(57) **CLAIM**

The ornamental design for a portable telephone having indicating image design displayed thereon, as shown and described.

DESCRIPTION

The file of this patent contains at least one drawing executed in color. Copies of this patent with color drawings will be provided by the Office upon request and payment of the necessary fee.

FIG. 1. is a top front perspective view of a portable telephone having indicating image design displayed thereon showing our new design; and,

FIG. 2. is a front elevational view thereof.

The areas shown in broken lines are for illustrative purposes only and form no part of the claimed design.
