FIG. 1 is an elevated perspective view of a clamp boss for use with a table top work stop assembly according to the present invention.

FIG. 2 is a rear elevational view of the jaw boss of FIG. 1. FIG. 3 is a rear elevation view of the clamp boss for use with a table top work stop assembly of FIG. 1.

FIG. 4 is a left side view of the clamp boss for use with a table top work stop assembly of FIG. 1.

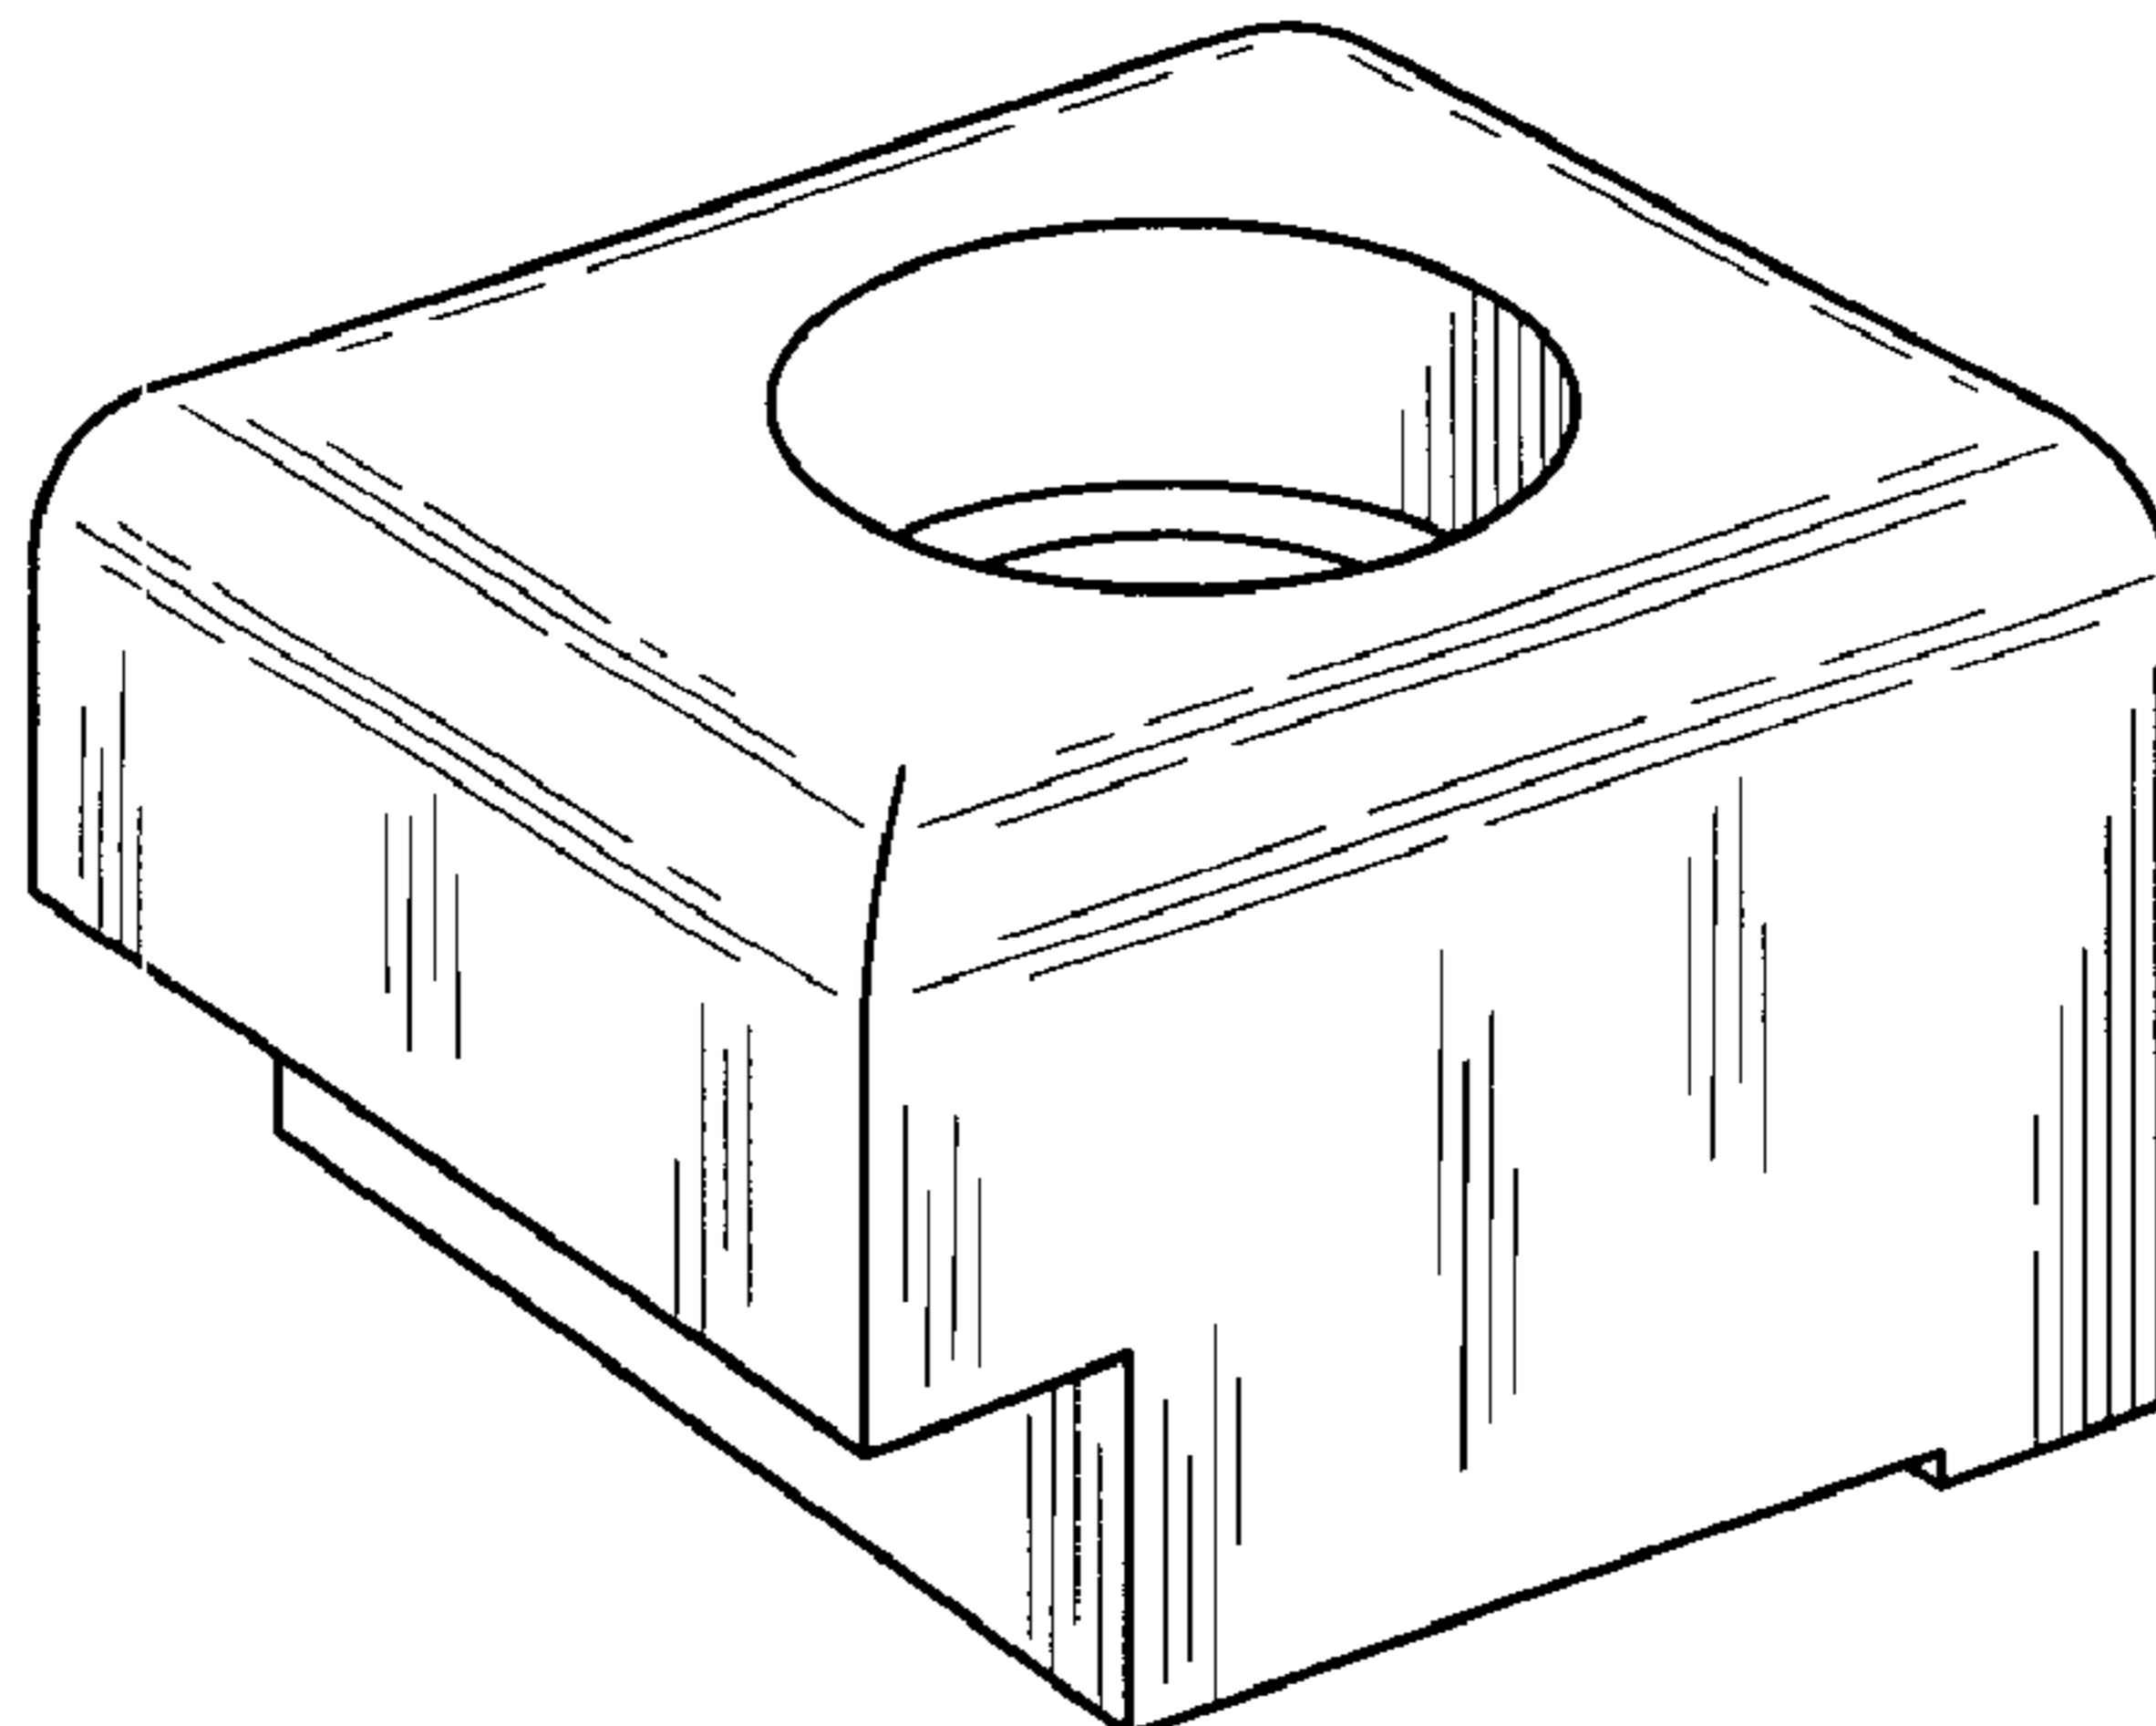

FIG. 5 is a right side view of the clamp boss for use with a table top work stop assembly of FIG. 1.

FIG. 6 is a top plan view of the clamp boss for use with a table top work stop assembly of FIG. 1; and,

FIG. 7 is a bottom plan view of the clamp boss for use with a table top work stop assembly of FIG. 1.

The broken lines in FIGS. 1–7 are illustrative of environmental structure only and form no part of the claimed design.
