(57) **CLAIM**

The ornamental design for a picture frame assembly with central mirror holder, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a picture frame assembly with central mirror holder showing my new design;

FIG. 2 is a right side view thereof;

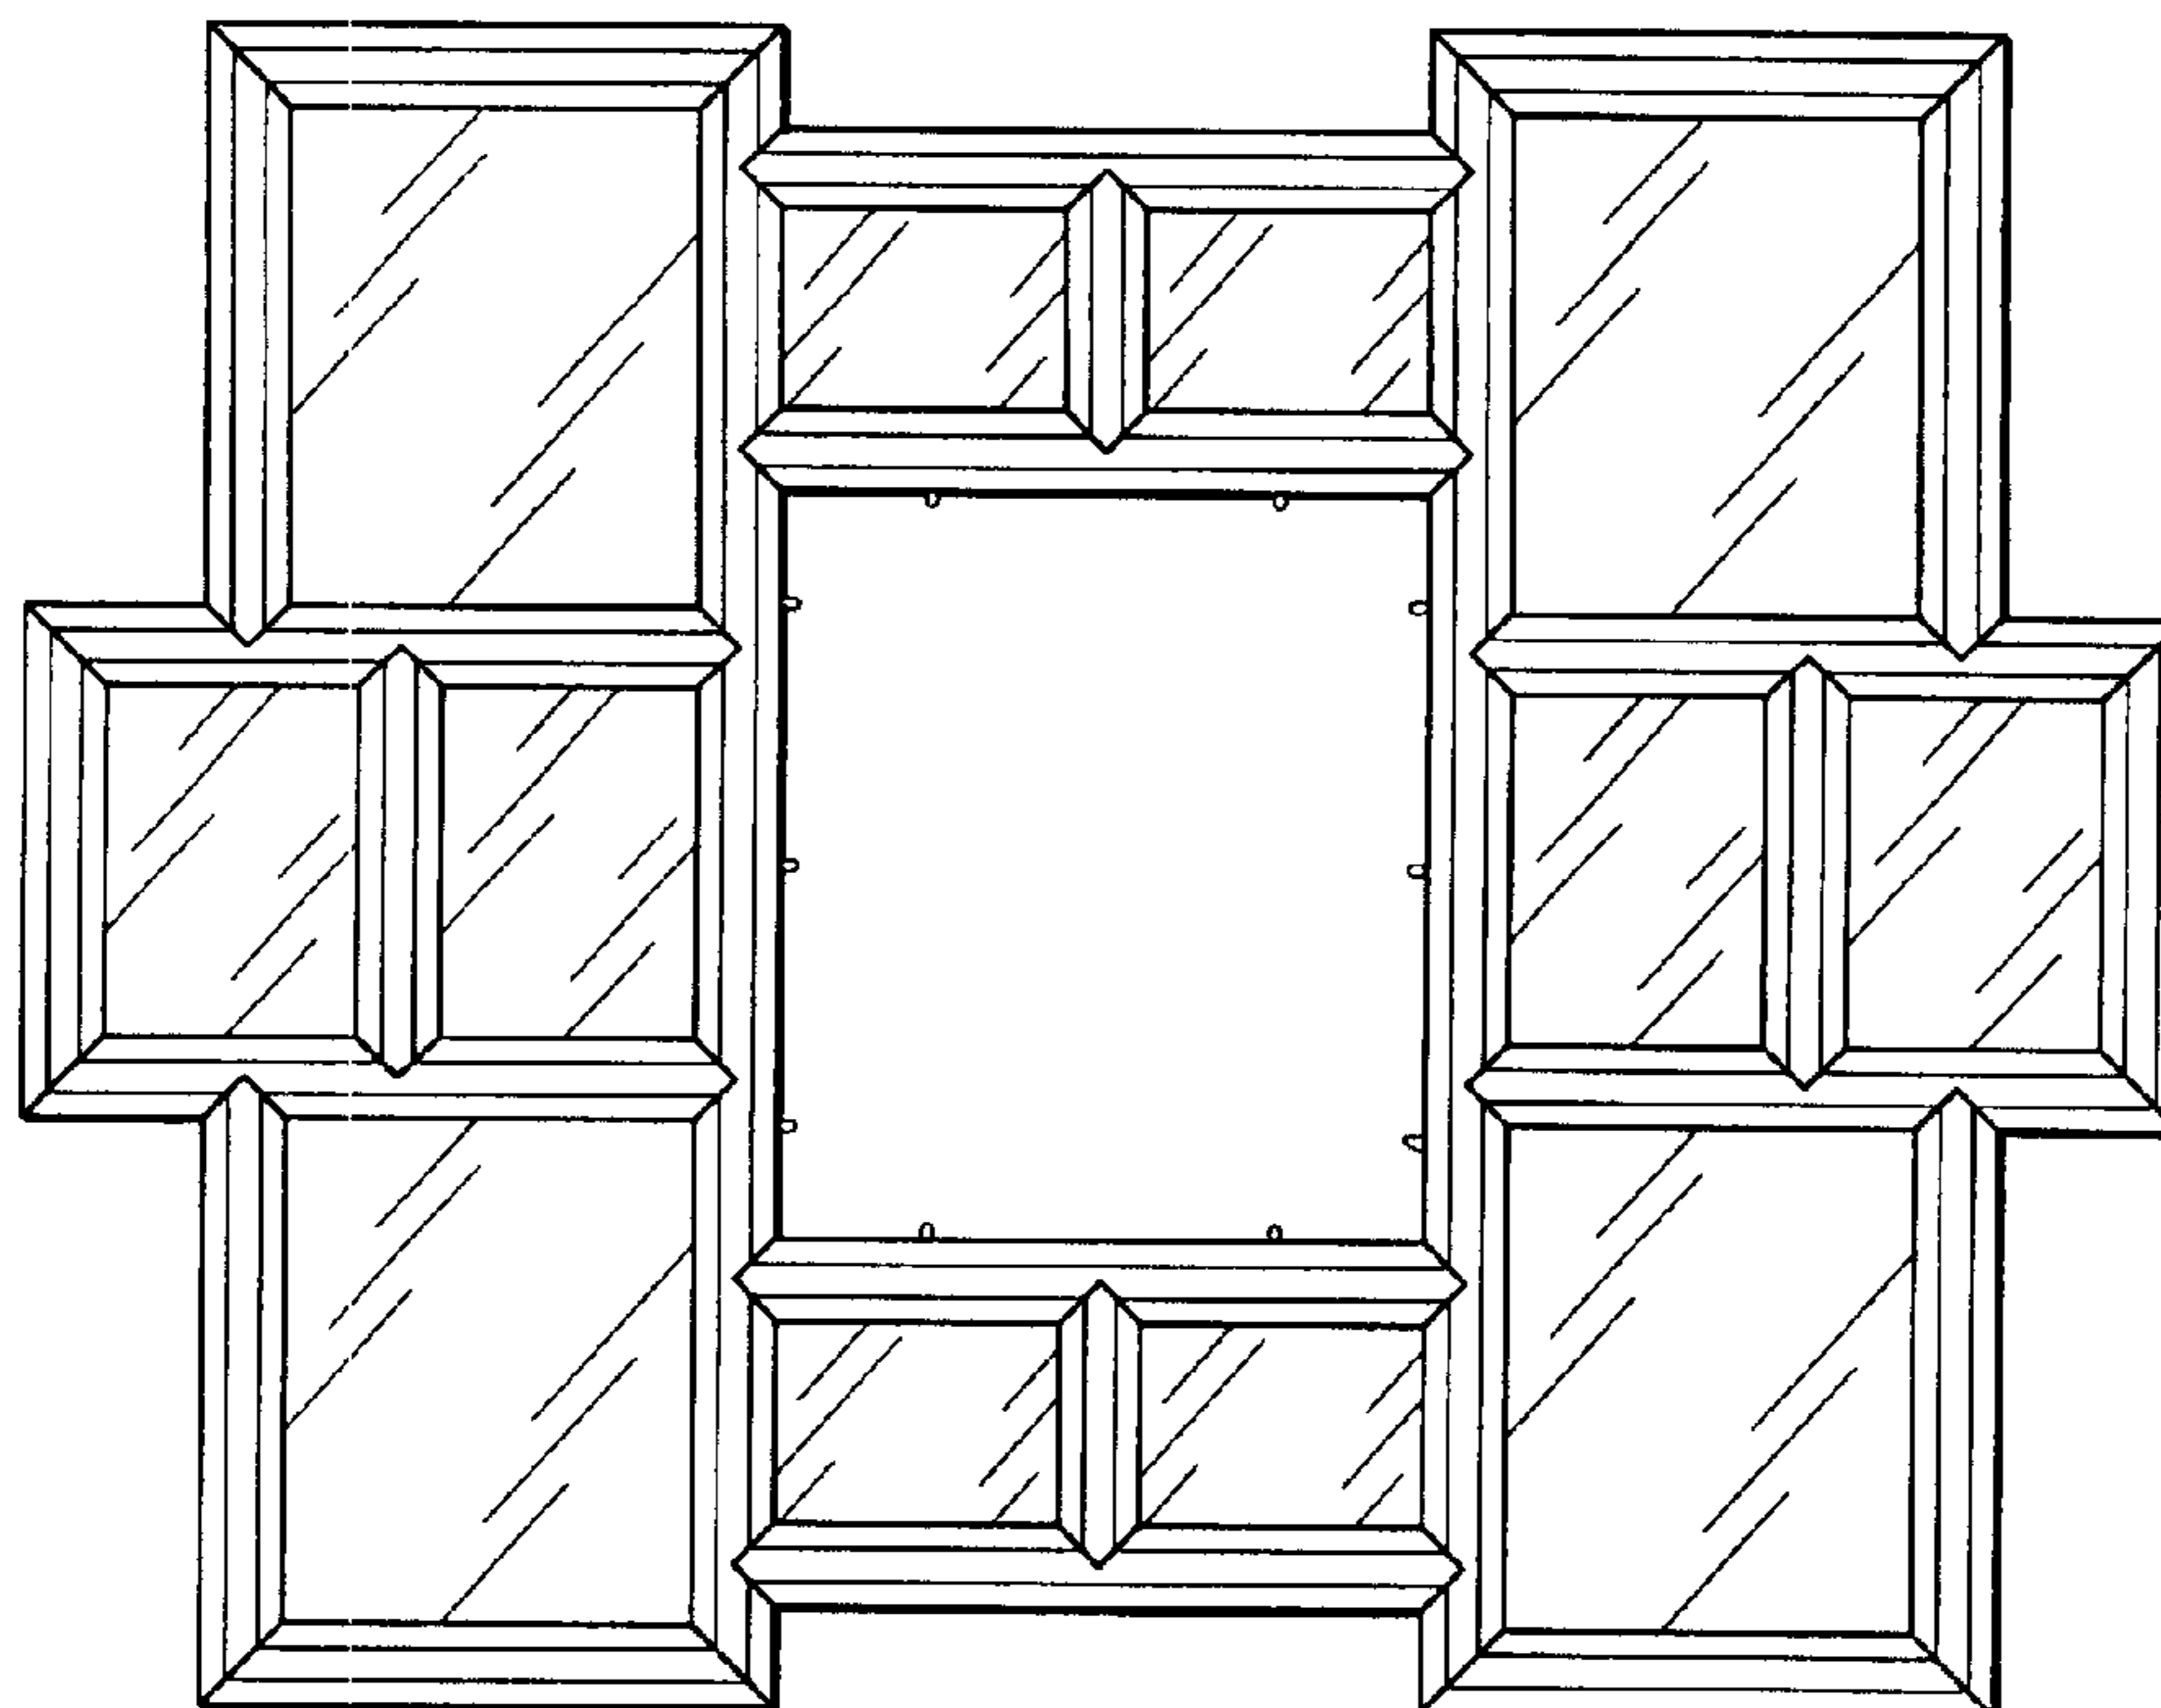

FIG. 3 is a rear view thereof; and,

FIG. 4 is a top view thereof.

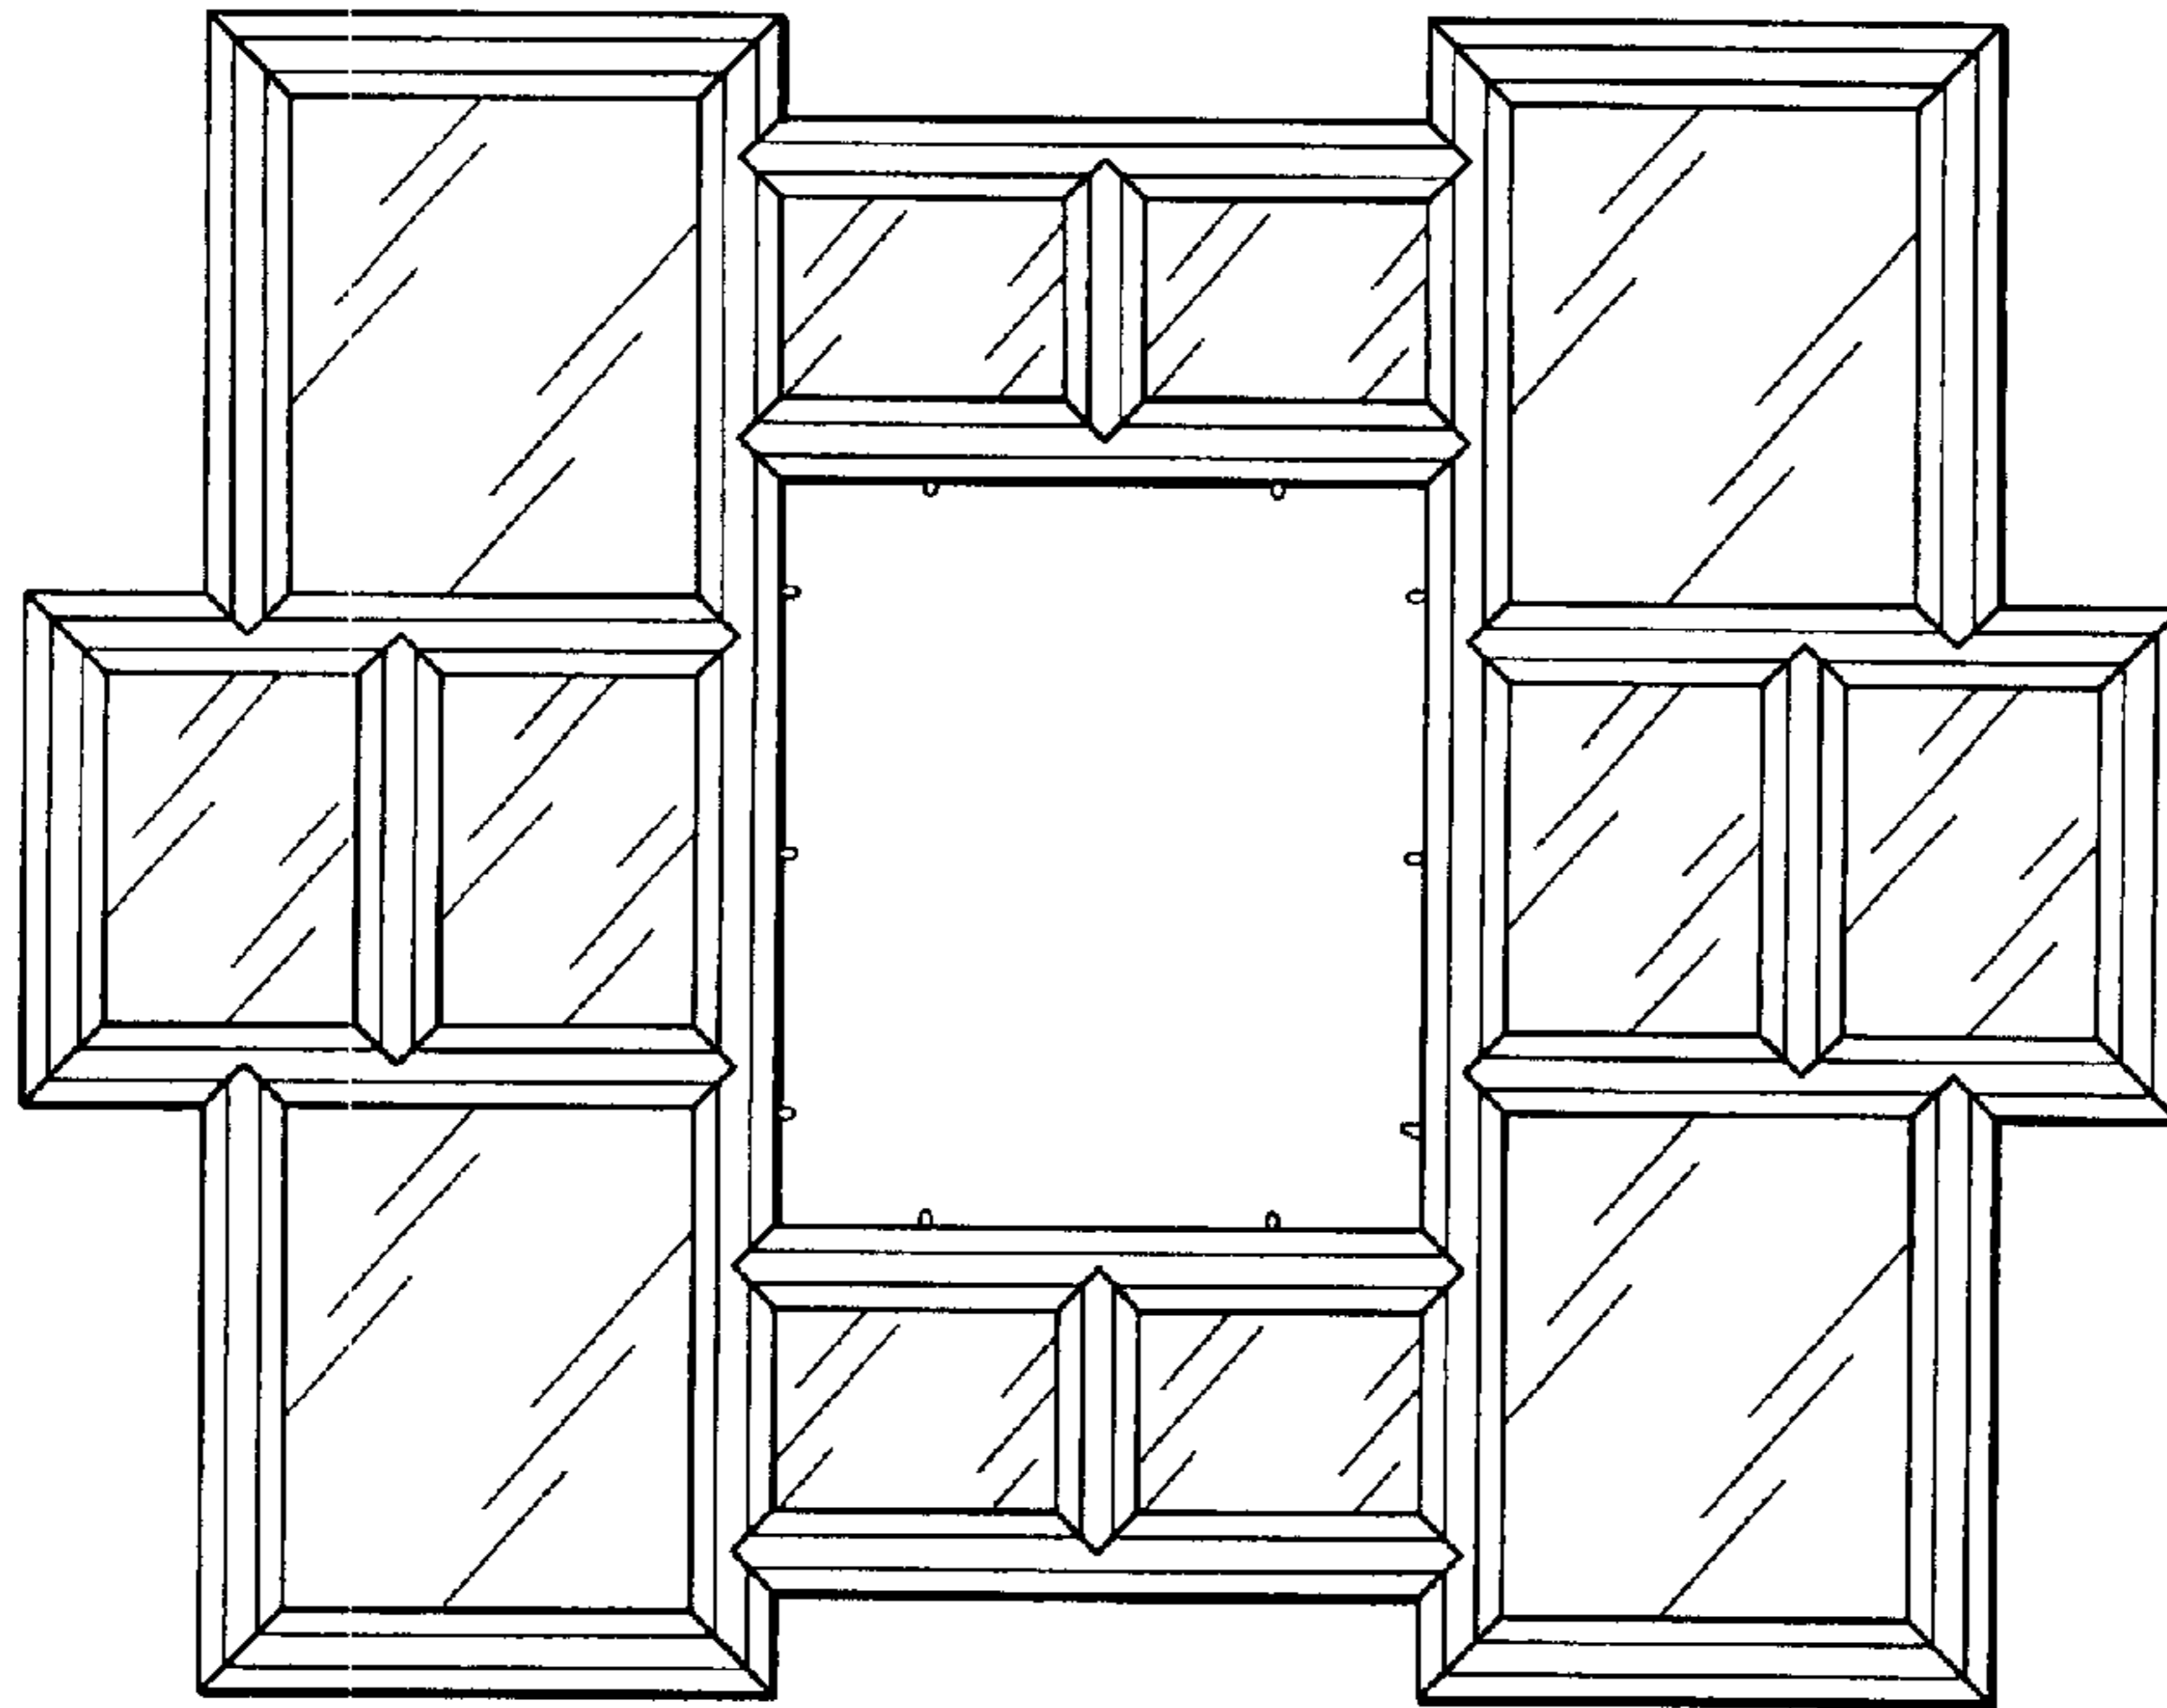

The left side view is a mirror image of the right side view and the bottom view is a mirror image of the top view.

The broken lines are for illustrative purposes only and form no part of the claimed design.
