(57) **CLAIM**

The ornamental design for a store container lid, as shown and described.

DESCRIPTION

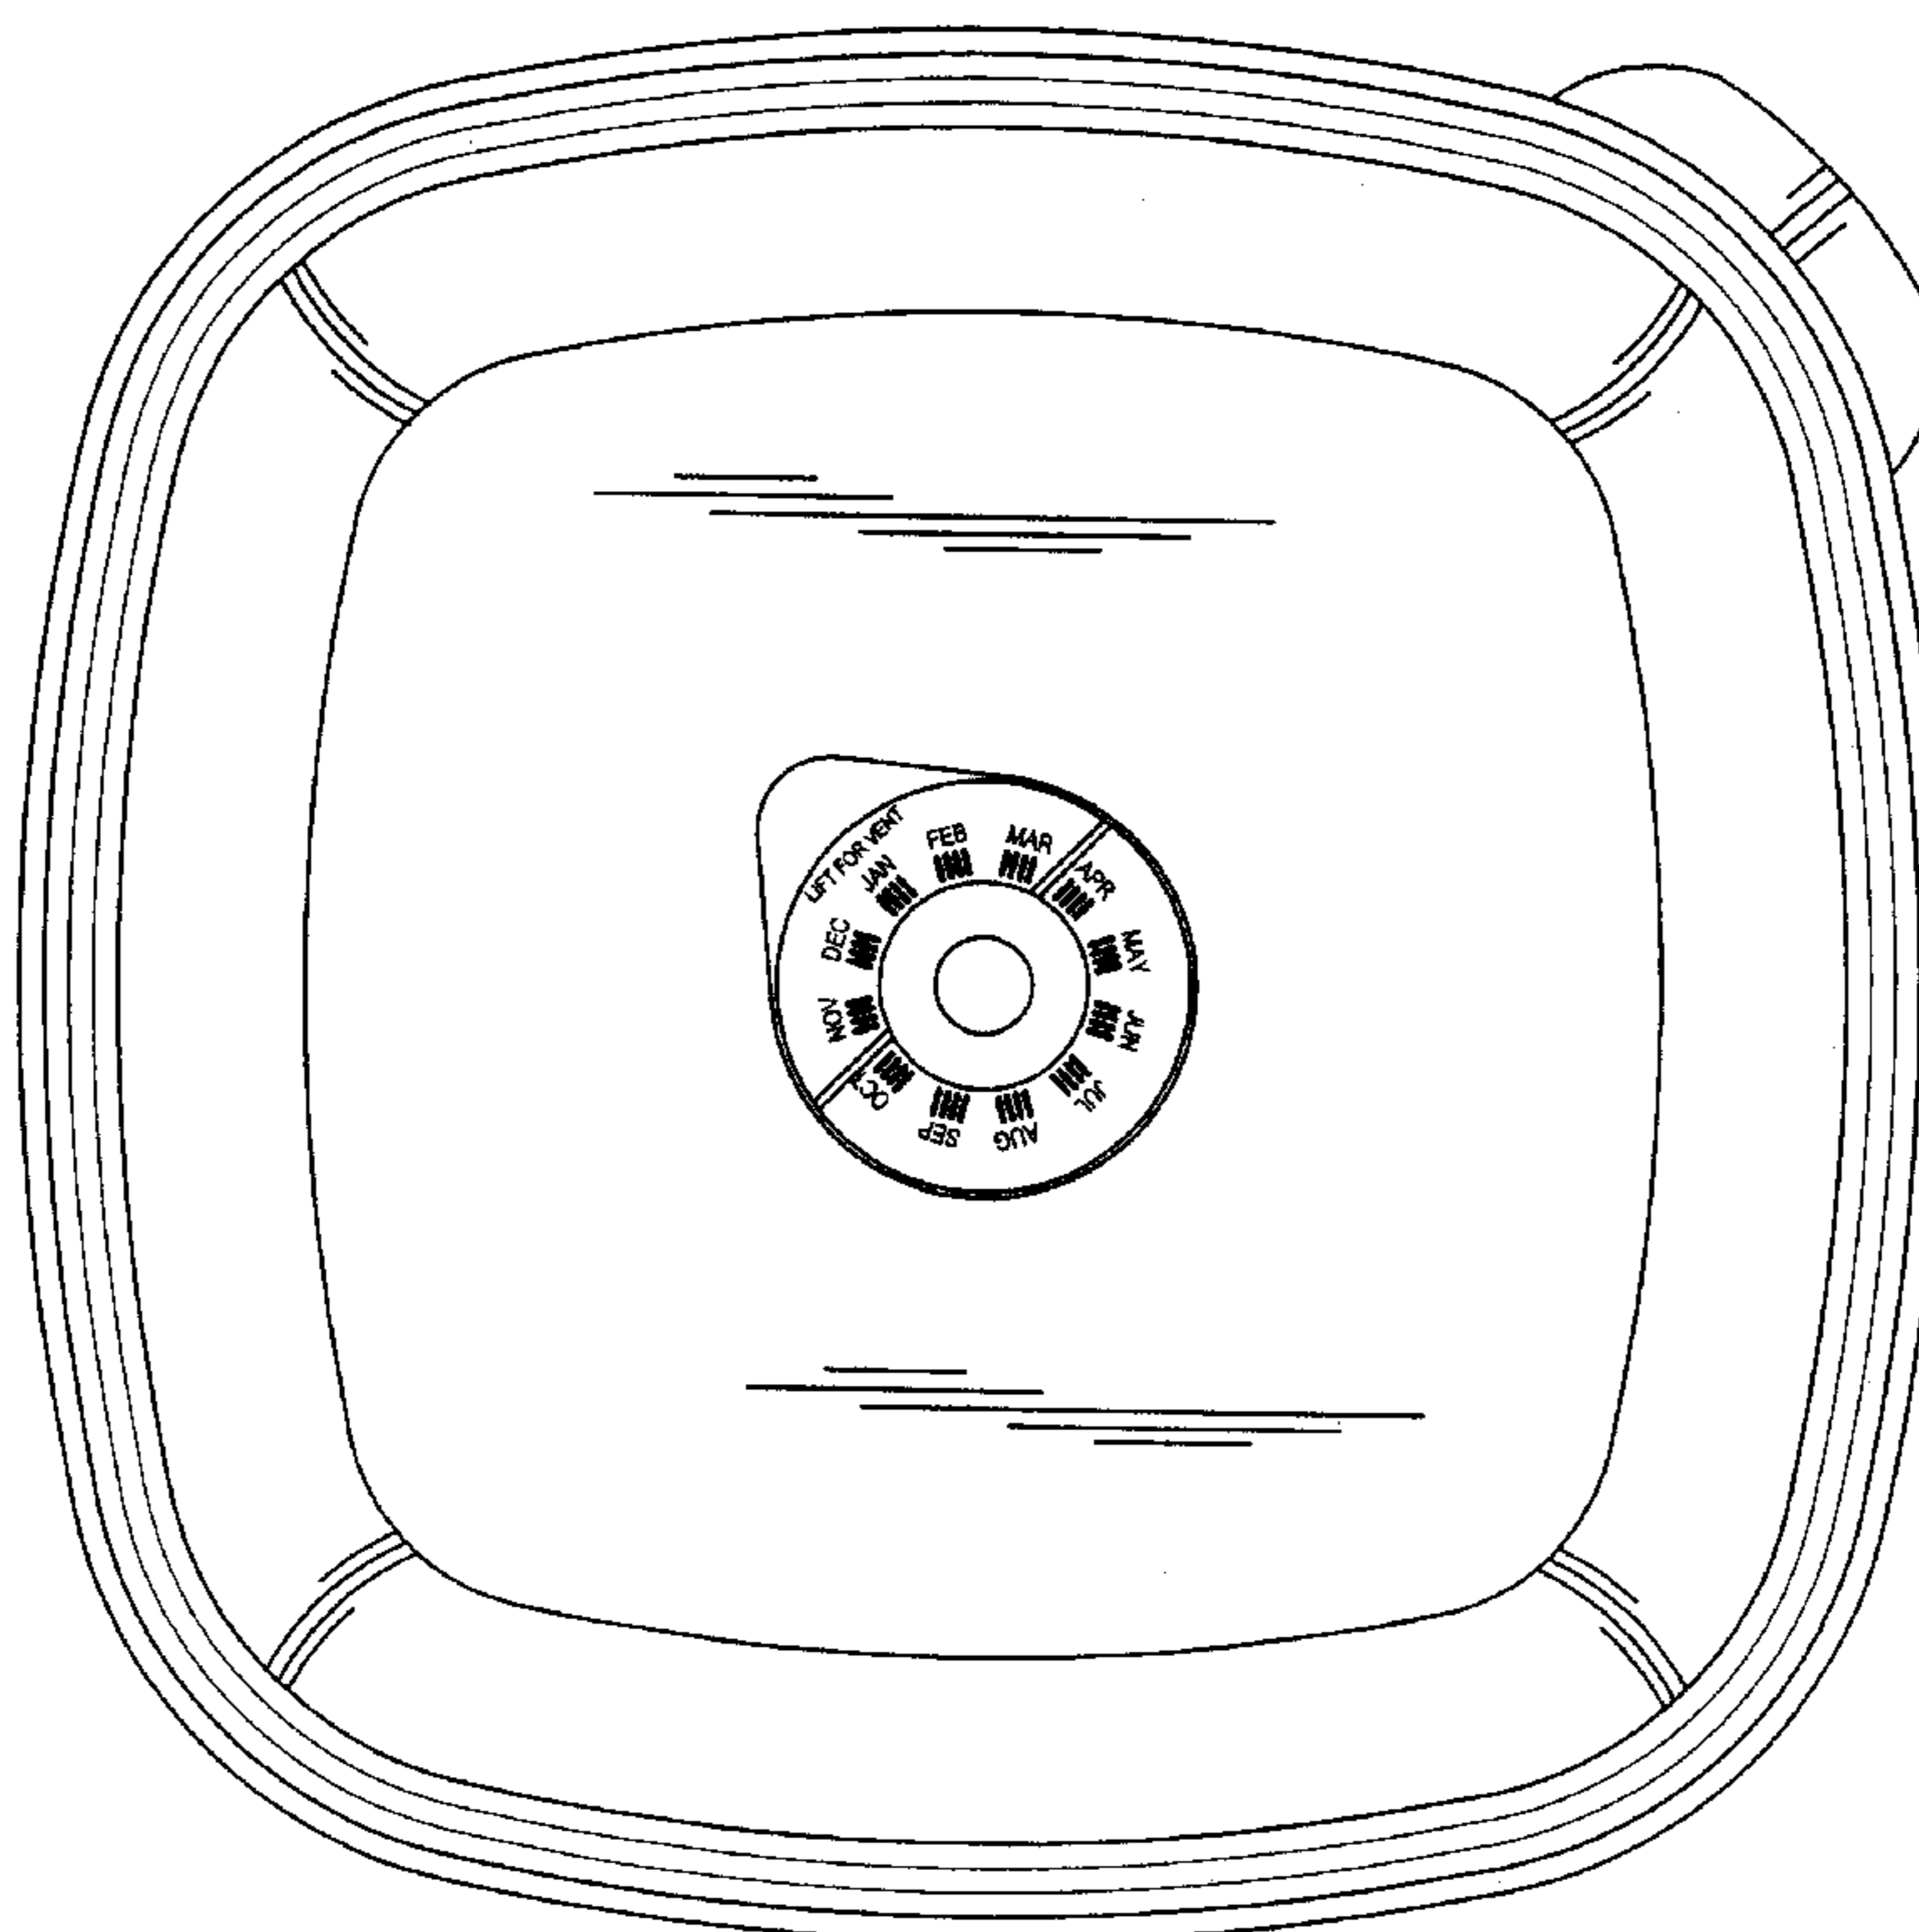

FIG. 1 is a top view of a store container lid with the venting hole closed according to the present design;

FIG. 2 is a perspective view of a store container lid according to the present design; and,

FIG. 3 is a perspective view of a store container lid with the venting ring in an open position.

The broken lines are for illustrative purposes only and form no part of the claimed design.
