(57) **CLAIM**

The ornamental design for a edger handle, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a edger handle in accordance with the present invention;

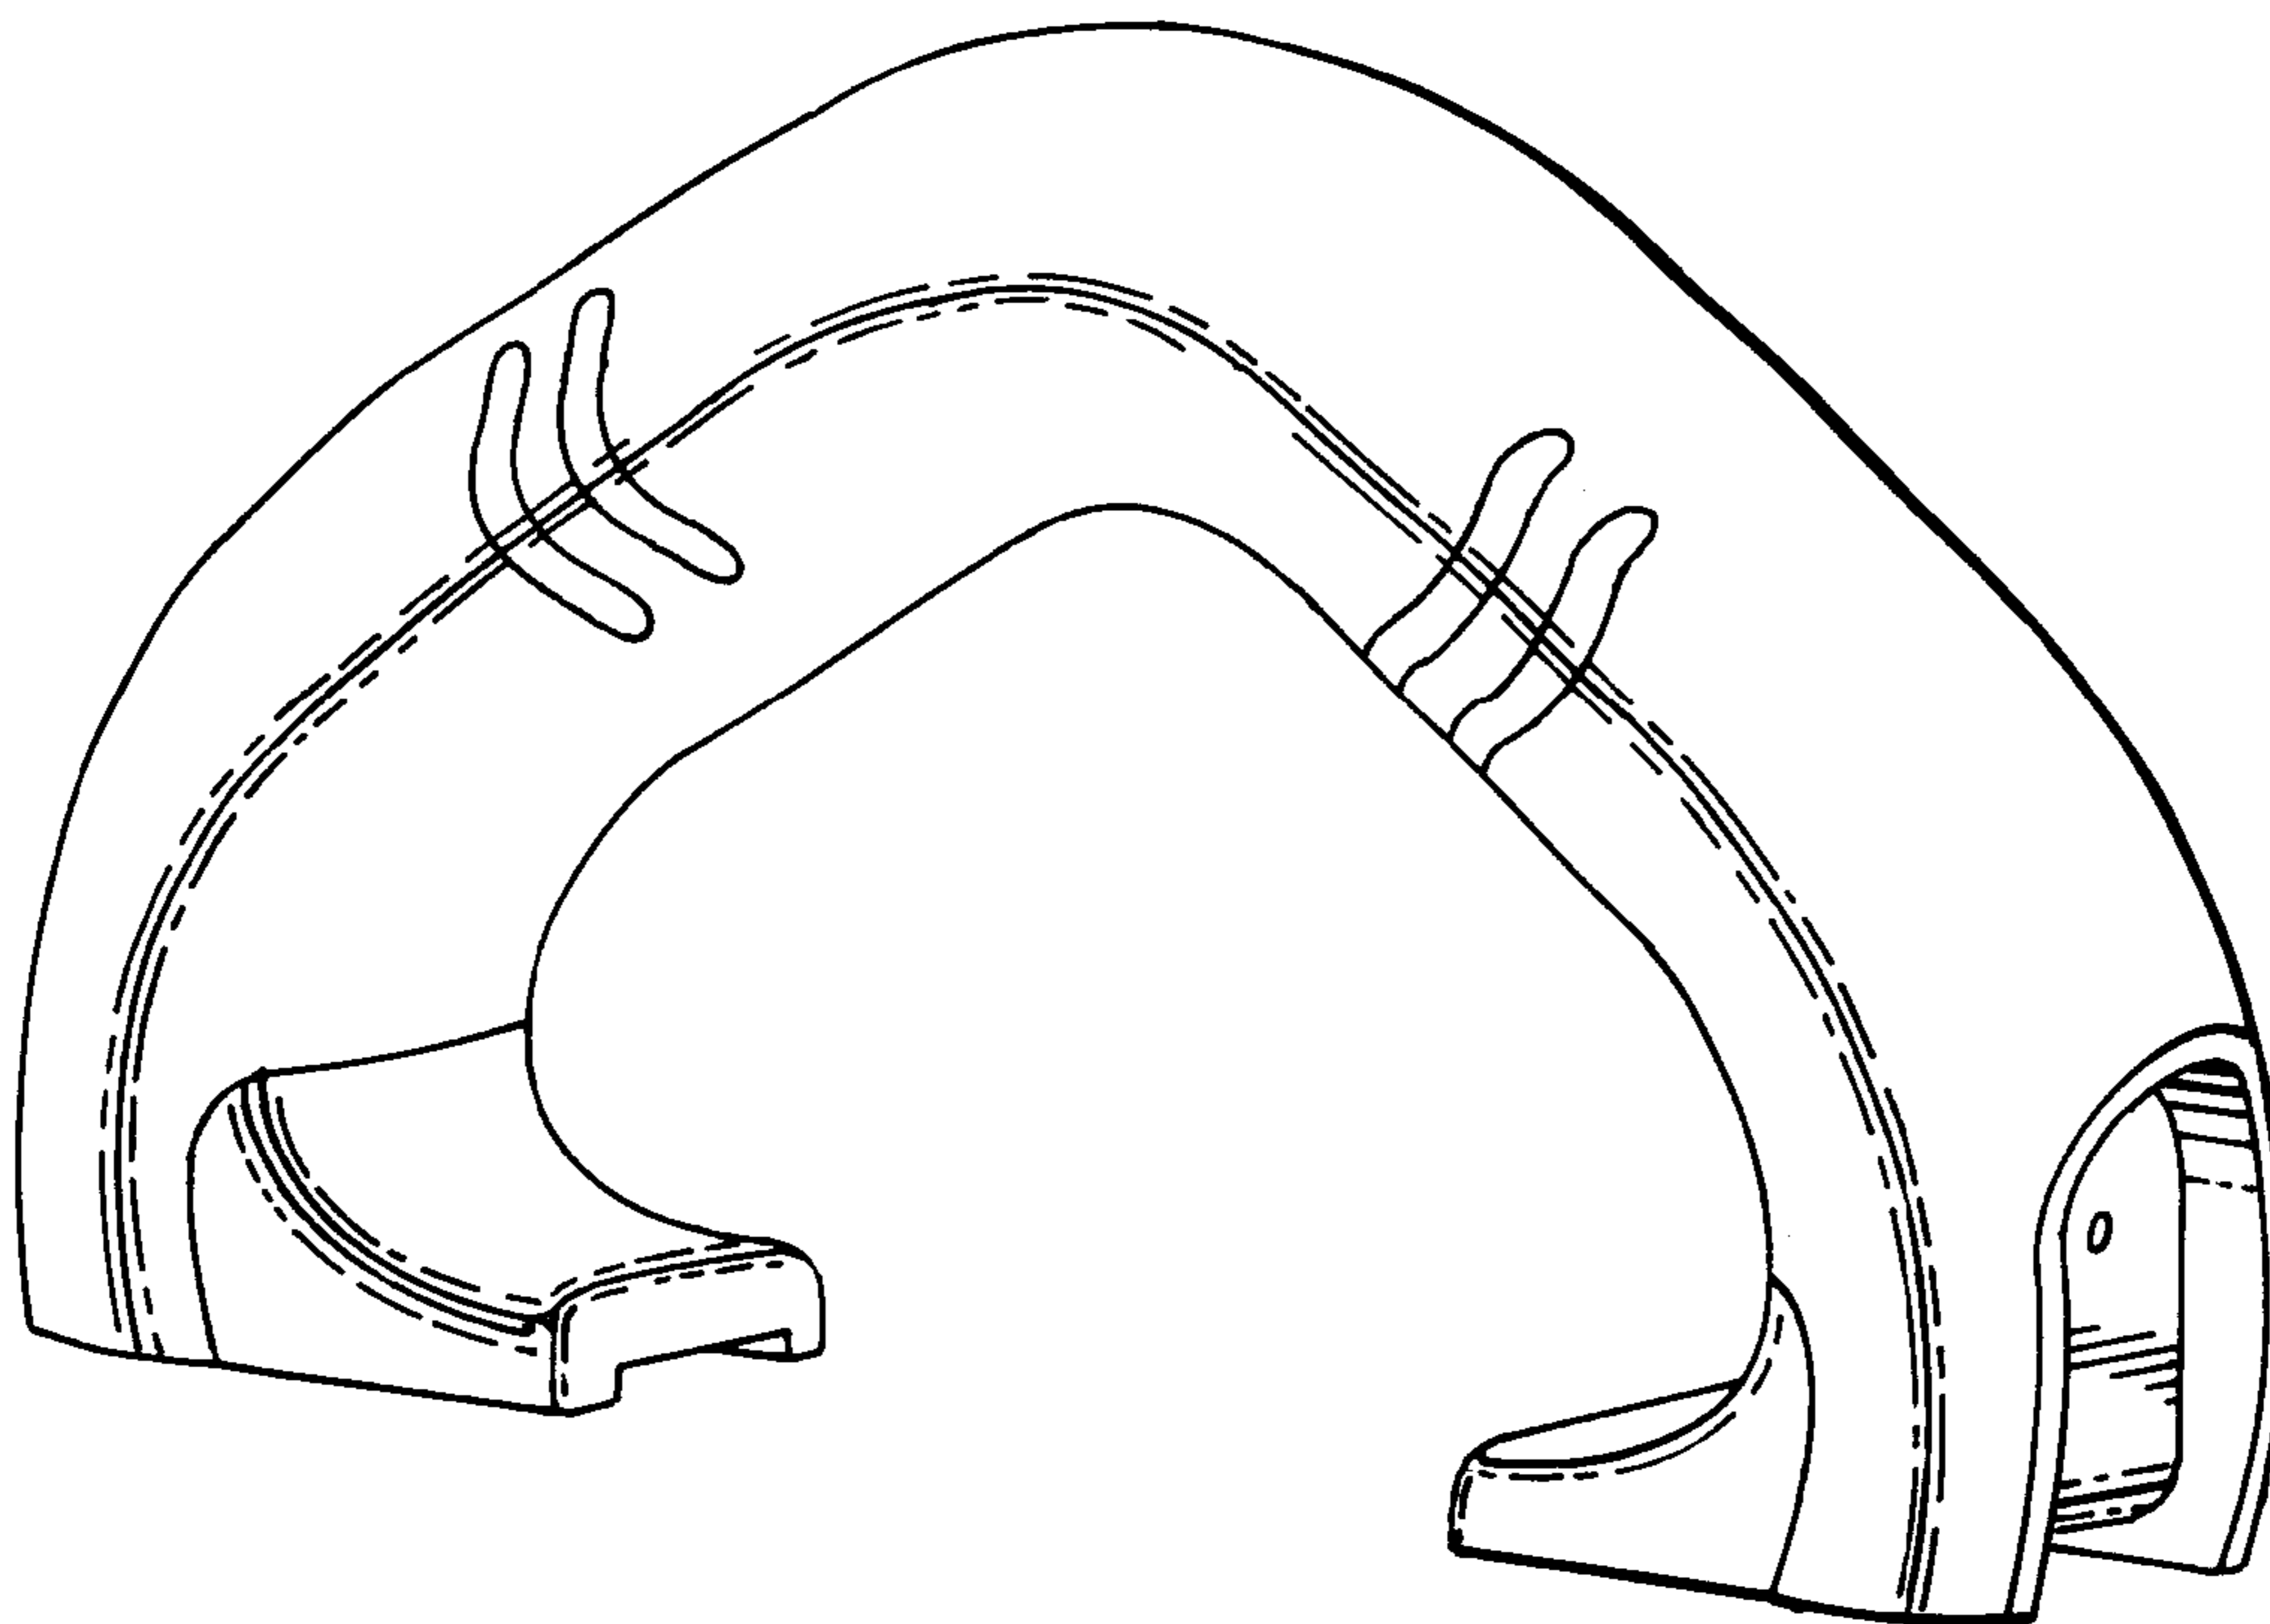

FIG. 2 is a front elevational view of the edger handle; a rear elevational view being a mirror image of the front elevational view;

FIG. 3 is a top plan view of the edger handle;

FIG. 4 is a first side elevational view of the edger handle; a second side elevational view being a mirror image of the first side elevational view; and,

FIG. 5 is a bottom plan view of the edger handle.
