(57) **CLAIM**

The ornamental design for a pattern for absorbent sheet material, as shown and described.

DESCRIPTION

FIG. 1 is a plan view of a first side of the pattern for absorbent sheet material of the invention; and,

FIG. 2 is a plan view of the second, opposing side thereof. The broken line boundaries are for illustrative purposes only, forming no part of the claimed design, and indicate that the design repeats uniformly throughout the length and width of the absorbent sheet material.
