(57) **CLAIM**

The ornamental design for a vehicle-to-trailer coiled electrical-cable, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a vehicle-to-trailer coiled electrical-cable in use condition, showing our new design. The broken line showing of the environment is for illustrative purposes only and forms no part of the claimed design; FIG. 2 is a top plan view thereof in an enlarged scale, showing the plug in one end and the receptacle on the other end, and in a coiled-retracted configuration; FIG. 3 is a front elevation view of the plug portion, in an enlarged scale; and, FIG. 4 is a front elevation view of the receptacle portion, in an enlarged scale.
