The ornamental design for a portion of a display panel, as shown and described.

DESCRIPTION

The patent or patent application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a portion of a display panel showing our new design. The broken line drawing of the display panel is for illustrative purposes only and forms no part of the claimed design.
