(57) **CLAIM**

The ornamental design of the master student training records, as shown and described.

FIG. 1 is panel one of the front of the folder style format of the master student training records showing my new design; FIG. 2 is panel two of the front of the folder style format thereof;

FIG. 3 is panel three of the front of the folder style format thereof;

FIG. 4 is panel four of the front of the folder style format thereof;

FIG. 5 is panel one of the backside of the folder style format thereof;

FIG. 6 is panel two of the backside of the folder style format thereof;

FIG. 7 is panel three backside of the folder style format thereof;

FIG. 8 is panel four of the backside of the folder style format thereof;

FIG. 9 is panel three of a second embodiment for a binder style format of the master student training records. All other panel views are the same as FIGS. 1, 2, and 4 through 8.

FIG. 10 is a greatly reduced front view of the folder style format of the master student training records; and,

FIG. 11 is a greatly reduced back view thereof.

The master student training records is flat when unfolded and of conventional thickness.

The “Aircraft Cockpit and Globe” logo; “Crew Resource Management, the CRM Center,”; and the “MK Conquest International and Globe” trademark/service mark forming part of the claimed design are registered trademark/service marks belongs to Dr. Eric Kudimi.
