(57) **CLAIM**

The ornamental design for a storage bag for four reels, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the storage bag for four reels, according to the present invention;

FIG. 2 is a side view of the storage bag for four reels, according to the present invention;

FIG. 3 is a second side view of the storage bag for four reels, according to the present invention;

FIG. 4 is an end view of the storage bag for four reels, according to the present invention;

FIG. 5 is a second end view of the storage bag for four reels, according to the present invention;

FIG. 6 is a top view of the storage bag for four reels, according to the present invention;

FIG. 7 is a bottom view of the storage bag for four reels, according to the present invention;

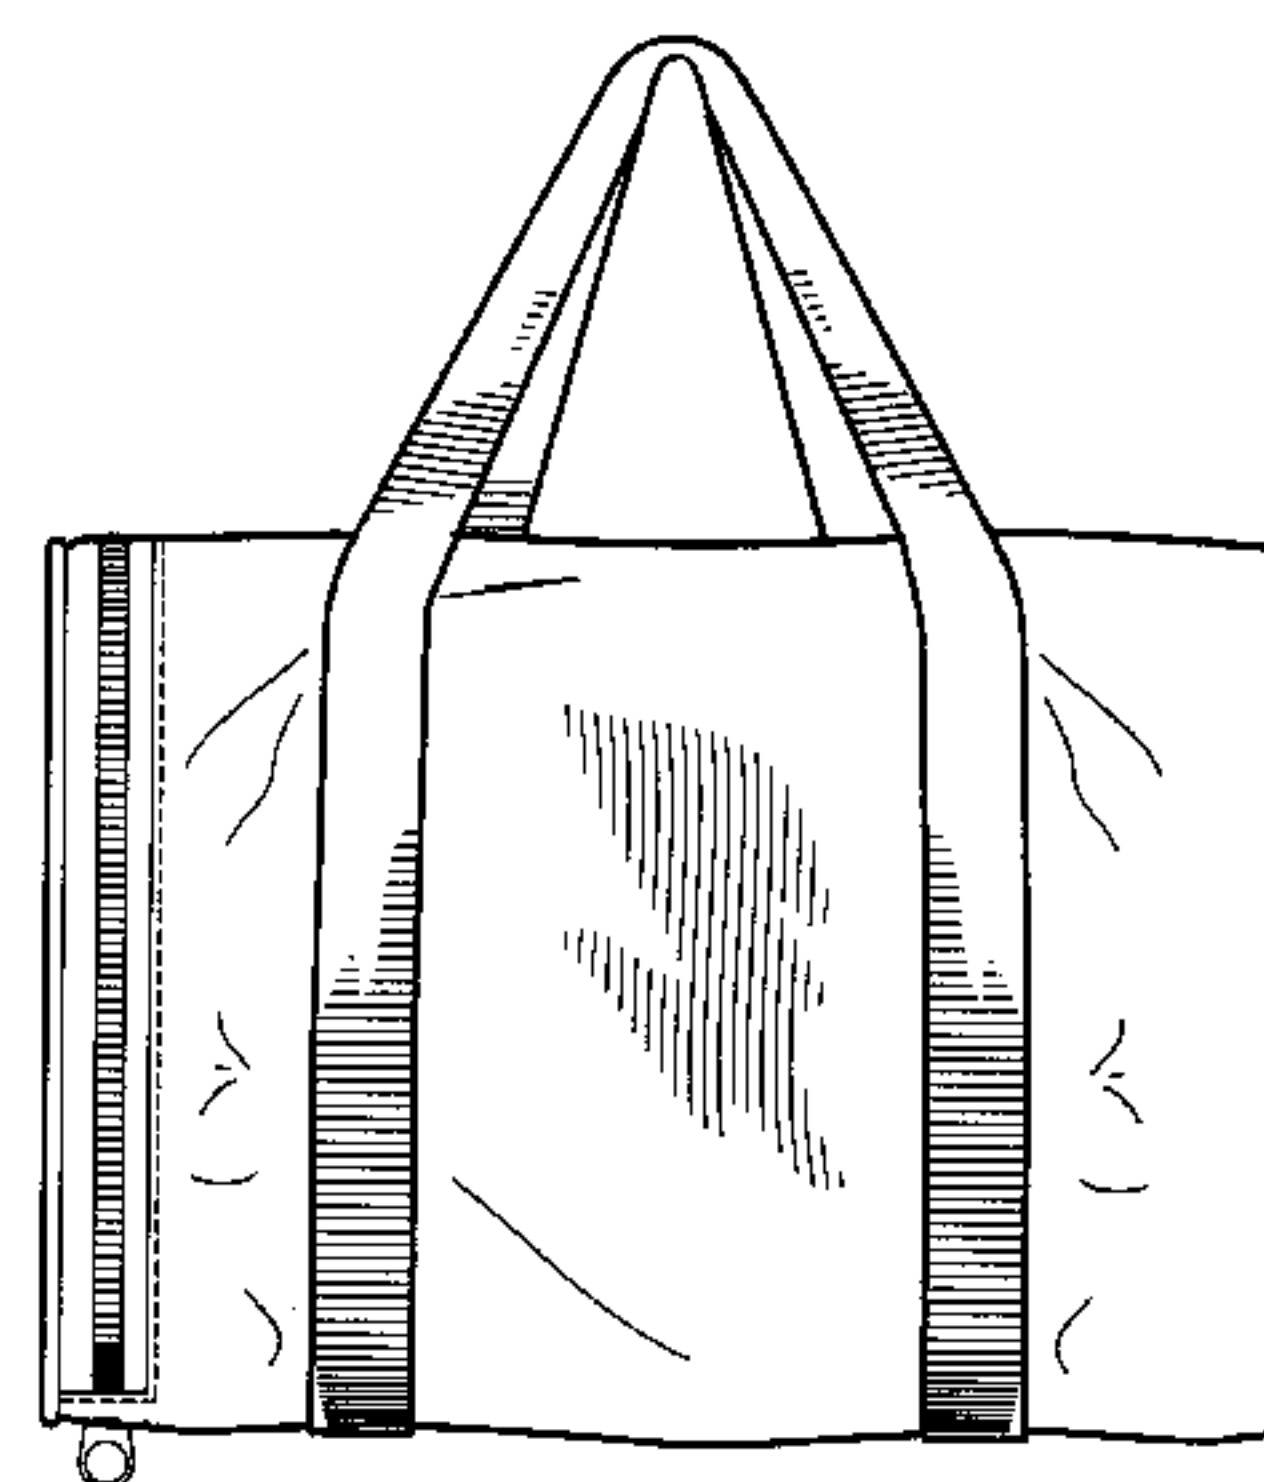

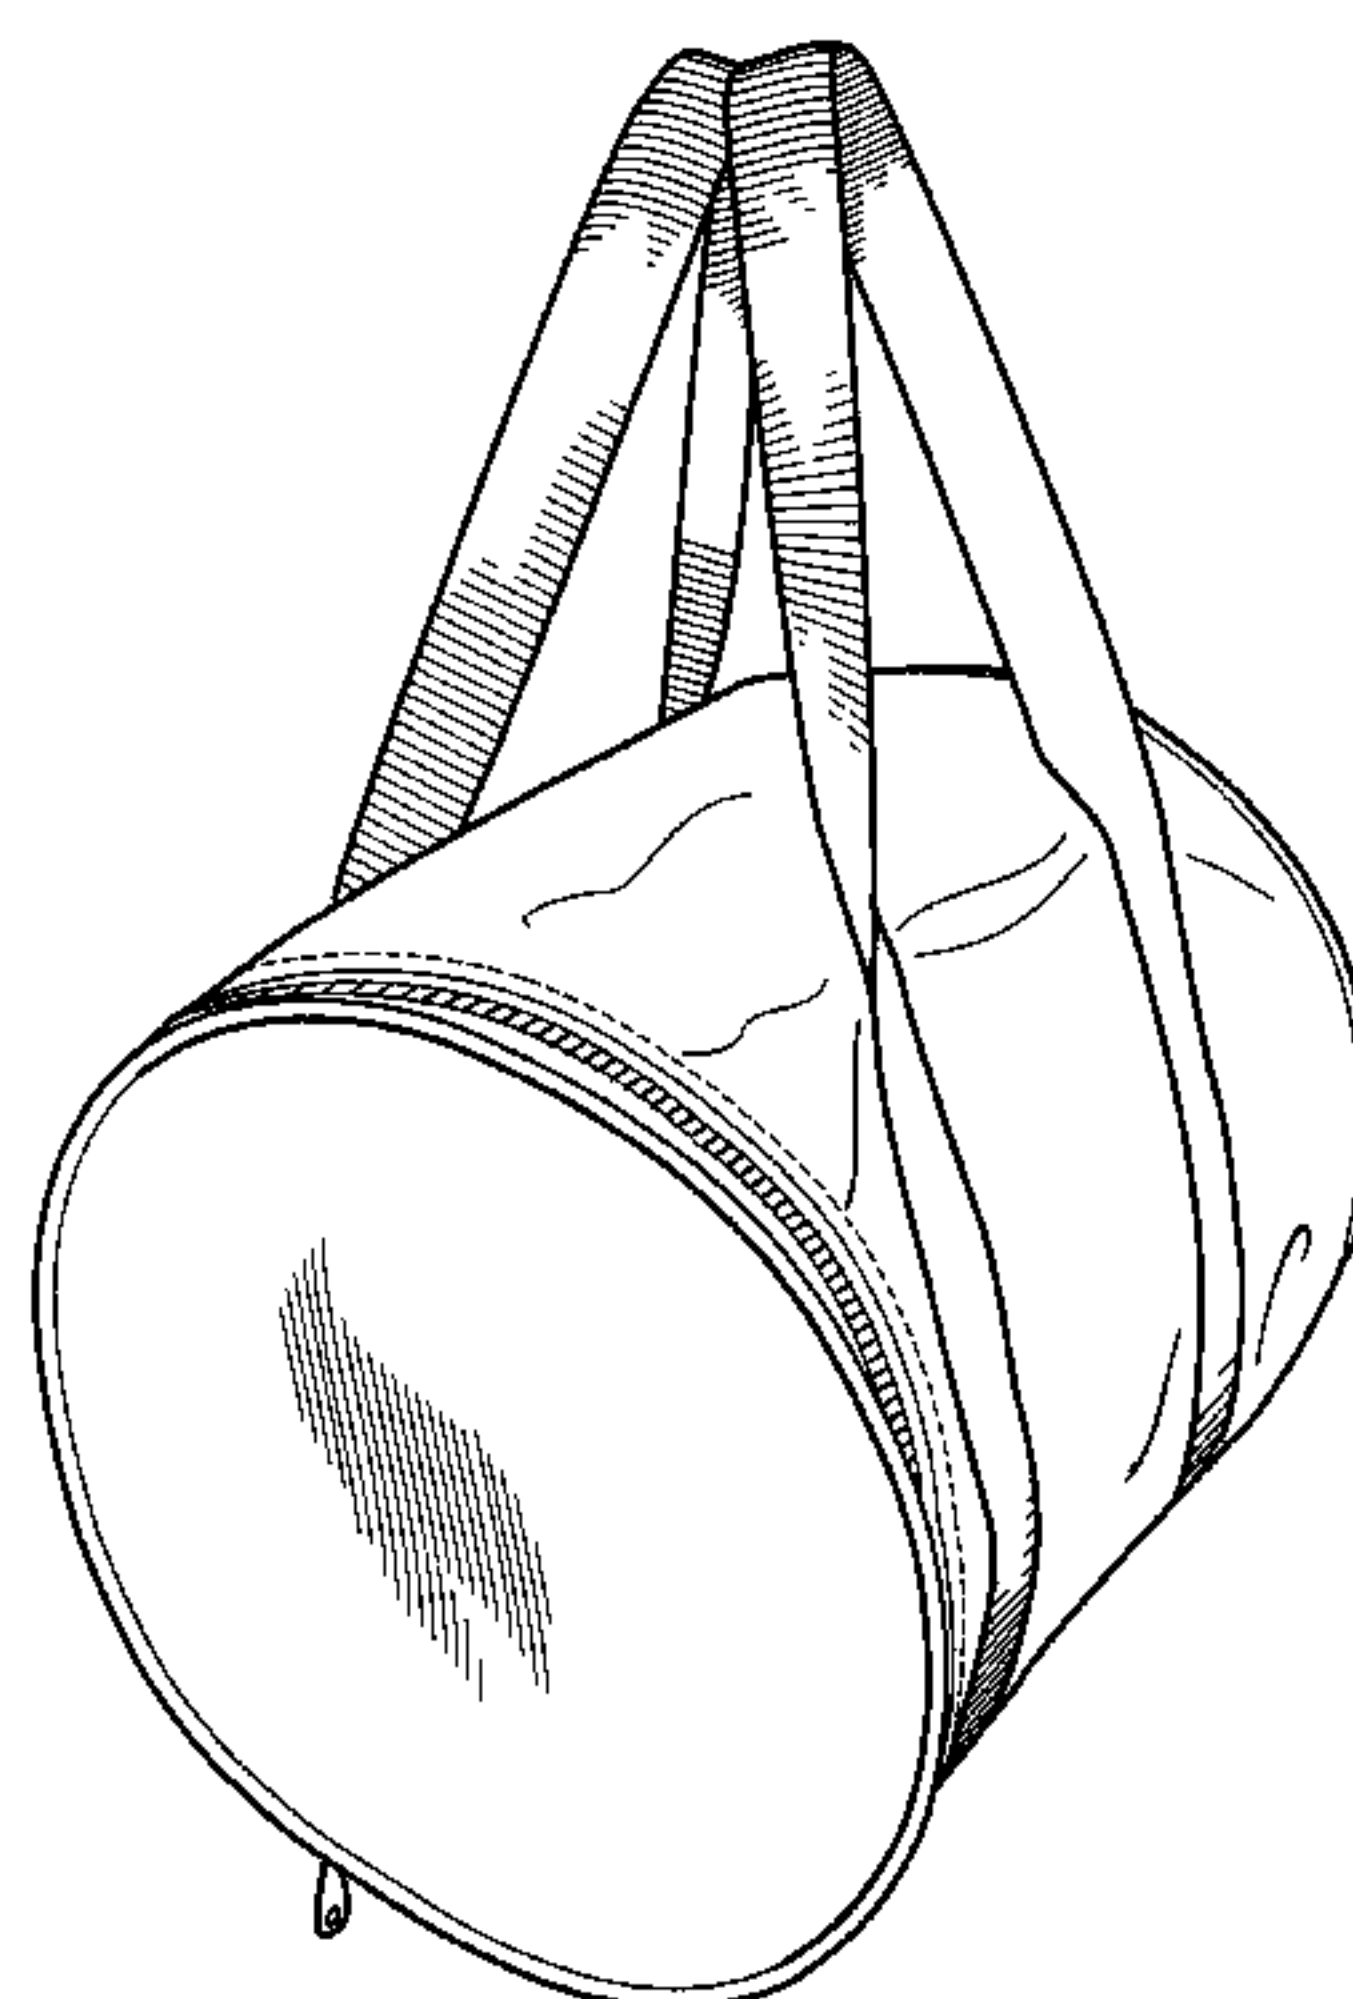

FIG. 8 is a partial cutaway view of the storage bag for four reels, according to the present invention, illustrating the placement of the storage reels within the bag;

FIG. 9 is a partial cutaway side view of the storage bag for four reels, according to the present invention, illustrating the placement of the storage reels within the bag; and,

FIG. 10 is a partial cutaway side view of the storage bag for four reels, according to the present invention, illustrating the placement of the storage reels within the bag.

The broken line showing reels interior to the bag are for illustrative purposes only and forms no part of the claimed design. Broken lines located on the exterior of the bag illustrate top-stitching.
