(57) **CLAIM**

The ornamental design for a showerhead, as shown and described.

**DESCRIPTION**

In a preferred embodiment, the nature of this product is as a showerhead primarily useful for delivering a water spray from a water supply.

FIG. 1 is a right, top, front perspective view of a showerhead embodying our new design;

FIG. 2 is a front elevational view thereof;

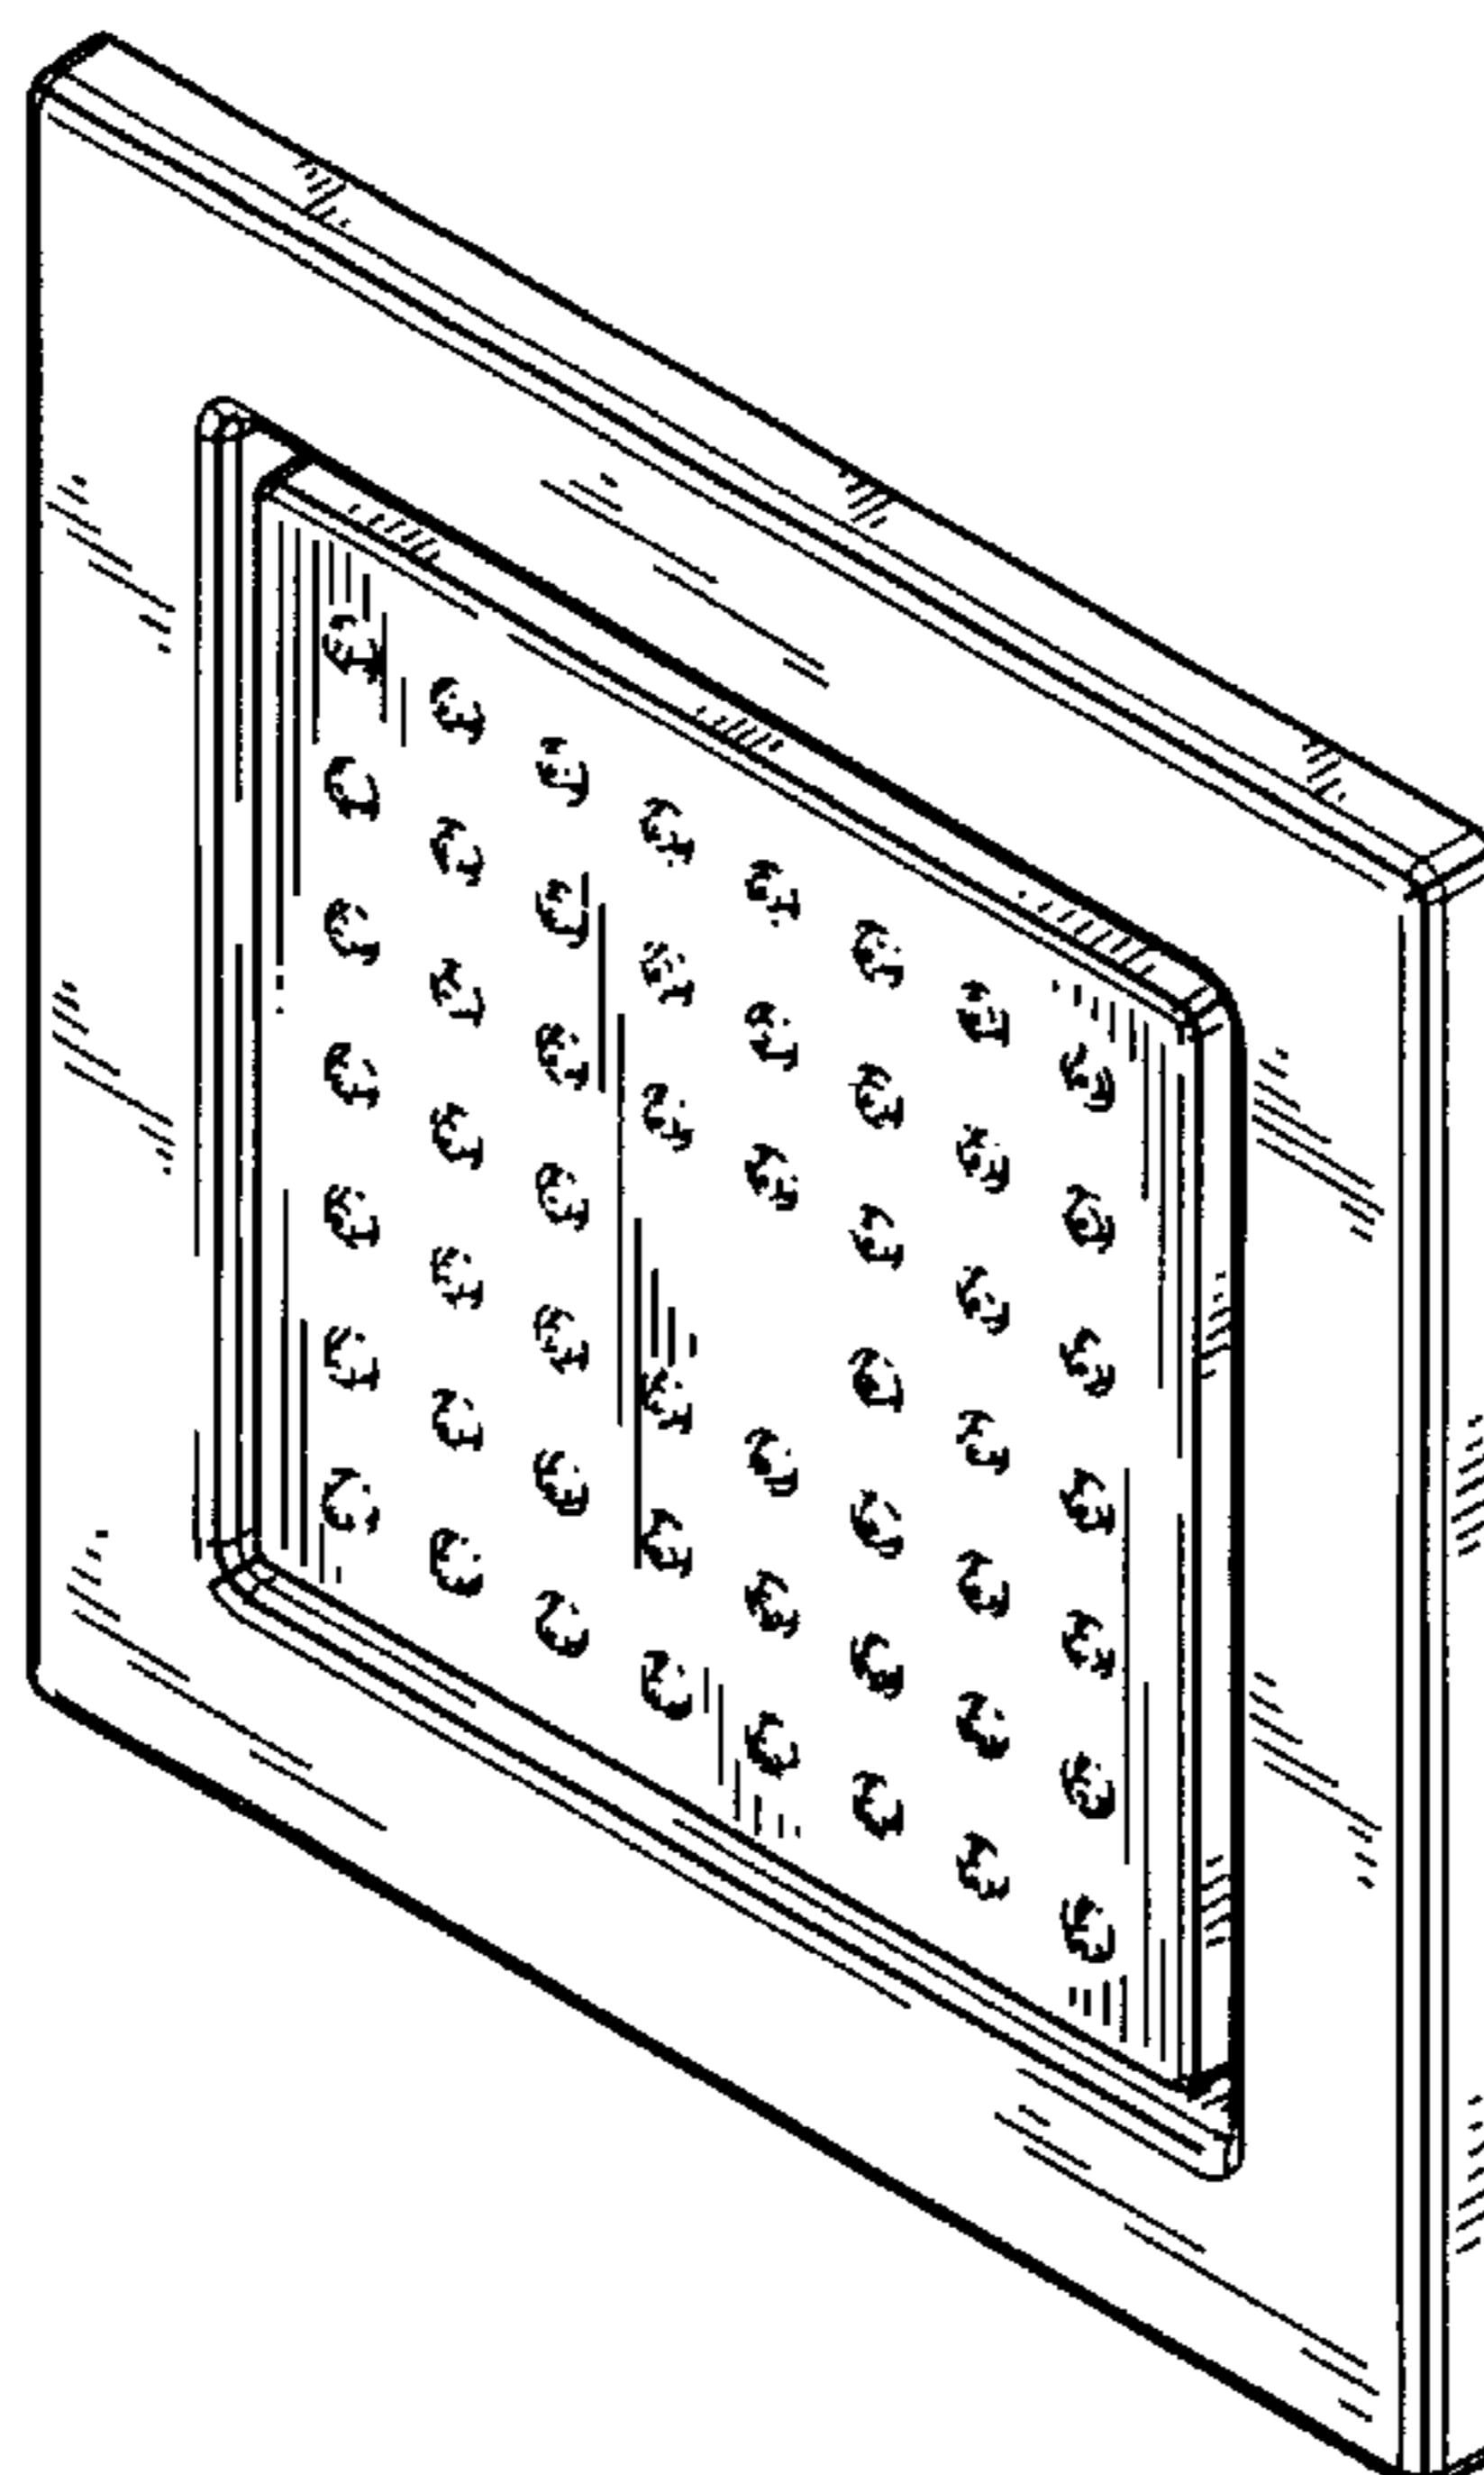

FIG. 3 is a top plan view thereof, the bottom plan view thereof being a mirror image of the top plan shown;

FIG. 4 is a right side elevational view thereof, the left side elevational view thereof being a mirror image of the right side shown; and,

FIG. 5 is a rear elevational view thereof.

The broken line representations of nozzle environment in FIGS. 1-4, and of rear structure in FIG. 5, are for the purpose of illustration only, and form no part of the claimed design.
