(57) **CLAIM**

The “bite mark” design for a portion of a cookie cutter, as shown and described.

**DESCRIPTION**

FIG. 1 is a top view of the “bite mark” section applied to a standard, round-shaped portion of a cookie cutter.

FIG. 2 is a side/angle view of the claimed “bite mark” applied to a standard, round-shaped portion of a cookie cutter; and,

FIG. 3 is a front/angle view of the claimed “bite mark” applied to a standard, round-shaped portion of a cookie cutter.

The unclaimed round portion of the cookie cutter is shown in broken lines for illustrative purposes only; that portion forms no part of the claimed design.
