See application file for complete search history.

DESCRIPTION

FIG. 1. is a top plan view of a conduit support bracket
showing my new design, the bottom plan view being a
mirror image; and,
FIG. 2. is a front elevational view thereof, it being under-
stood that the rear elevational view and side elevational
views are the same.
The broken lines shown in FIG. 1 are for illustrative
purposes only and form no part of the claimed design.
