(57) **CLAIM**

I claim the ornamental design for a portable air compressor with battery, as shown.

DESCRIPTION

FIG. 1 Is a front top perspective view of the portable air compressor with battery.

FIG. 2 is a left elevational view of the portable air compressor with battery.

FIG. 3 is a right elevational view of the portable air compressor with battery.

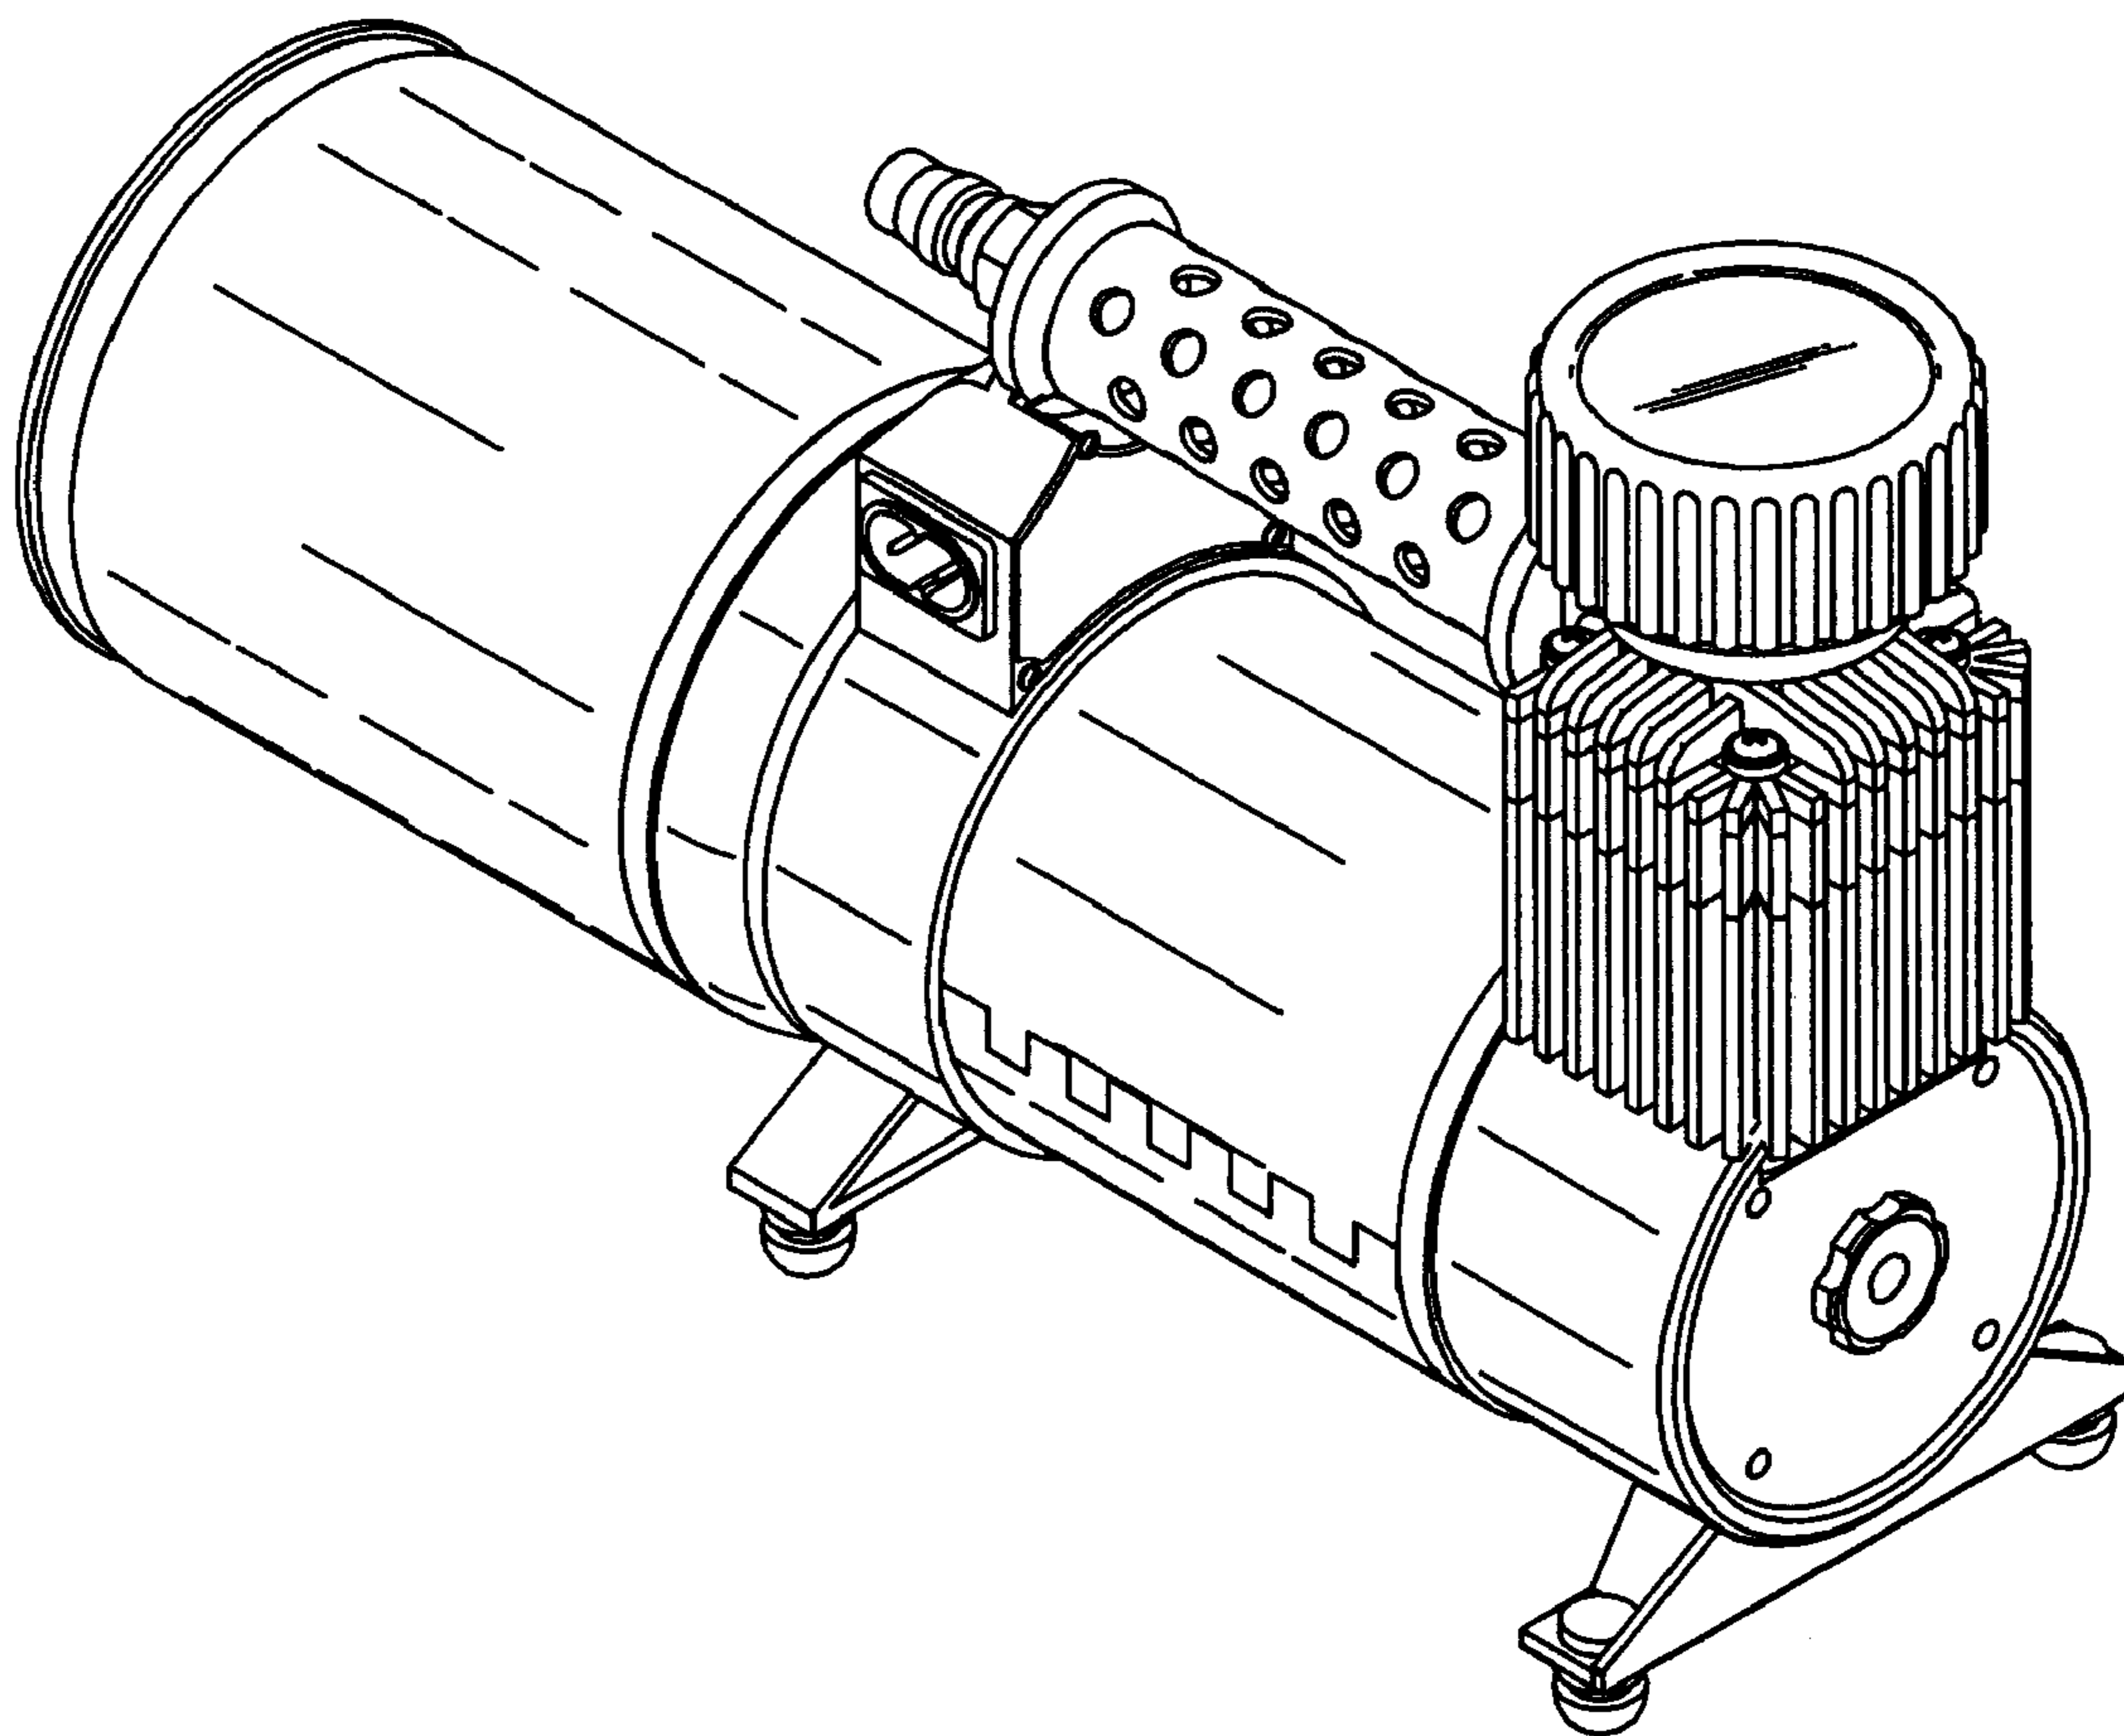

FIG. 4 is a front elevational view of the portable air compressor with battery.

FIG. 5 is a rear elevational view of the portable air compressor with battery.

FIG. 6 is a top plan view of the portable air compressor with battery; and,

FIG. 7 is a bottom plan view of the portable air compressor with battery.
