(57) **CLAIM**

The ornamental design for a lawn mower tire, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a lawn mower tire showing the new design;

FIG. 2 is an enlarged perspective view thereof, it being understood that a tread pattern of the tire repeats uniformly throughout the circumference of the tire;

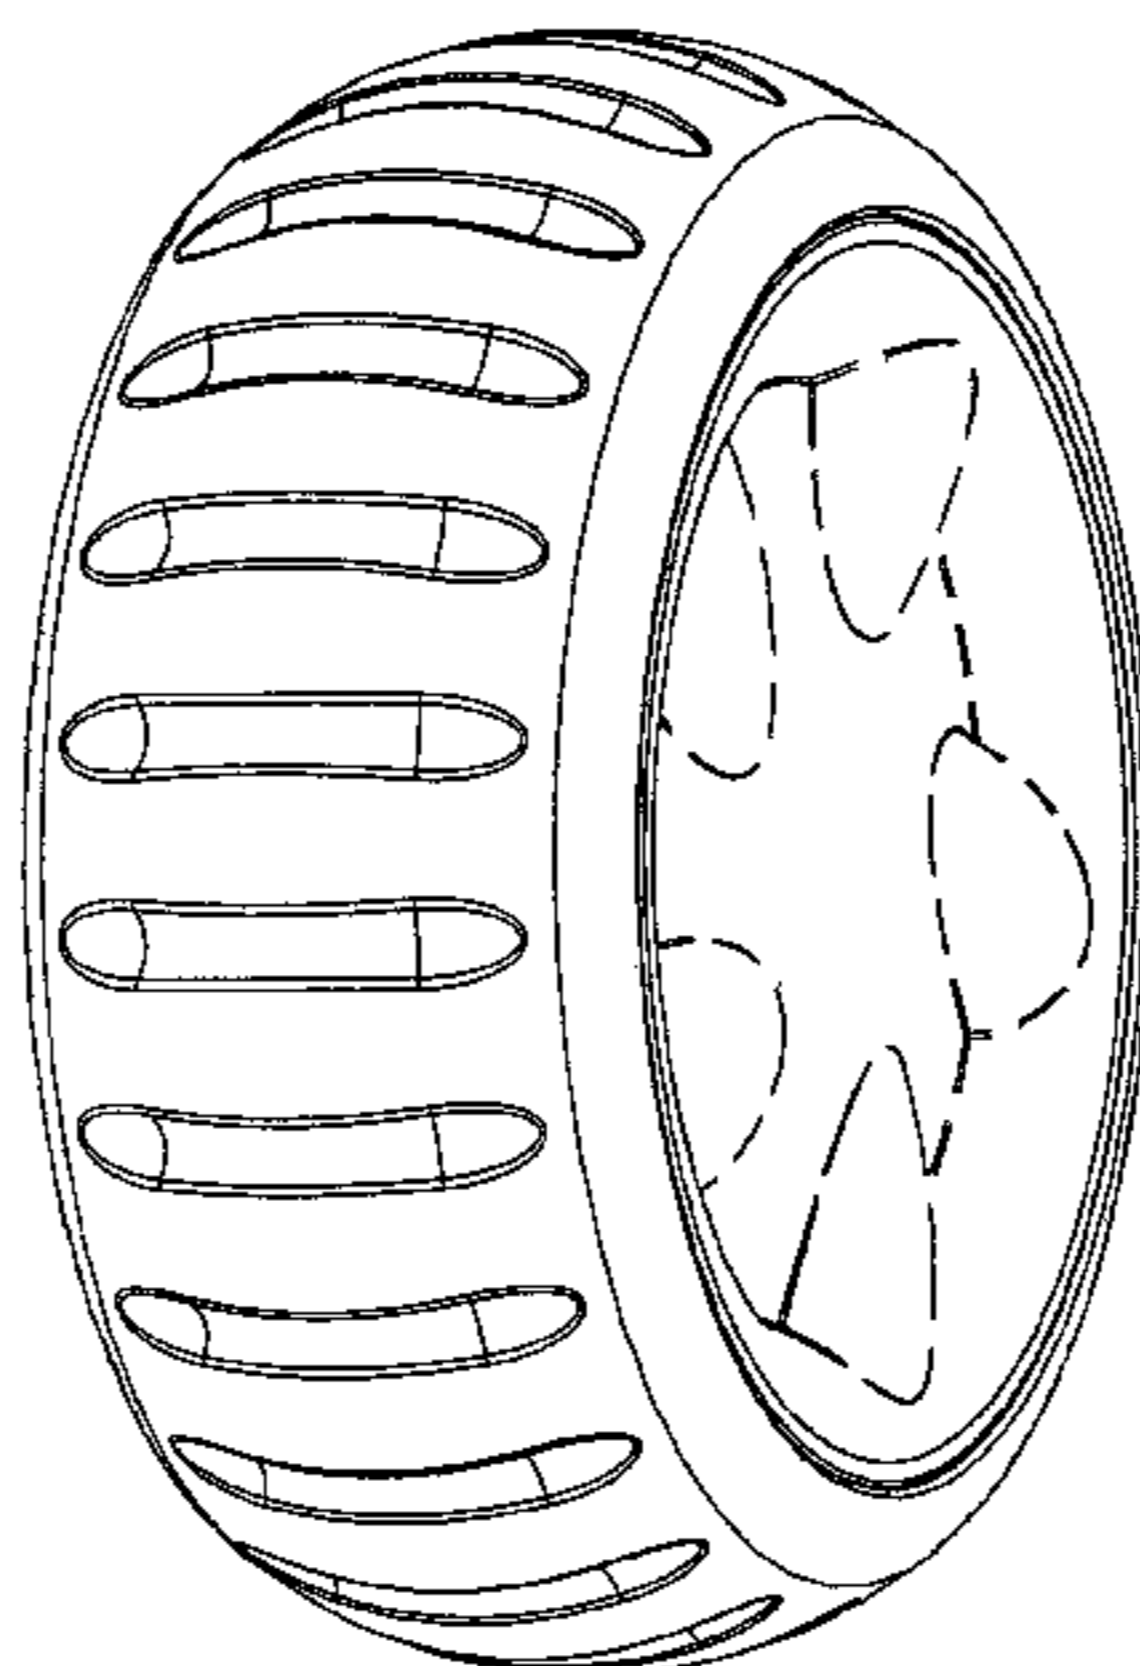

FIG. 3 is a front elevational view thereof;

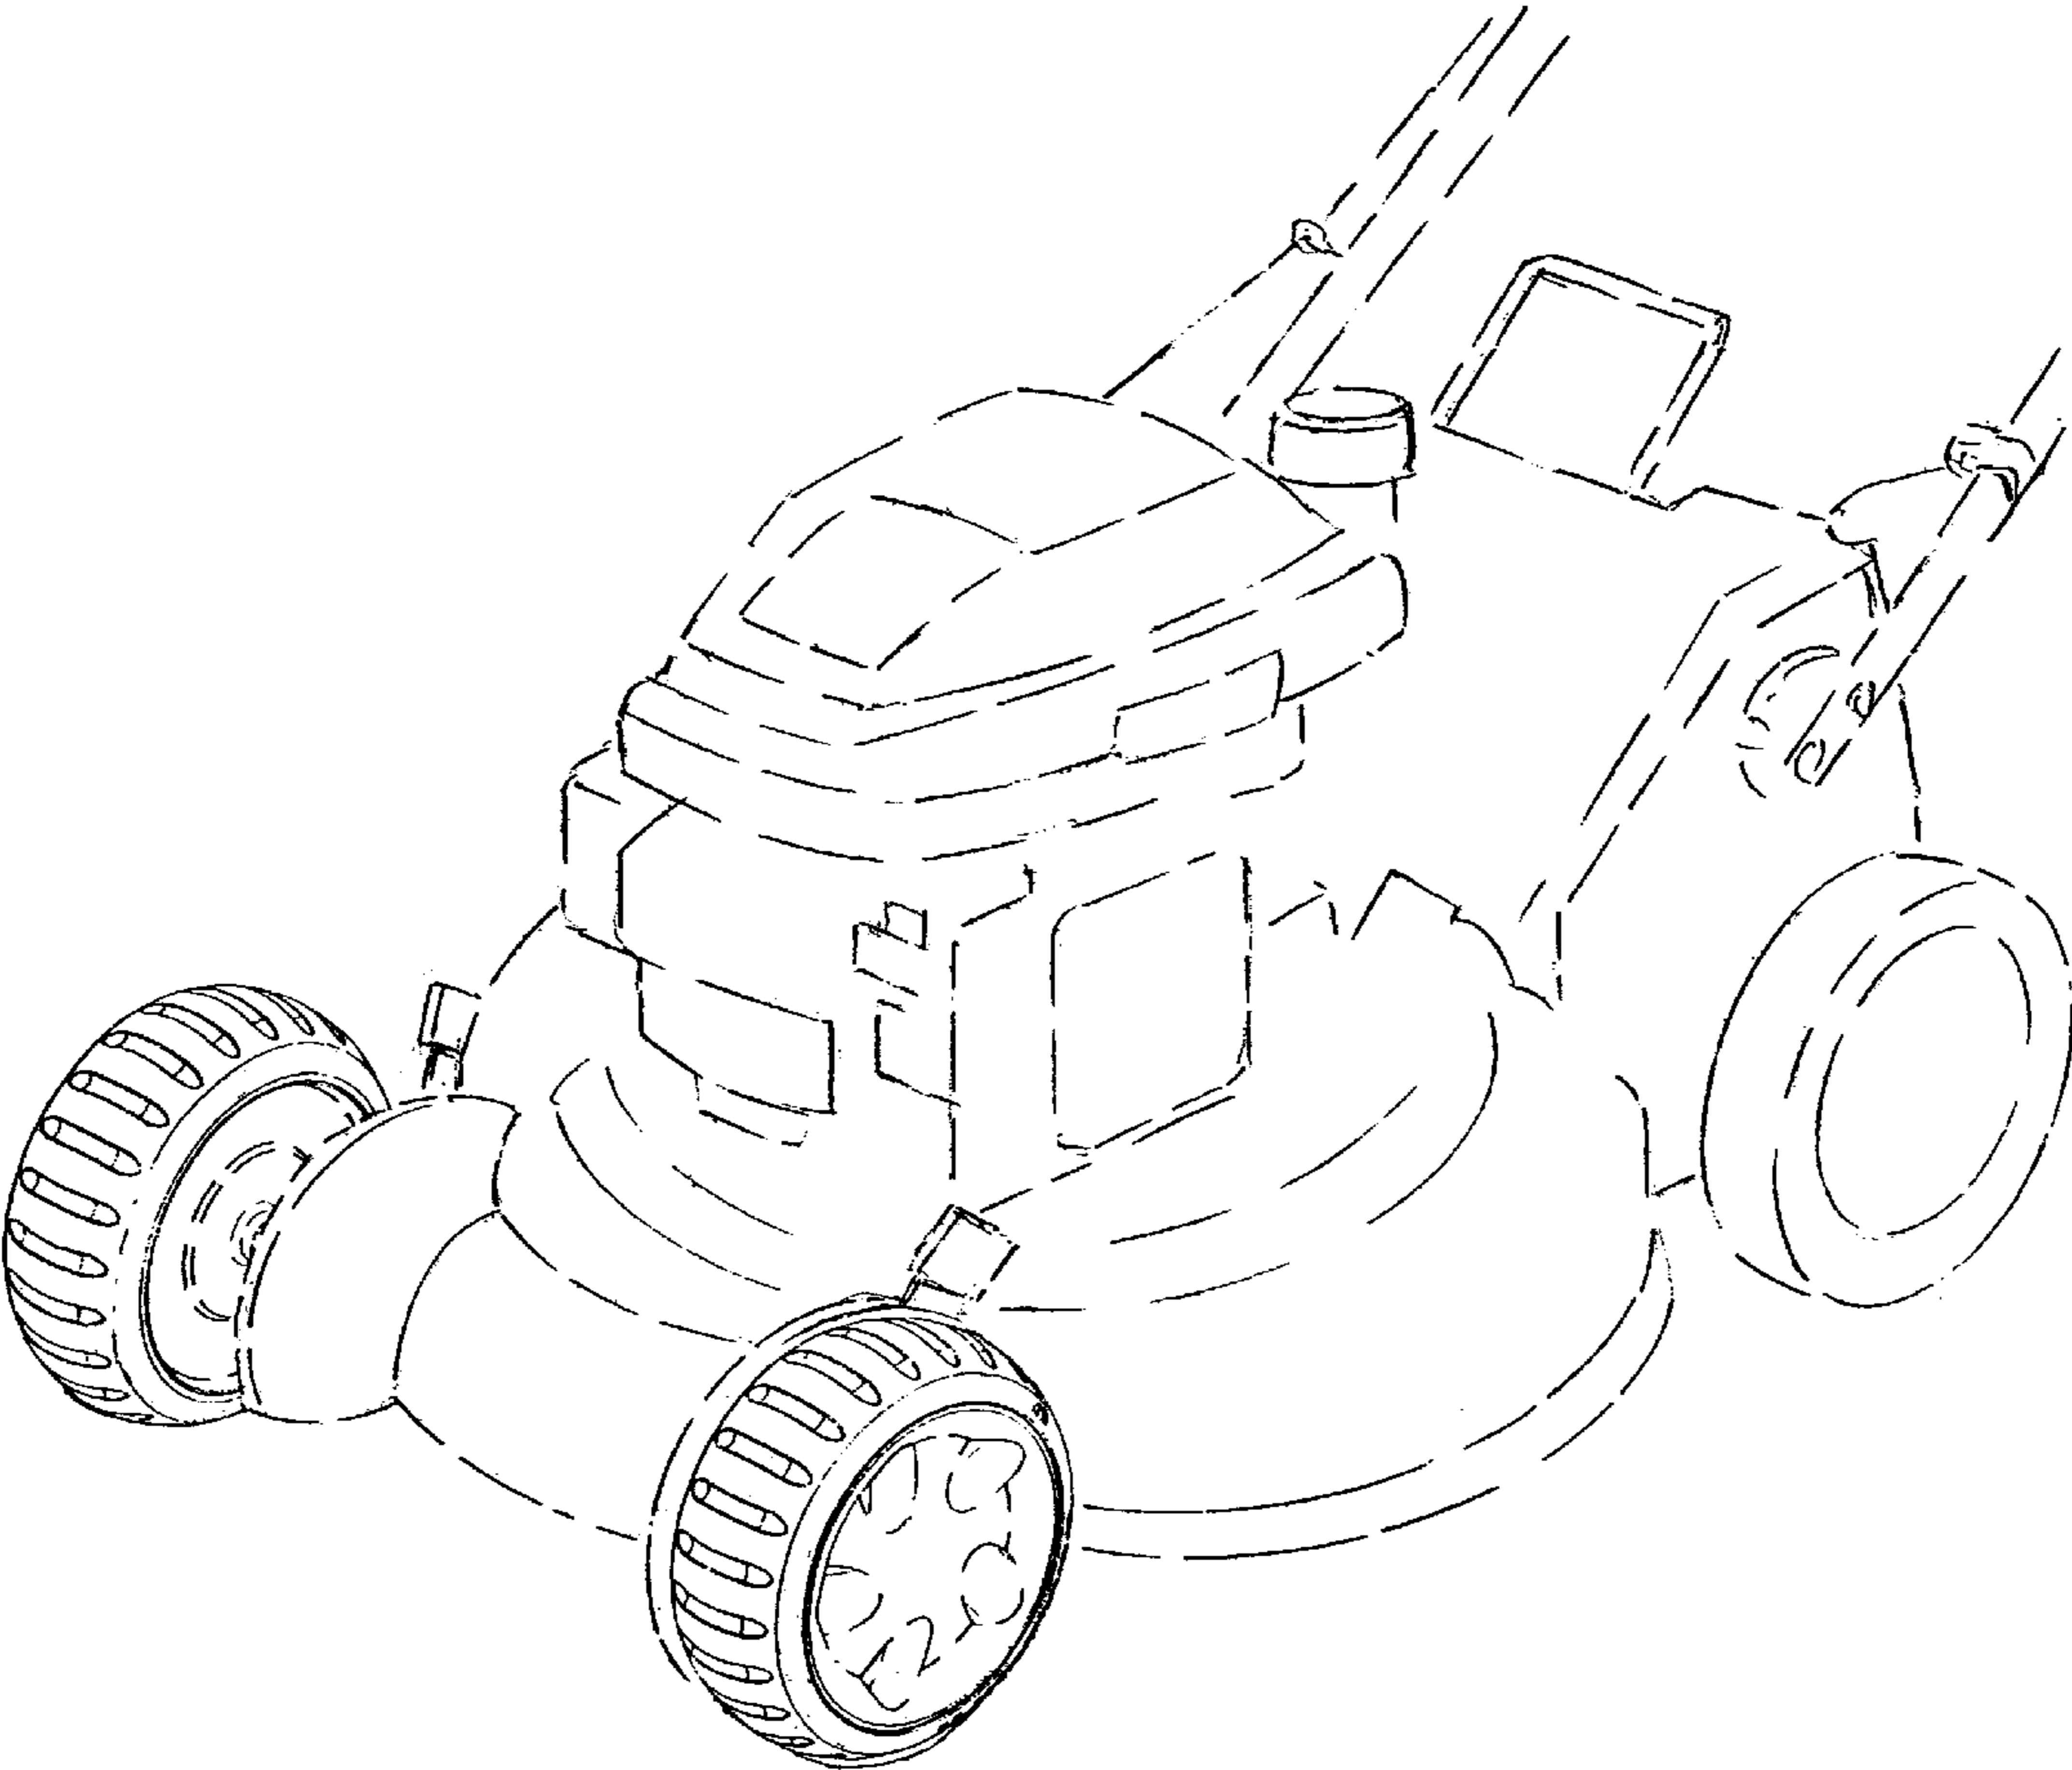

FIG. 4 is a left side elevational view thereof, wherein a top plan view and a bottom plan view appear the same as the left side elevational view, and a right side elevational view is a mirror image of the left side elevational view; and,

FIG. 5 is a rear elevational view thereof.

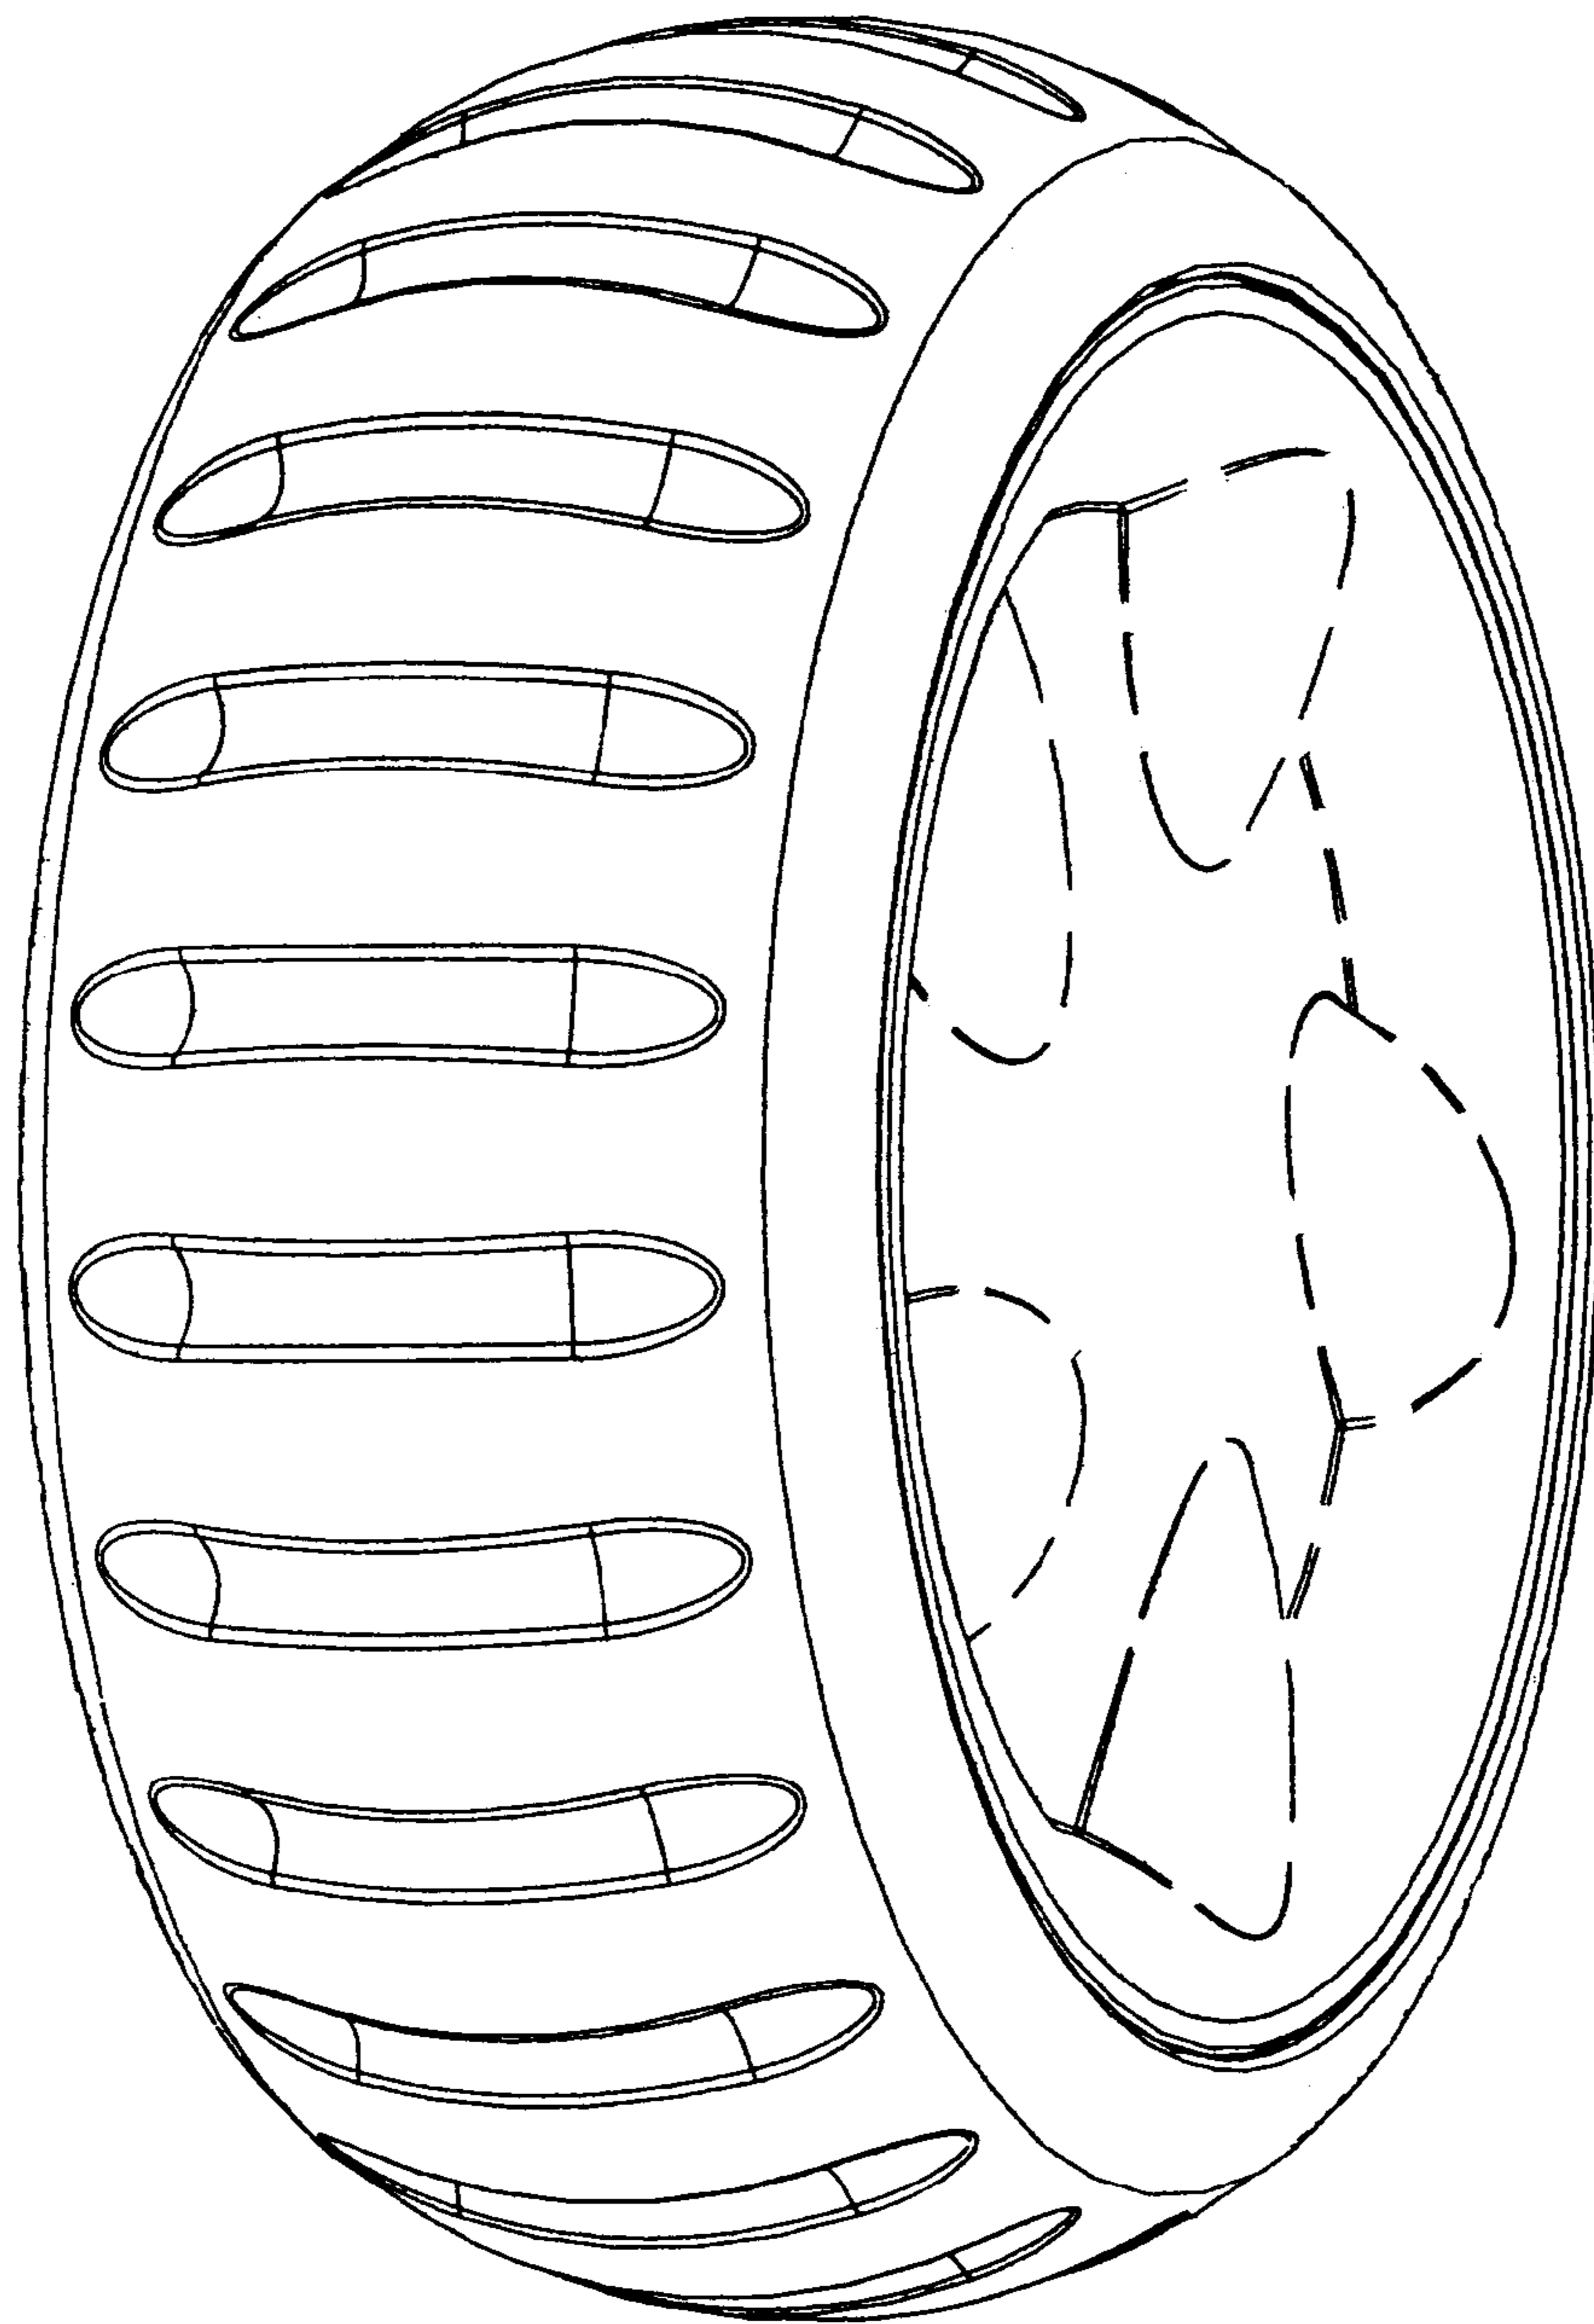

The features shown in broken lines in the figures are for illustrative purposes only and form no part of the claimed design.
