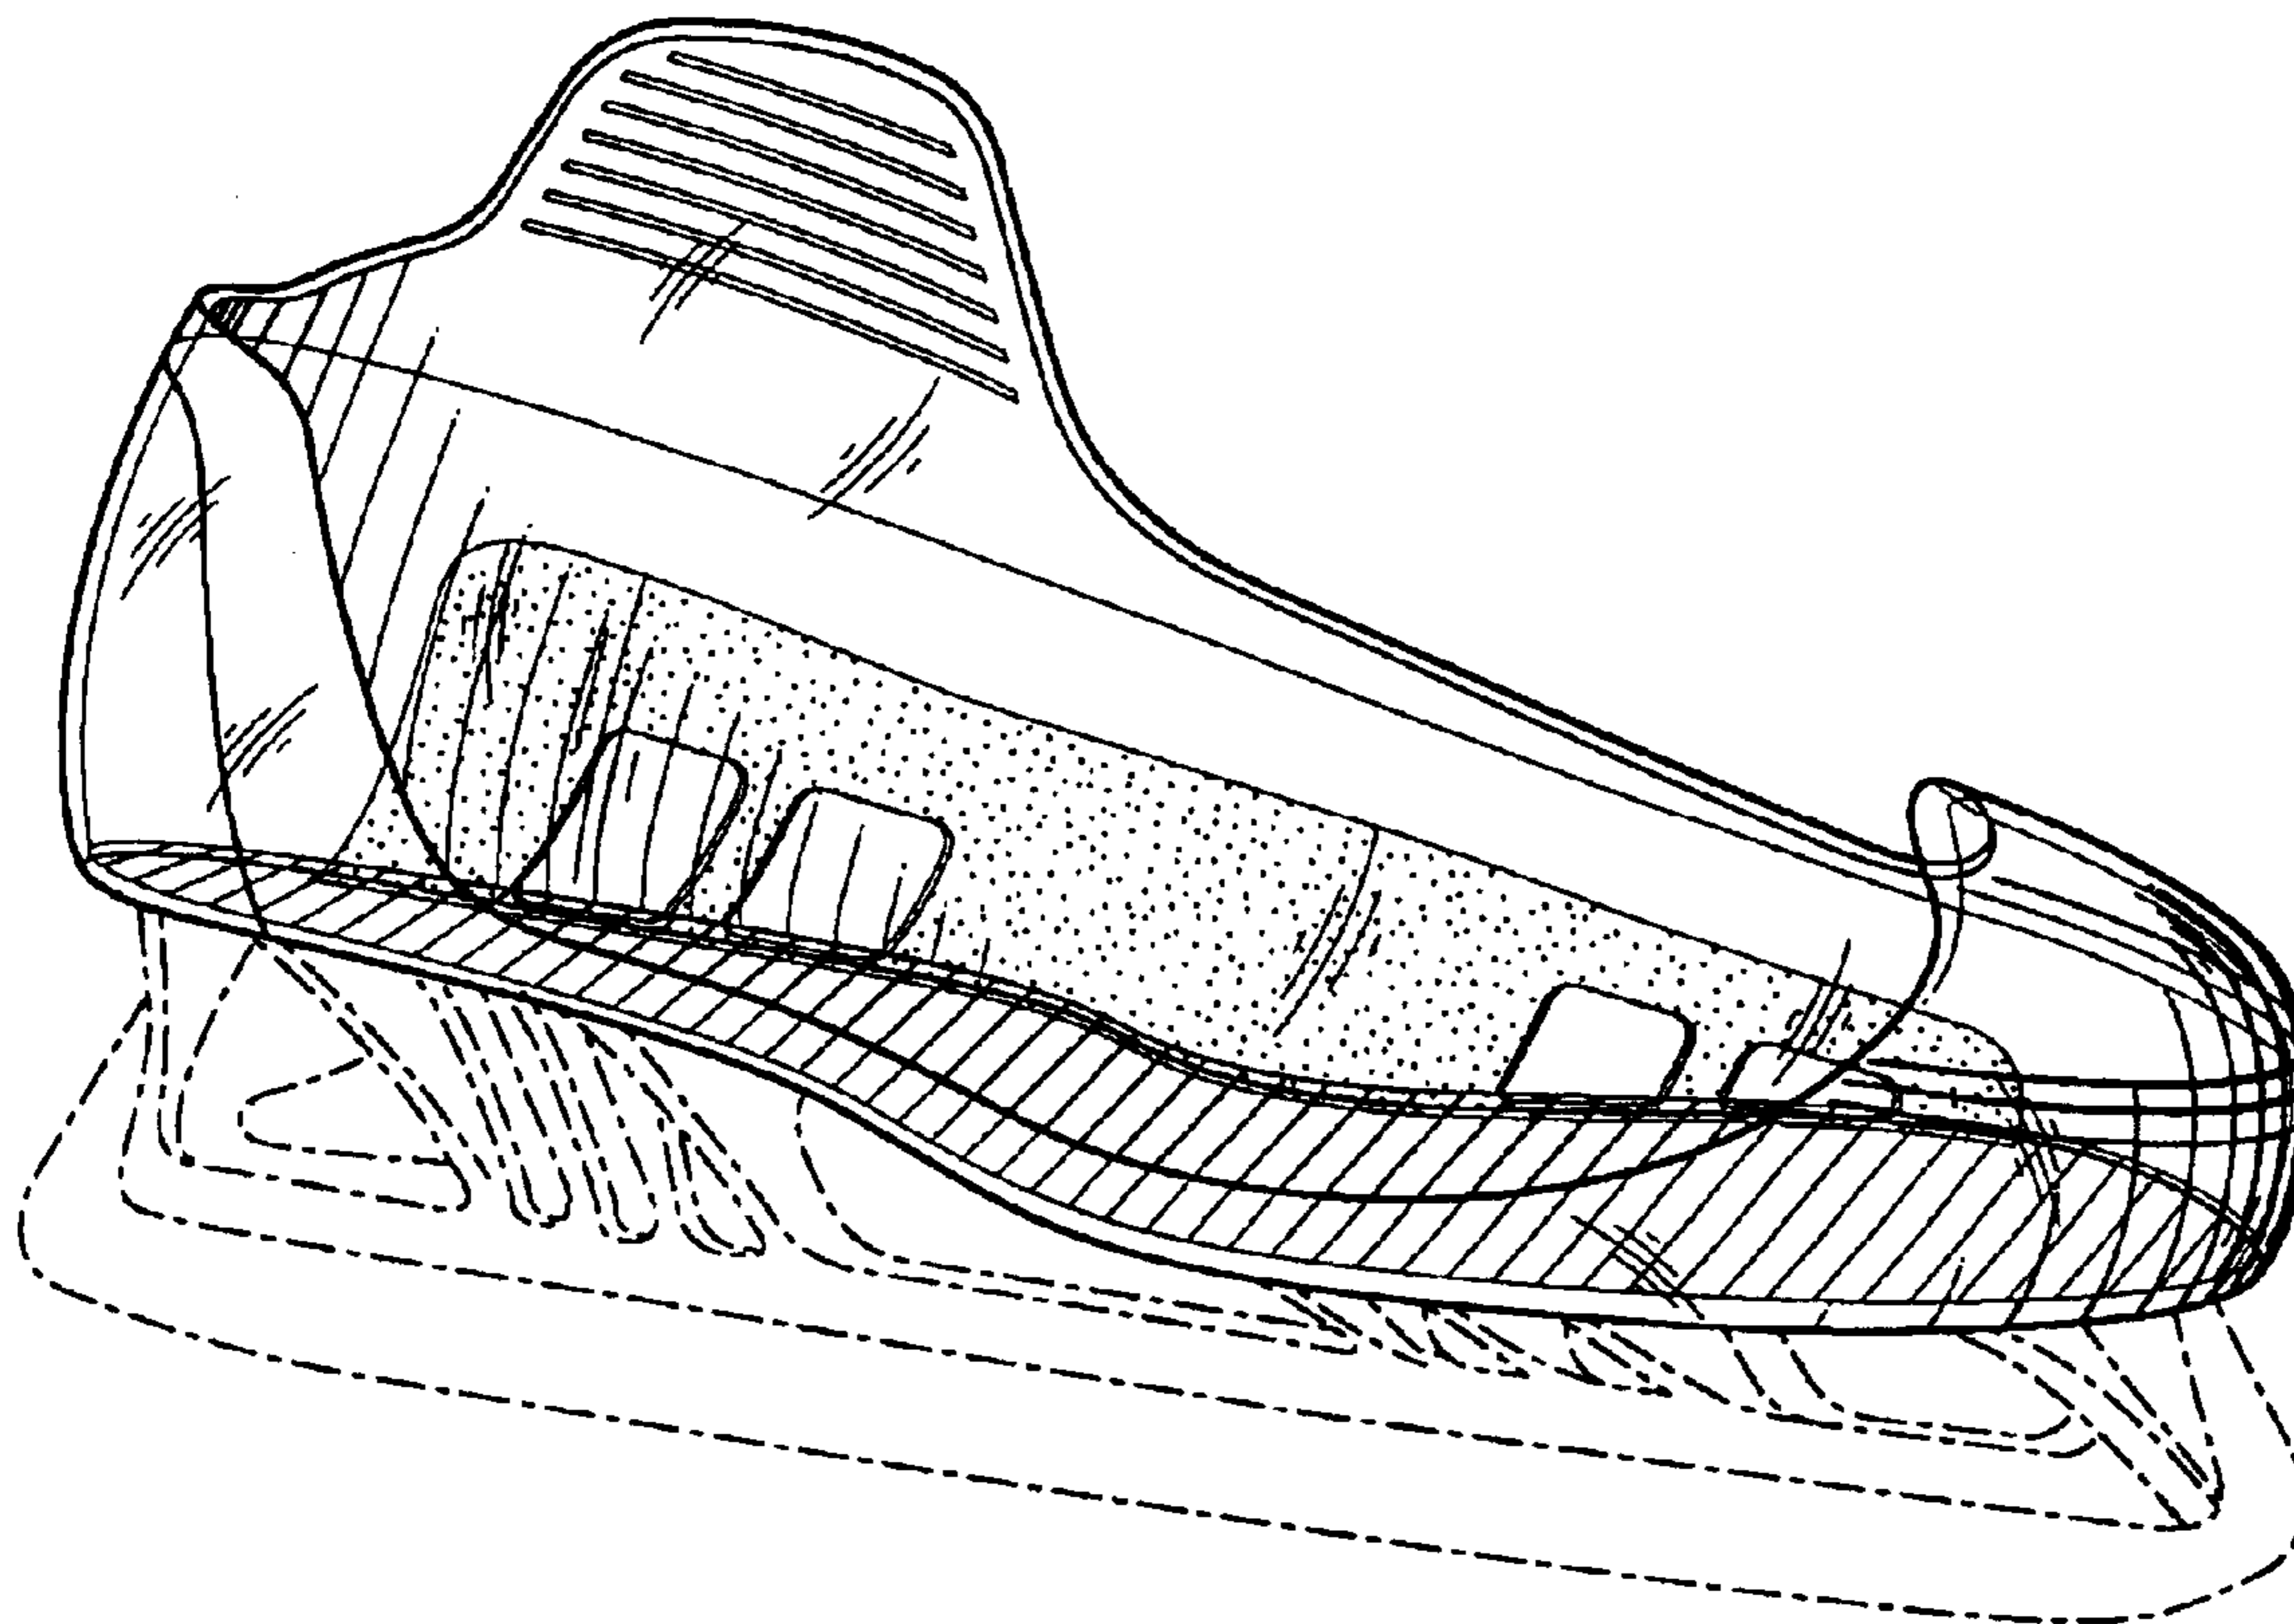

FIG. 4 is a left side elevational view thereof;

FIG. 5 is a rear elevational view thereof; and,

FIG. 6 is a right side elevational view thereof.

The bottom view is omitted since the bottom of the cowling is unornamented. The broken lines shown in the figures form no part of the design and are for illustrative purposes only.
