(57) **CLAIM**

The ornamental design for a flexible antenna, as shown and described.

DESCRIPTION

FIG. 1 is a side elevational view of a flexible antenna showing my new design; and, FIG. 2 is a front elevational view thereof in an alternate position of use.

The broken lines provided in the above views are used to indicate environmental structures and features and form no part of the claimed design.

1 Claim, 2 Drawing Sheets

FIG. 1

FIG. 2
