(57) **CLAIM**

The ornamental design for a modular archway for an aircraft, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a modular archway for an aircraft.

FIG. 2 is a perspective view showing the use of a pair of modular archways for an aircraft; and,

FIG. 3 is a side view of a modular archway for an aircraft, the opposite side view being a mirror-image thereof.

The interior portions of an aircraft which are shown in some of the Figures are shown in hidden lines and are present only to depict the environment for the present invention and are not part of the claimed invention.
