(57) **CLAIM**

The ornamental design for a combination ceiling fan and light fixture, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view from below of a combination ceiling fan and light fixture in accordance with my design, including the environment thereof;

FIG. 2 is an enlarged perspective view from below of the combination ceiling fan and light fixture in accordance with my design, including the environment thereof;

FIG. 3 is a bottom plan view from above of the combination ceiling fan and light fixture in accordance with my design;

FIG. 4 is a top plan elevation view from below of the combination ceiling fan and light fixture in accordance with my design;

FIG. 5 is a side elevation view from below of the combination ceiling fan and light fixture in accordance with my design, including the environment thereof; and,

FIG. 6 is a front elevation view from below of the combination ceiling fan and light fixture in accordance with my design, including the environment thereof.

FIGS. 5 and 6 are identical except for the positioning of the fan blades.

The broken lines showing environmental structure are for illustrative purposes and form no part of the claimed design. In FIG. 2, the fan blades are shown broken away to indicated indeterminate length.
