(57) **CLAIM**

We claim the ornamental design for a hockey glove, as shown and described.

**DESCRIPTION**

FIG. 1 is a side perspective view of the hockey glove according to the present design;

FIG. 2 is front perspective view of the hockey glove of FIG. 1;

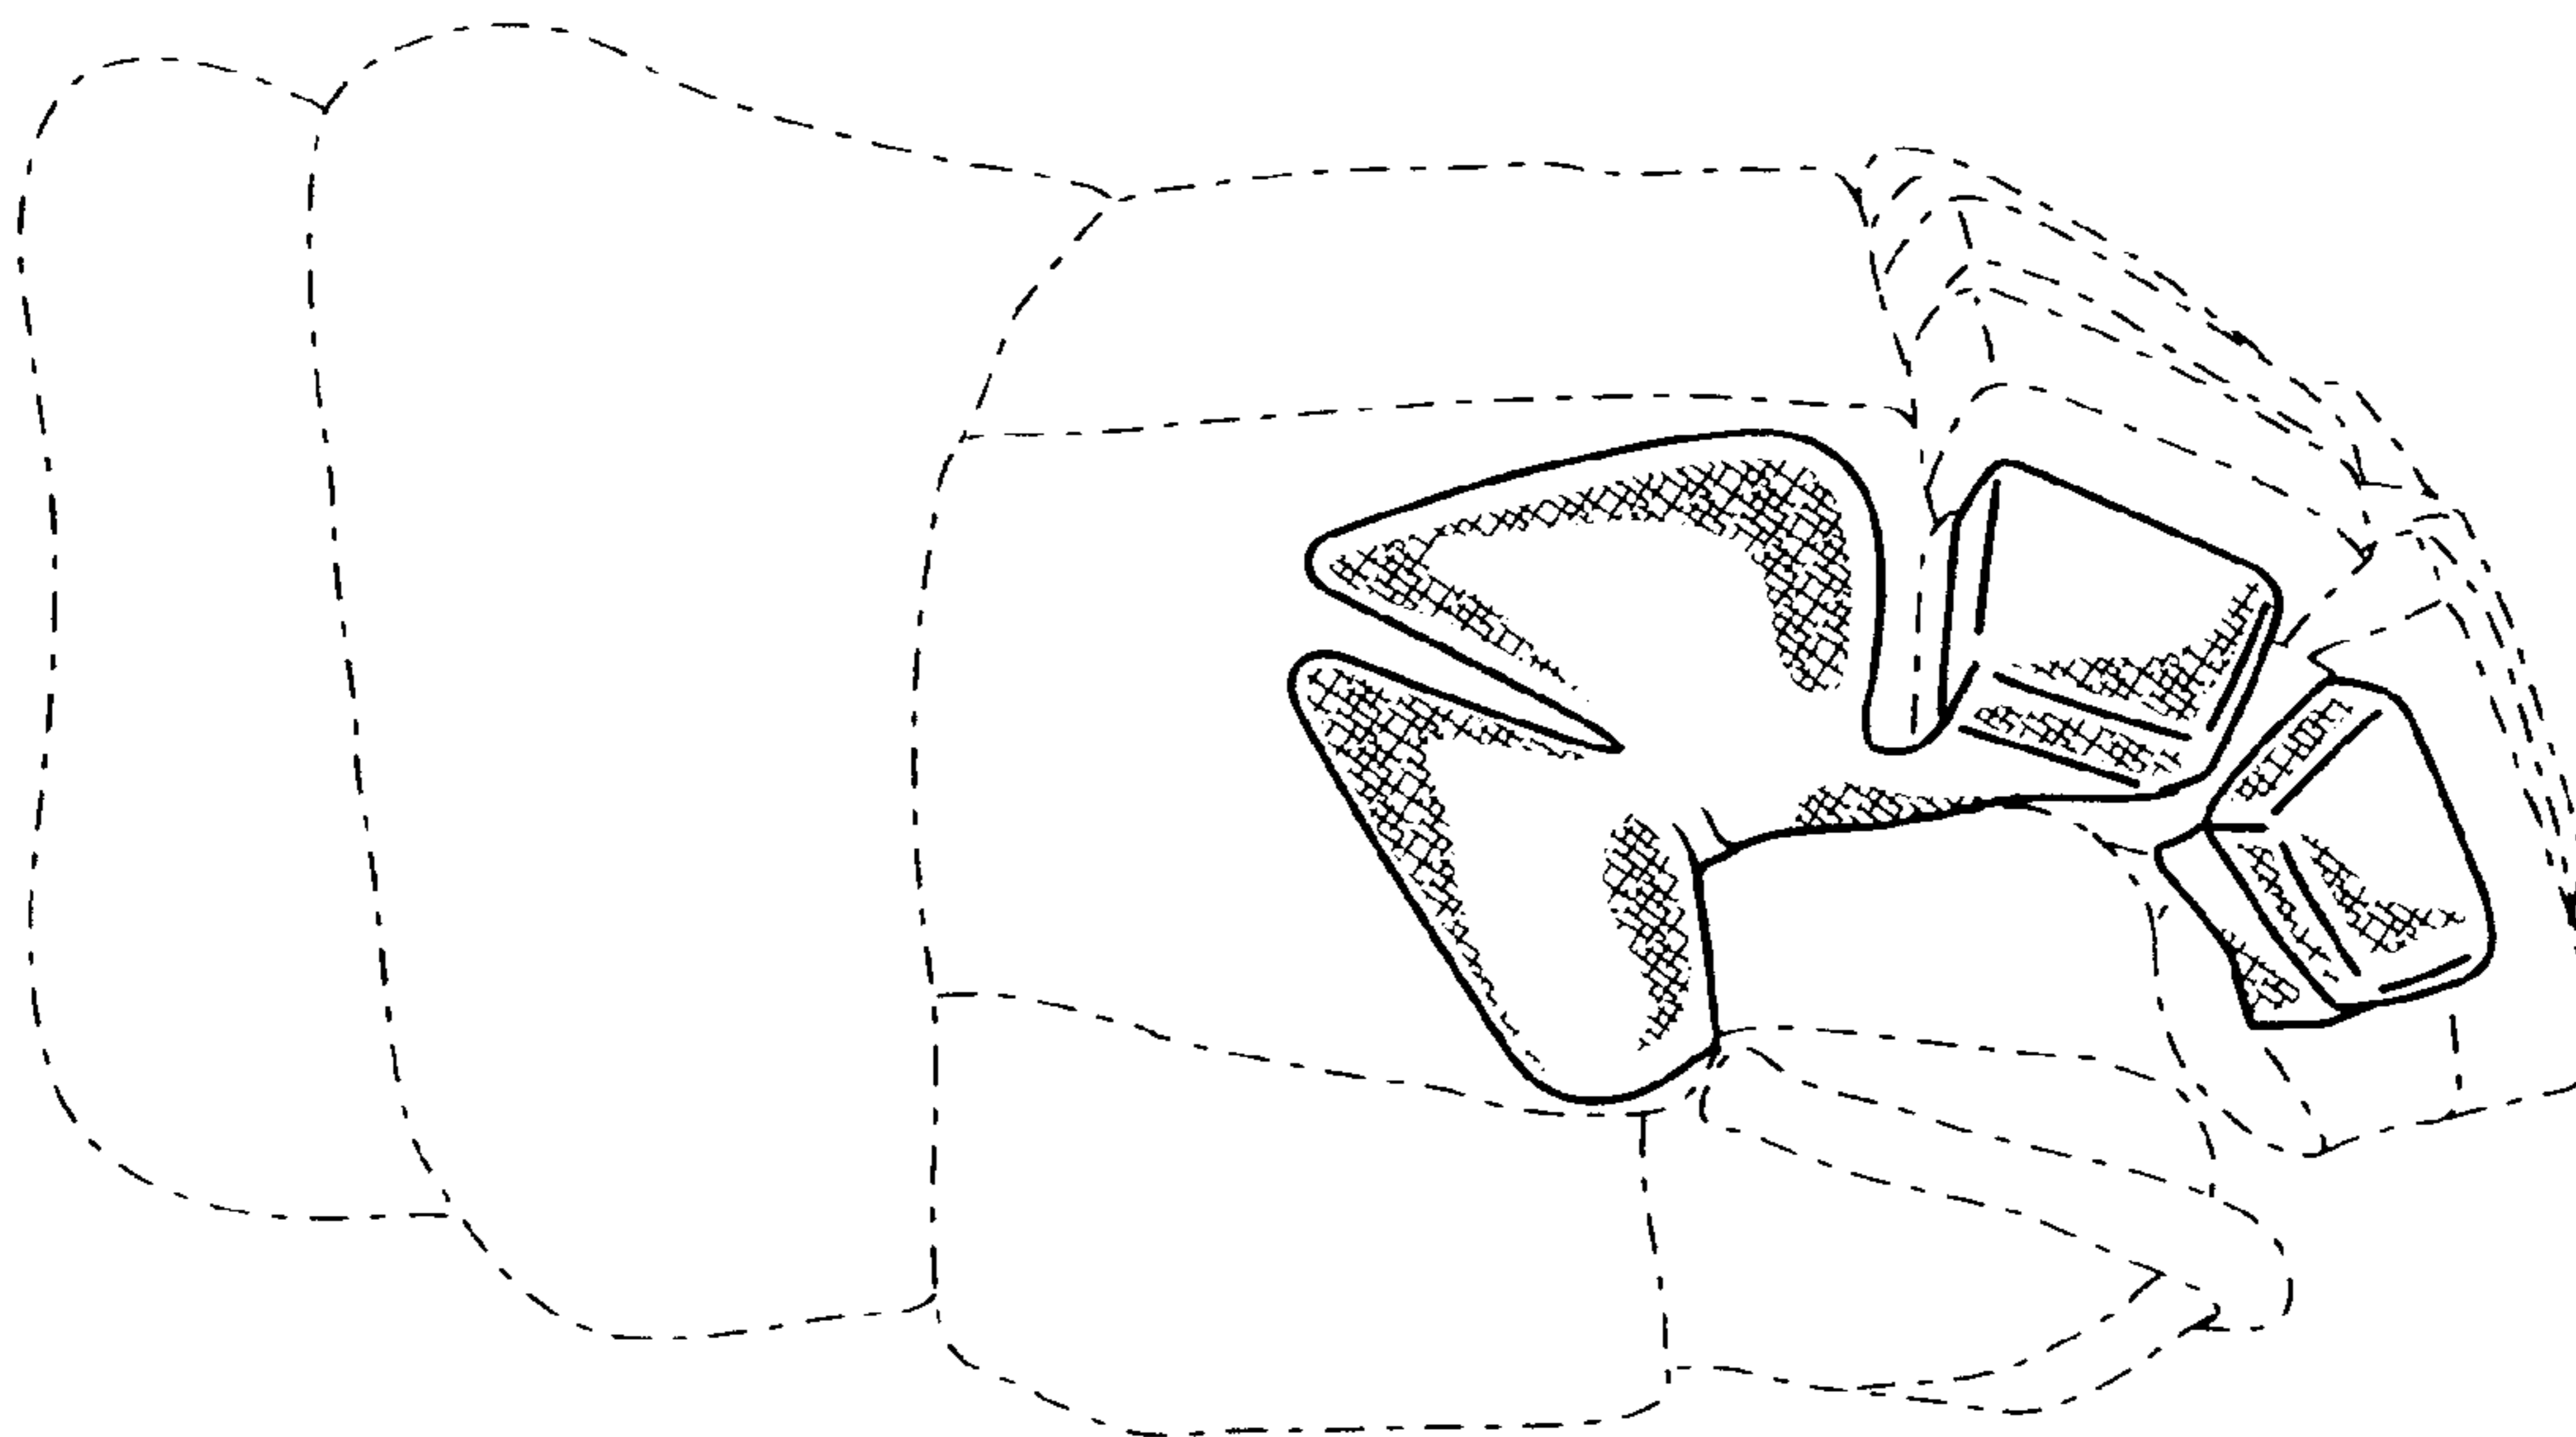

FIG. 3 is a top, side, front perspective view of the hockey glove of FIG. 1;

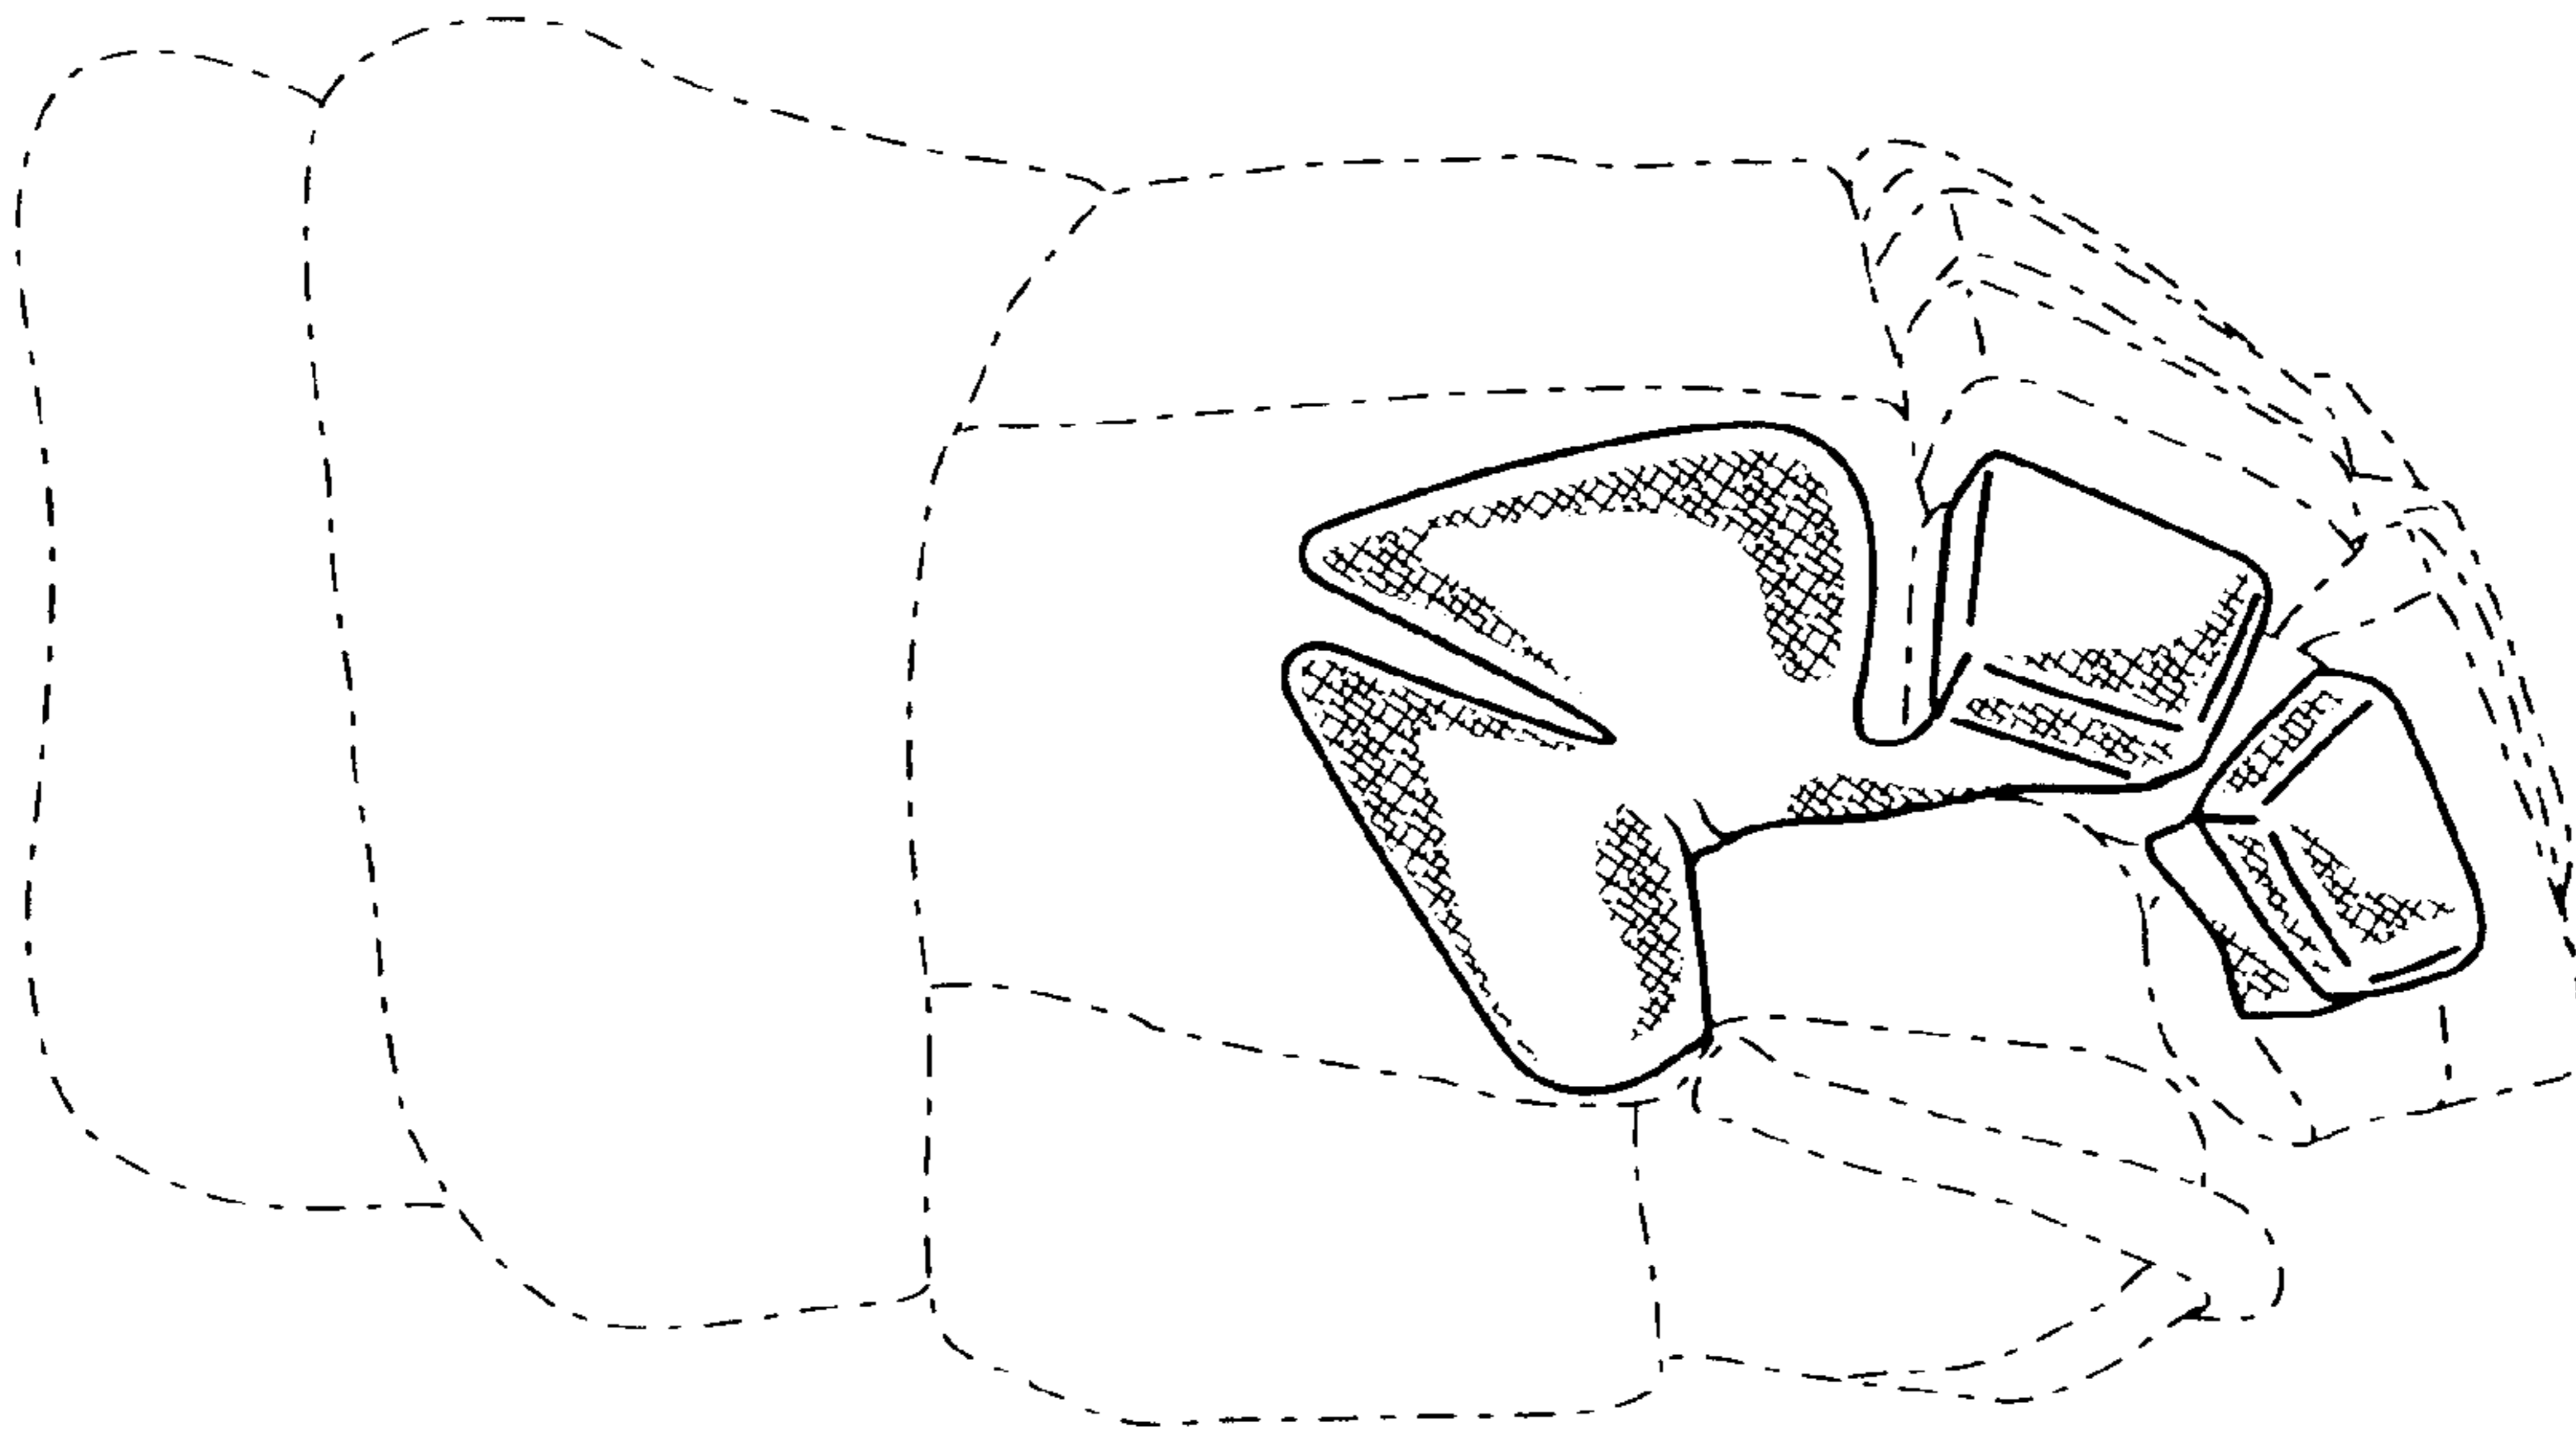

FIG. 4 is a top, side perspective view of the hockey glove of FIG. 1; and,

FIG. 5 is bottom perspective view of the hockey glove of FIG. 1.

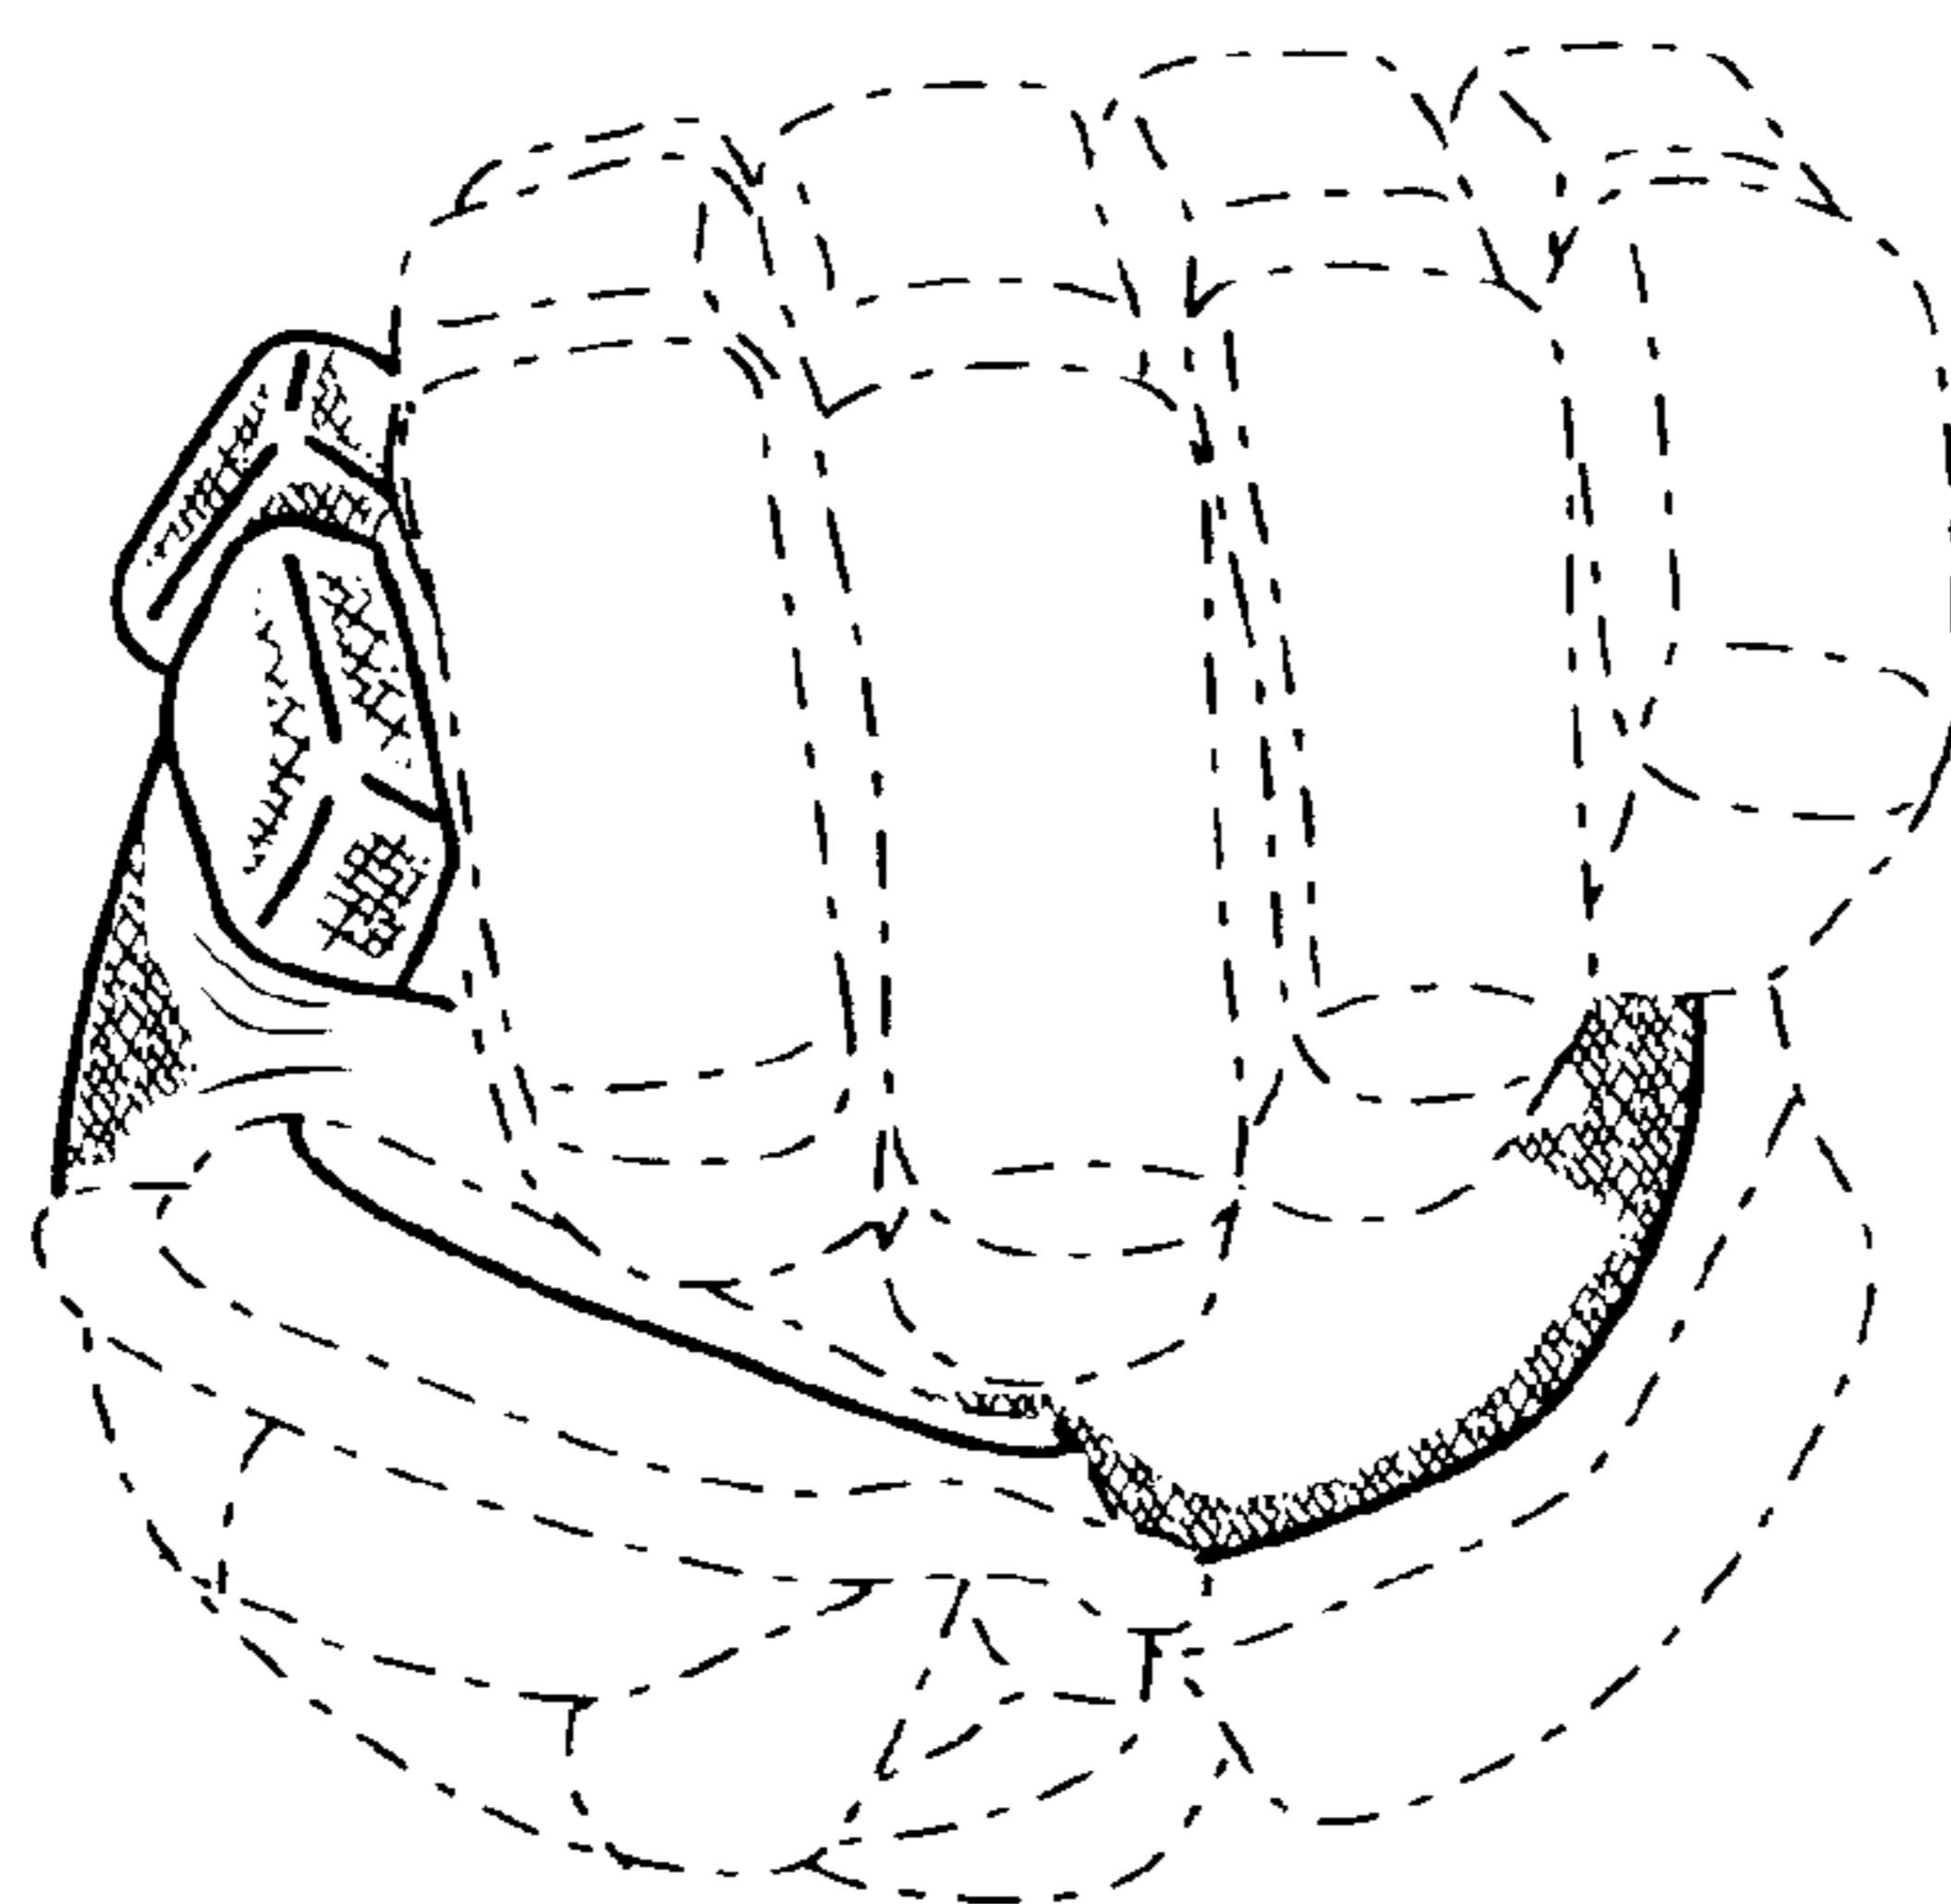

The design consists of a hockey glove having a palm portion covering the palm and extending over a portion of the glove side at the junction between the index finger and the thumb and over the first side pads of the index finger. The edge of the palm portion follows a V at the junction between the index finger and the thumb. The hockey glove further shows an overlay covering the second side pads of the index finger. The broken lines form no part of the design and are for illustrative purposes only. In addition, shading are provided for illustrative purposes only, and do not form any portion of the claimed design.
