(57) **CLAIM**

The ornamental design for a disposable cover for a blood pressure cuff, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a disposable cover for a blood pressure cuff showing my new design; FIG. 2 is a rear elevational view thereof; FIG. 3 is a right side elevational view thereof; FIG. 4 is a left side elevational view thereof; FIG. 5 is a top plan view thereof; and, FIG. 6 is a bottom plan view thereof.

The broken line on the surface of FIG. 1 and on the corresponding portion of FIG. 2 represents top-stitching. The remaining broken line showing in FIG. 2 illustrates environmental blood-pressure tubing and forms no part of the claimed design.
