See application file for complete search history.

(57) **CLAIM**

The ornamental design of a vehicle headlight cover, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a vehicle headlight cover shown on a vehicle, according to my novel design; FIG. 2 is a front view of the vehicle headlight cover shown on a headlight only, according to my novel design; FIG. 3 is another perspective view of the vehicle headlight cover according to my novel design; FIG. 4 is a front view of the vehicle headlight cover according to my novel design; FIG. 5 is a top view of the vehicle headlight cover according to my novel design; and, FIG. 6 is a side view of the vehicle headlight cover according to my novel design.
This design represents one embodiment of a design for a vehicle headlight cover. The drawings and descriptions represent the right side embodiment. The design also contemplates a mirror symmetrical embodiment on the left side of a vehicle. The dash line included depicts environment and is not part of the claimed design.
