(57) **CLAIM**

We claim the ornamental design for literature stand, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a literature stand according to the invention.
 FIG. 2 is a side elevational view of a literature stand according to the invention.
 FIG. 3 is a back elevational view of a literature stand according to the invention.
 FIG. 4 is a front perspective view of a literature stand according to the invention; and,
 FIG. 5 is a back perspective view of a literature stand according to the invention.
