(57) **CLAIM**

The ornamental design for a display for a tire pressure gauge, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a display for a tire pressure gauge showing our new design, in an energized state showing exemplary values;

FIG. 2 is an enlarged top plan view of the display for a tire pressure gauge of FIG. 1, in an unenergized state; and,

FIG. 3 is a top plan view of the display for a tire pressure gauge of FIG. 1, depicted in the environment of an exemplary tire pressure gauge.

The other views are flat and do not contain ornamentality and thus have been omitted. The matter shown in dashed lines is environmental structure and forms no part of the claimed design.
