(57) **CLAIM**

The ornamental design for a user interface for a portion of a display screen, as shown and described.

DESCRIPTION

The FIGURE is a front view of a user interface for a portion of a display screen showing our new design. The broken line showing of two rectangles and a square, and the unshaded areas there within form no part of the claimed design. The broken line arc in the lower left portion of the design represents an unclaimed boundary. The broken line showing of the display screen is for illustrative purposes only and forms no part of the claimed design.
