(57) **CLAIM**

I claim the ornamental design for armoire, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of an armoire according to an embodiment of the invention. The view from the front left side being a mirror image thereof.

FIG. 2 is a plan view of an armoire according to an embodiment of the invention.

FIG. 3 is a front elevational view of an armoire according to an embodiment of the invention; and,

FIG. 4 is a side elevational view of an armoire according to an embodiment of the invention. The elevational view of the opposite side being a mirror image thereof.

The back side and bottom side of the armoire are not shown and are not claimed as part of the invention. The handle hardware shown in dashed lines is for illustrative purposes and is not part of the claimed invention.

Color is claimed as part of the invention only for the lined surface framing the glass panels. The lining is shown on only a portion of the delineated surface but the color extends across the entire delineated surface.
