(57) **CLAIM**

The ornamental design for a decorative holder for self-assembling paper inserts—table tent, as shown and described.

**DESCRIPTION**

The article is intended to be used as a free-standing sign for retail advertising, promotion, and/or sales purposes.

Holder bottom is flat and unornamented.

The decorative holder of self-assembling paper inserts—table tent is designed to be a freestanding, marketing, sales and promotional tool to provide point-of-sale advertising messaging in a variety of situations. The holder's self-assembling inserts allow users up to four separate message areas on the two sides of the holder on which messages can be observed.
