(57) **CLAIM**

The ornamental design for a portable ramp with pad and stabilizers, as shown and described.

**DESCRIPTION**

FIG. 1 is a top plan view of the first and second embodiment of a portable ramp with pad and stabilizers showing my new design;

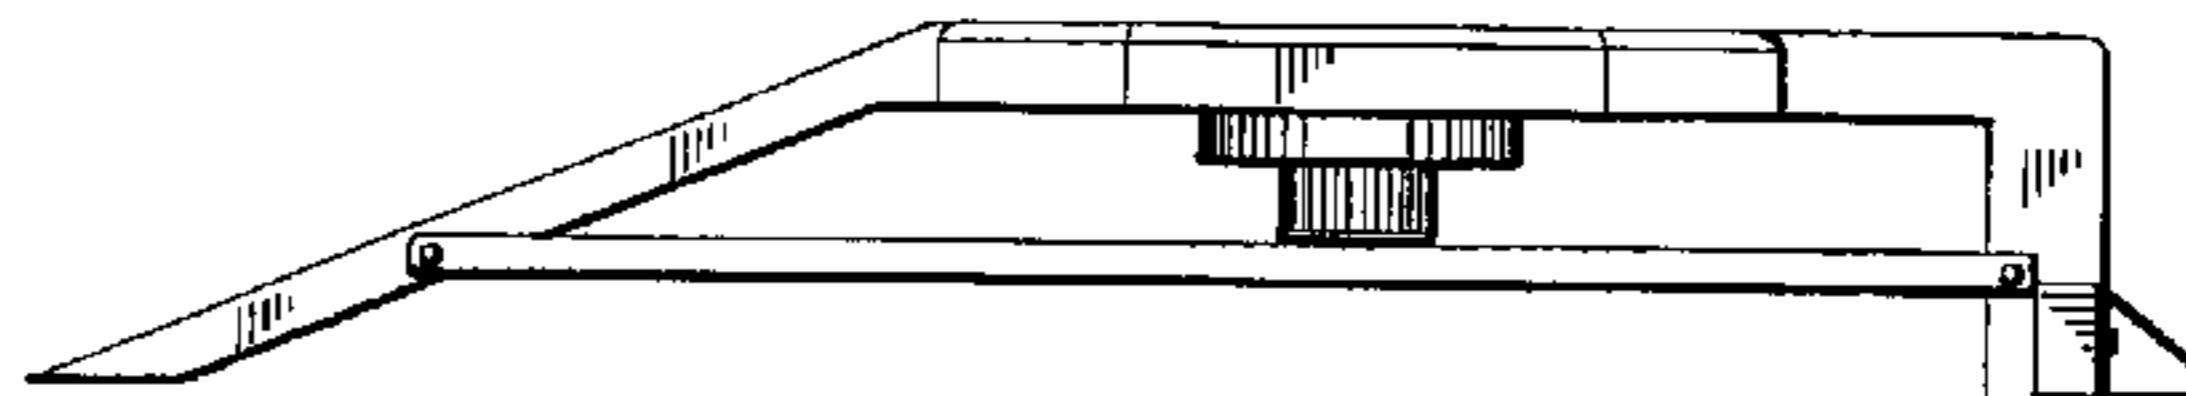

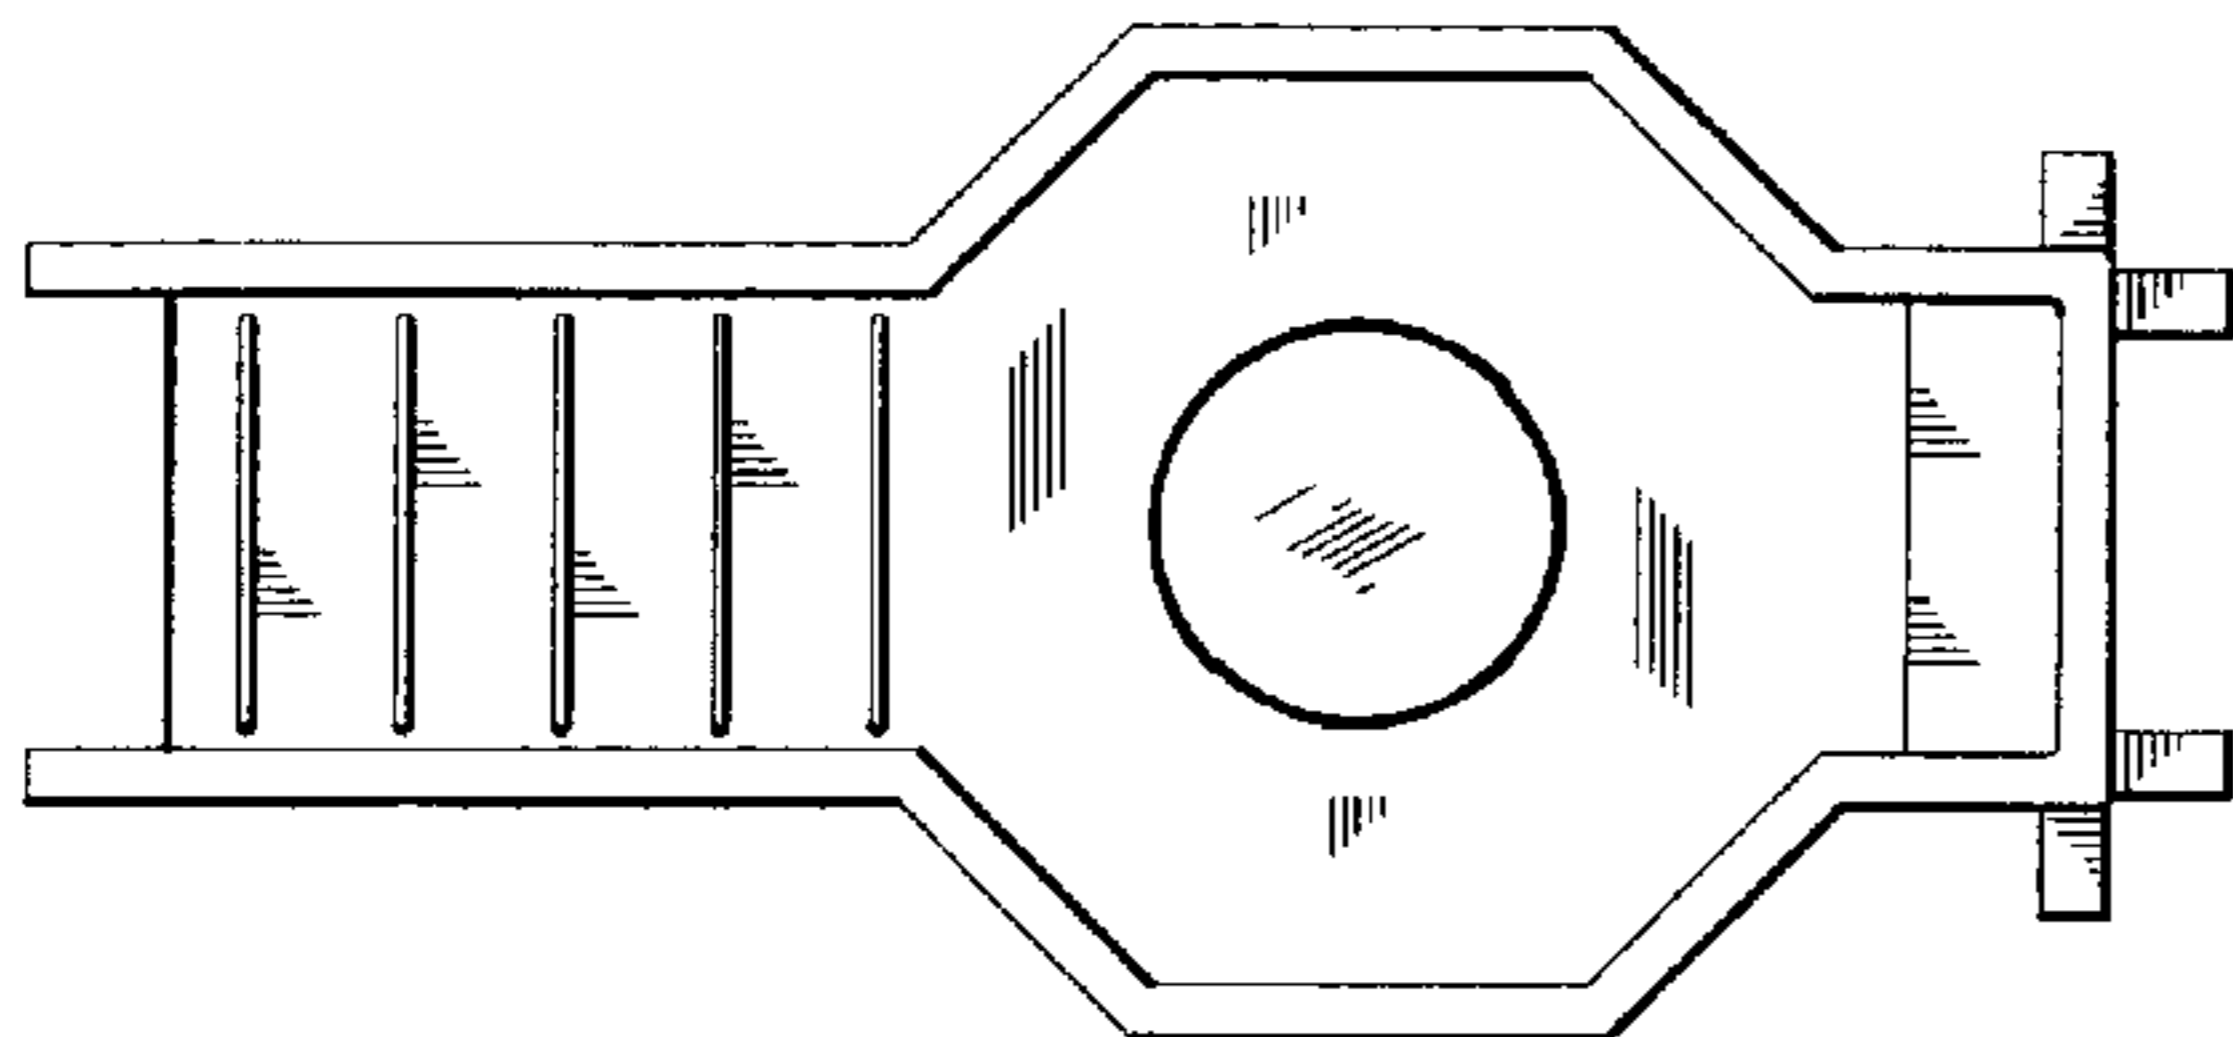

FIG. 2 is a right side elevational view of the first embodiment, the left being a mirror image thereof;

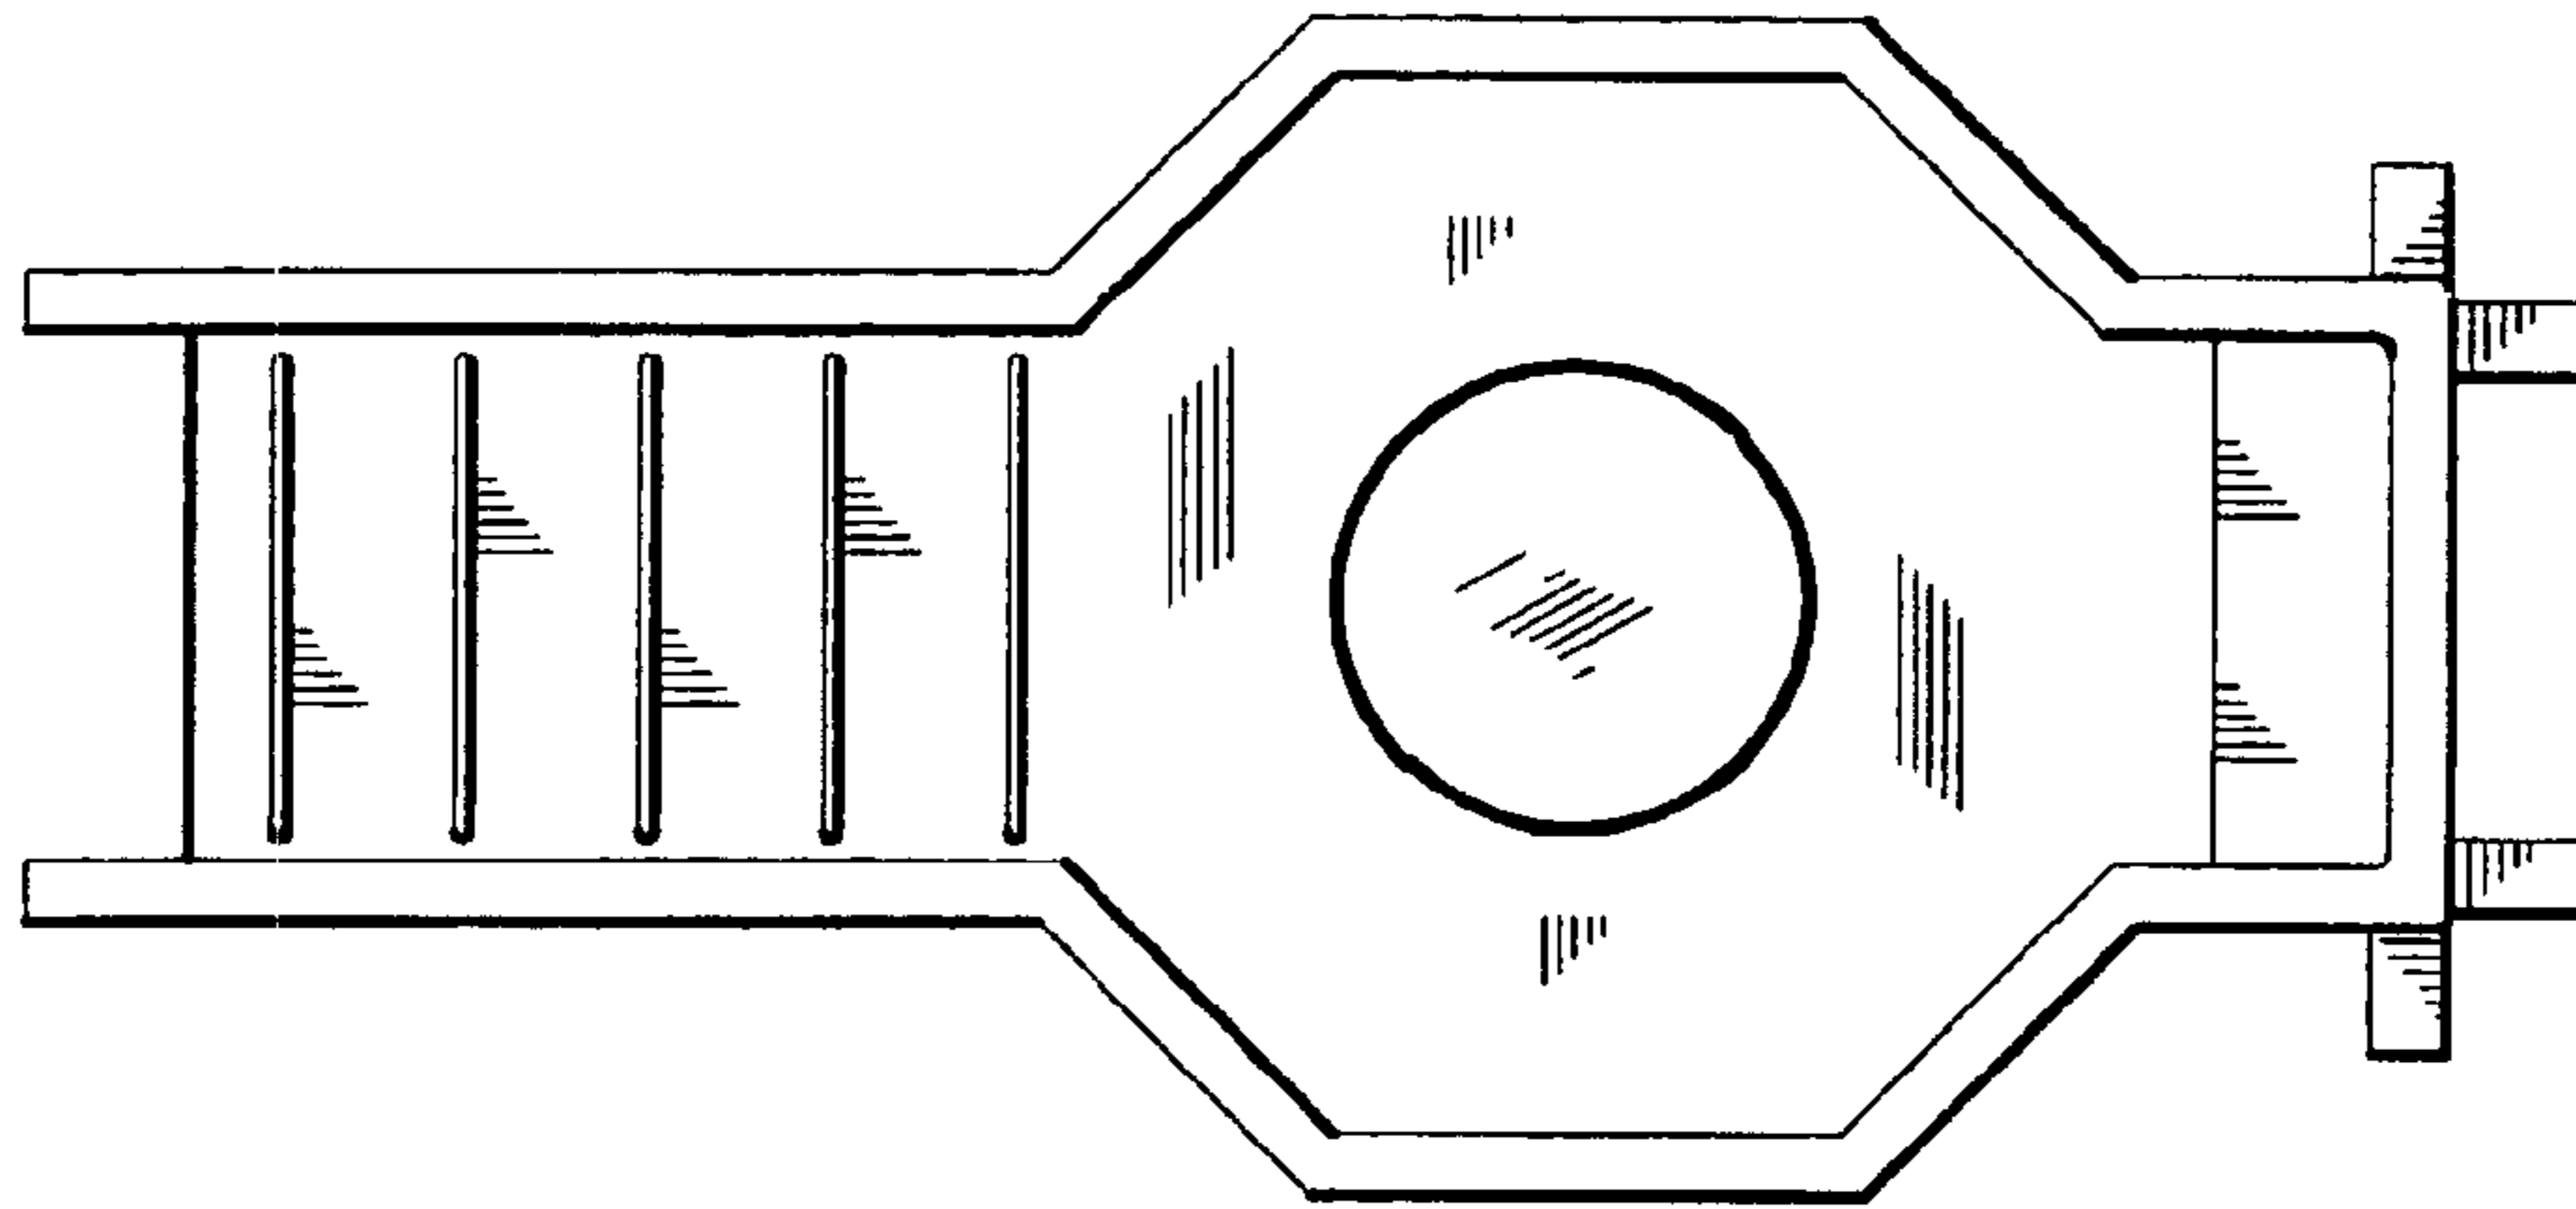

FIG. 3 is a right side elevational view of the second embodiment, the left being a mirror image thereof;

FIG. 4 is a front elevational view of the first and second embodiment; and,

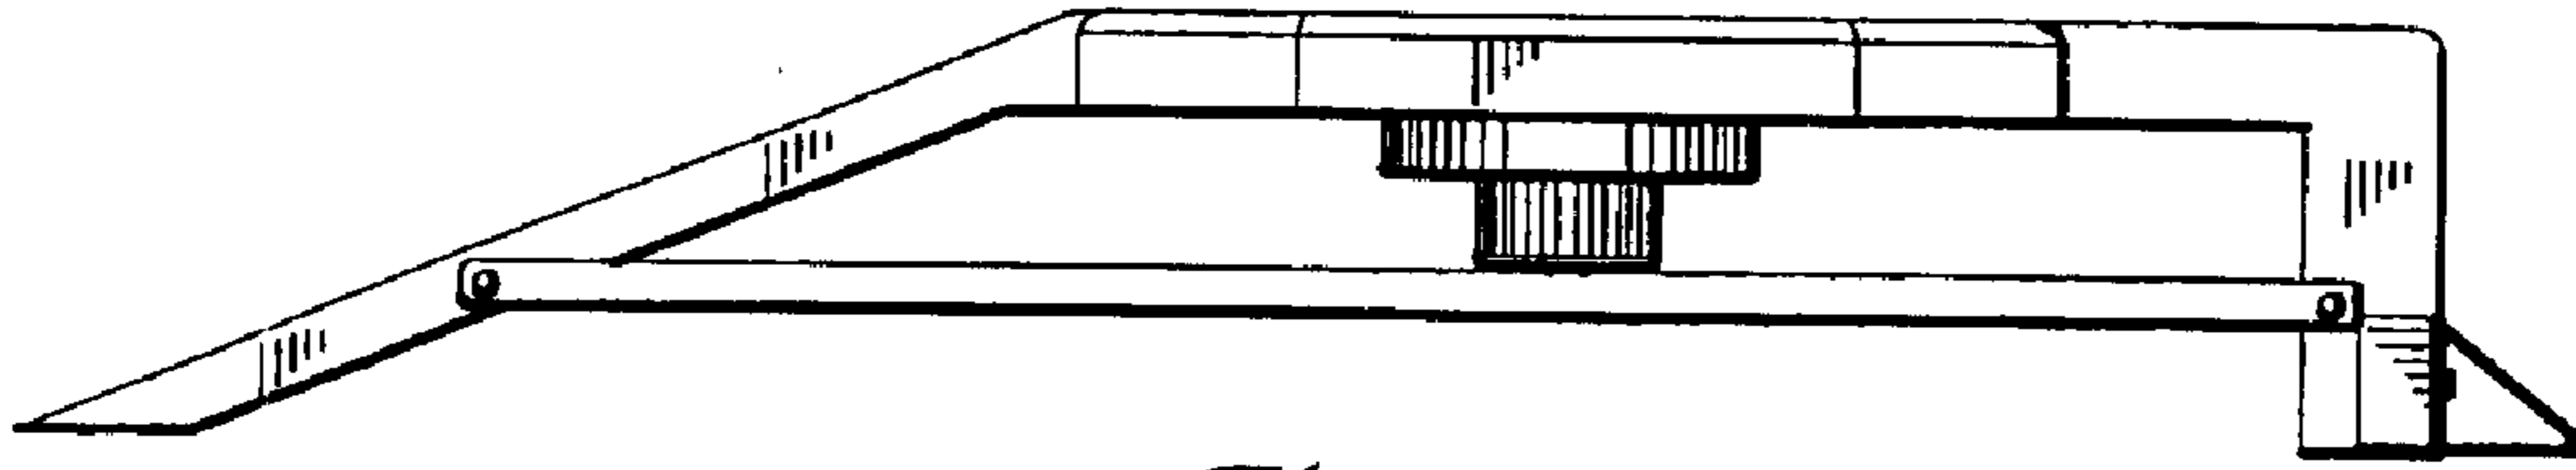

FIG. 5 is a rear elevational view of the first and second embodiment.
