*Primary Examiner*—Sandra S. Snapp(57) **CLAIM**

The ornamental design for a sofa, as shown and described.

**DESCRIPTION**

FIG. 1 is a top, front and left side perspective view of a sofa showing the new design, the design is shown in a first representative embodiment.

FIG. 2 is a top, front and left side perspective view of sofa showing the new design, the design is shown in a first alternative embodiment.

FIG. 3 is a front elevational view of the first representative embodiment.

FIG. 4 is a front elevational view of the first alternative embodiment.

FIG. 5 is a rear elevational view of the sofa for the first representative embodiment.

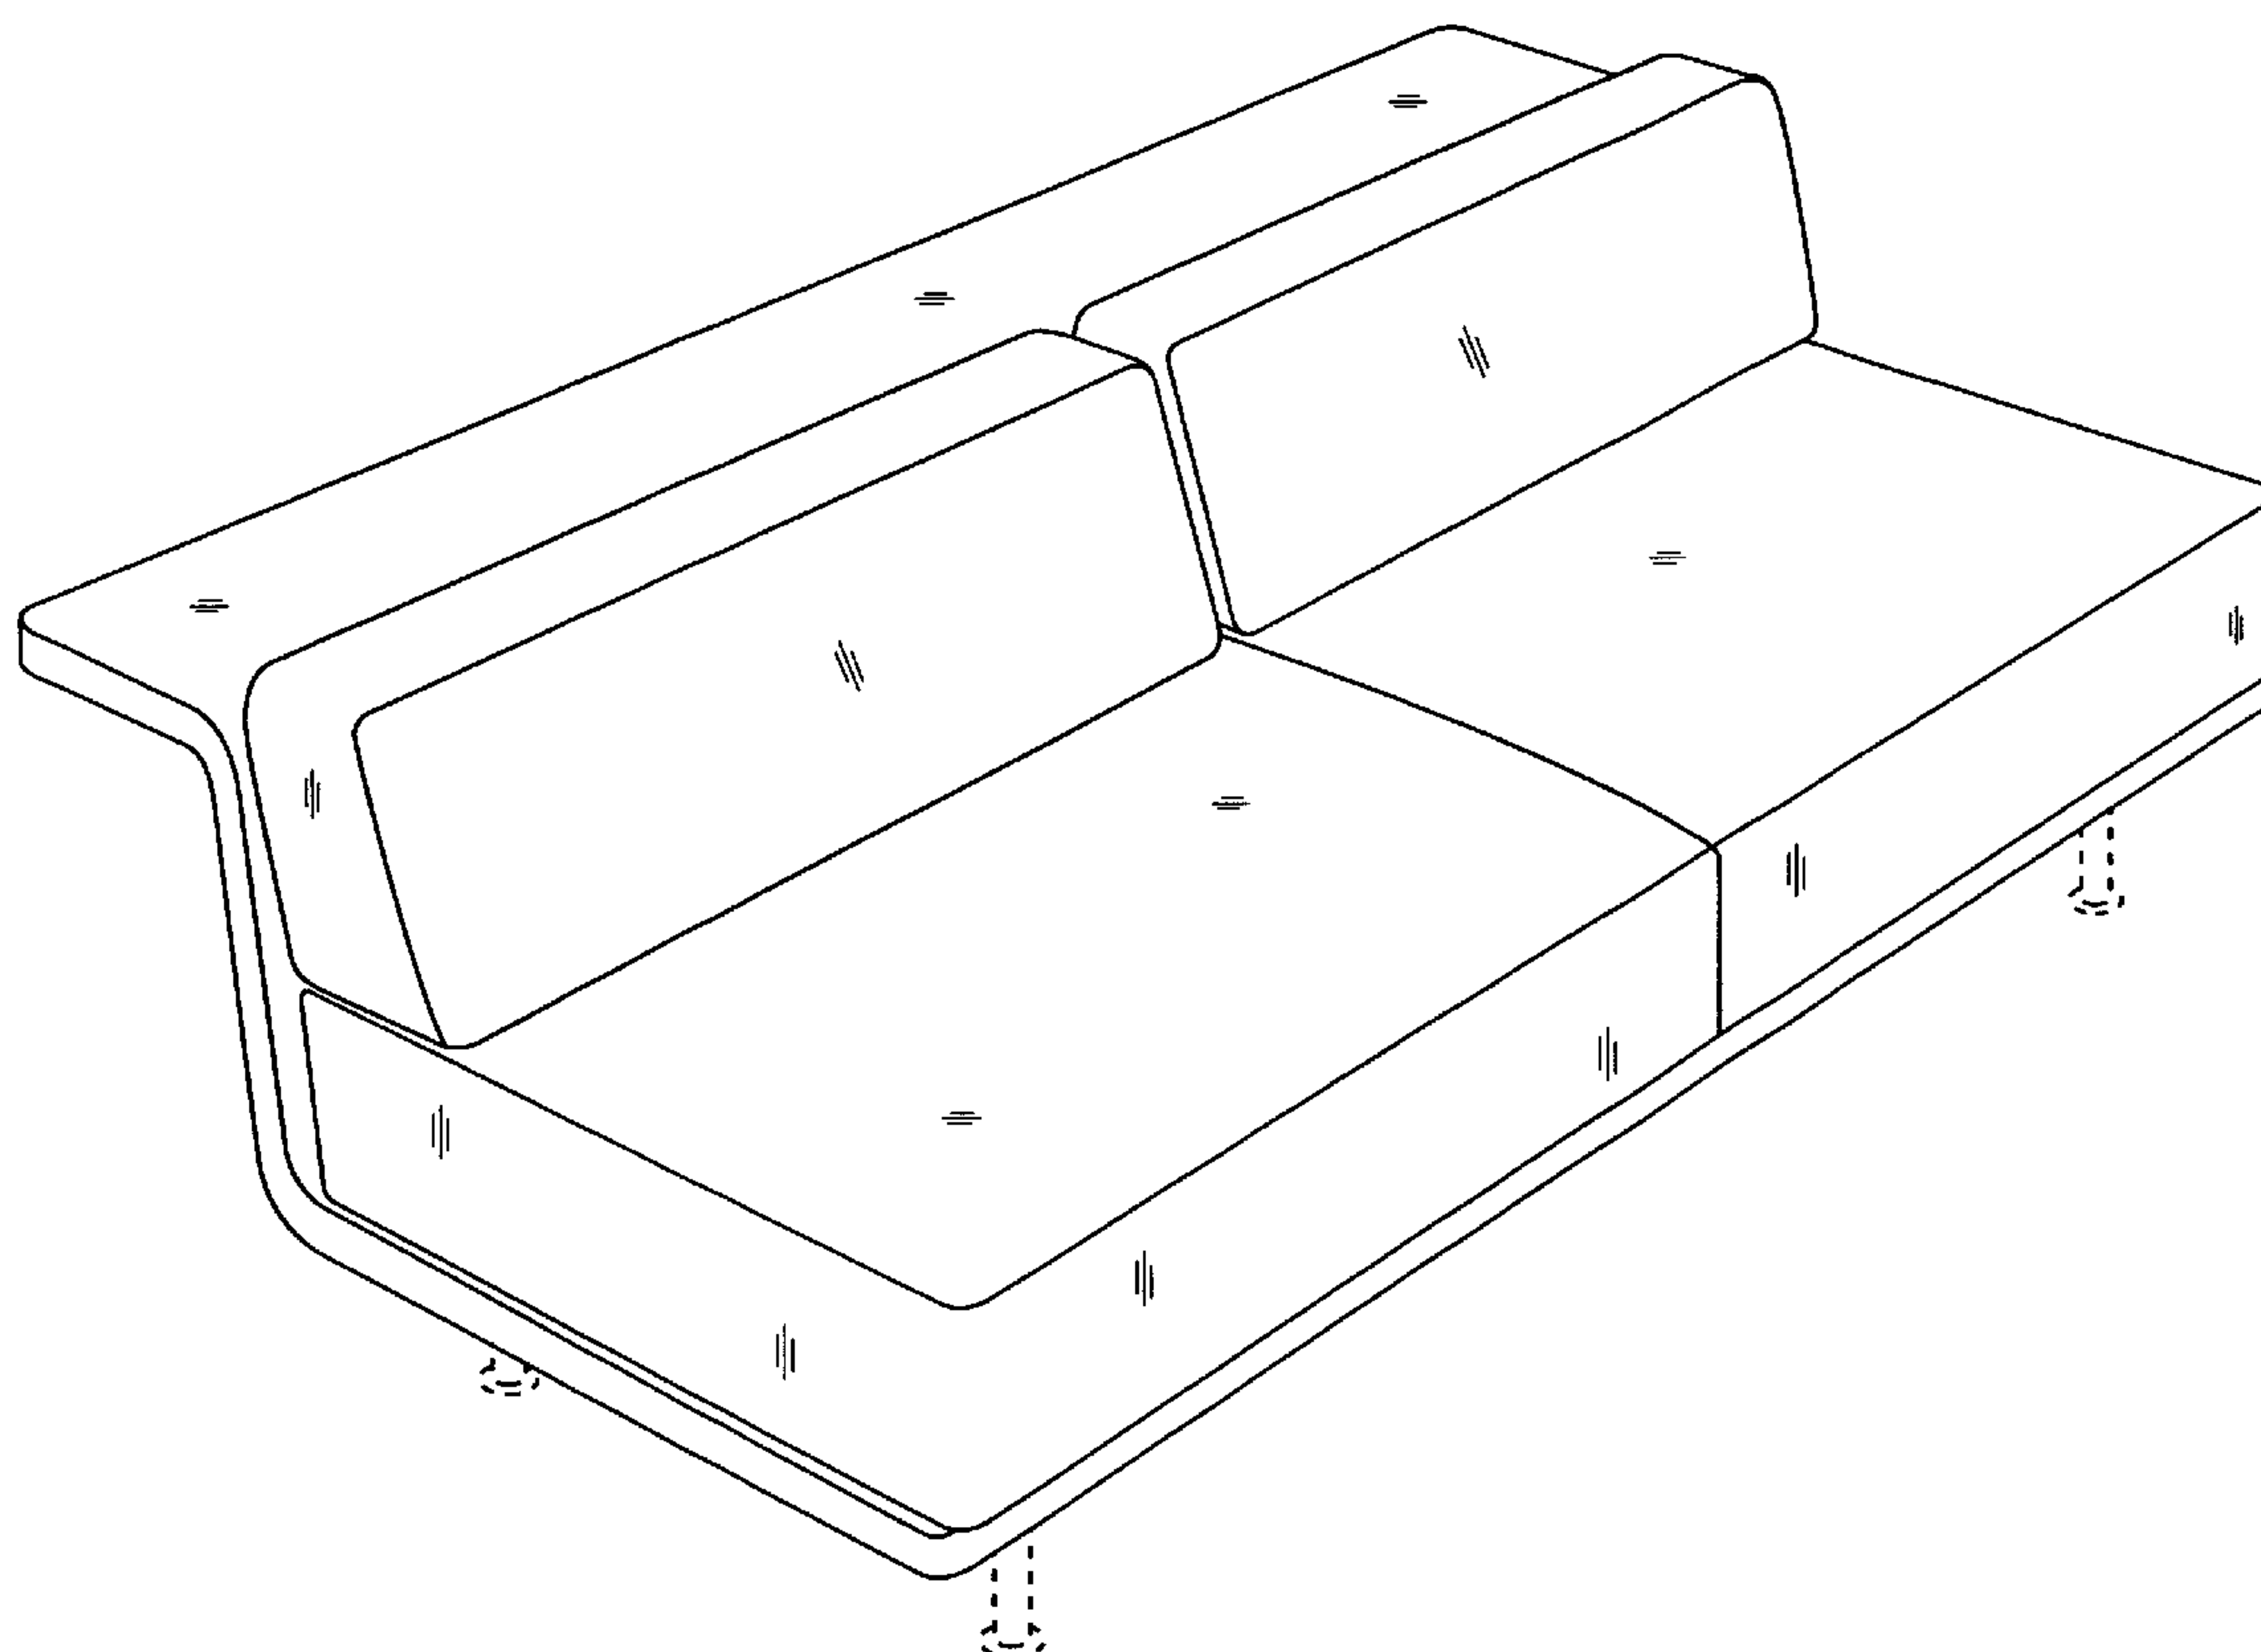

FIG. 6 is the side elevational view of the sofa for the first representative embodiment and the first alternative embodiment.

FIG. 7 is the top view of the first representative embodiment; and,

FIG. 8 is the top view of the first alternative embodiment.

The bottom elevation view of the design is not shown and would not depict any aspect of the invention not already shown in the Figures.

Our new design comprises, essentially, a sofa. The broken-line disclosure in the views is for environmental purposes only and forms no part of the claimed design.
